Edward Wallingfield, acting business agent during the absence of Lee Johnson, has written to the members of Local 815 to write personal letters to the Senator from New York, seeking the following important points of the CIO programs should be put into effect immediately if necessary. He writes:

- Congress should immediately enact the necessary wage and hour legislation, proposed by President Truman, to provide for federal supplementary unemployment relief wage and hour legislation, and to seek the maximum protection available to all workers.
- The President should take the lead in the national wage policy and seek the necessary authority from the Federal Fair Labor Board to make such wage adjustments as would be necessary to maintain and improve the standard of living of workers.
