Here's the Way to Get to Columbia Park for 301 Field Day

Canadian Workers Hold Fast to UE
Workers at the Plant of the Canadian Steel Workers' Union in Toronto have refused to exchange UE for a union that would sign a contract allowing for the employment of non-UE workers. The company has offered to accept the contract, but the workers have rejected it. The strike has been ongoing for several weeks, with no end in sight.

Strikers Okay Raise
Strikers at the Westinghouse plant in Denver, PA, have voted to accept a raise of 10 cents per hour, which will be effective in September. The strike has been going on for several months, with workers demanding a higher wage.

Thousands Attend Annual Field Day
Andrew Boudreau, 12-year-old son of the noted baseball player Ted Boudreau, was in the crowd which attended the 301 Field Day. He was accompanied by his father, who is one of the top baseball players in the country. The event was well-attended, with thousands of people in attendance.

General Cable Raises
General Cable has raised wages for union members effective from March 1st to March 15th. The new rates are 10 cents per hour. The company hopes this will help to retain workers and improve their living standards.

CIO on Air
DC Commissioners vote to hold a meeting every Monday at 10 a.m. to discuss issues related to the CIO and Parmer's union.

Local 301 to Elect Delegates Next Week
Union members at the Boston headquarters will elect delegates to the national convention next week. The election will be held on Wednesday, and the delegates will be responsible for representing the interests of the local unions.

North Tonawanda Raise
Another wage settlement was reached recently in North Tonawanda. The settlement affects workers at the General Electric Company plant in North Tonawanda and raises wages for all employees.
