It is the union that makes jobs at GE better. Much remains to be done to make these jobs what they should be. It will be done. It can be done, only THE UNION WAY.

It is because of this record, and its promise for the future, that Mr. Wilson and Mr. Boulware go after our union, seek to discredit our leaders. We believe our membership will continue to run their own affairs, to make their decisions on the record of gains, and not to please Mr. Wilson.

**Voting Details Are Announced By Committee**

Members of Local 301 will vote for union officers for 1948 next Thursday and Friday, at 630 ball. Polls will be open from noon Thursday to 5 p.m. Friday.

The Election Committee decided on the time, place and other election arrangements at a meeting Monday night. The location was chosen at the insistence of Lipchick of 301, who said committee would not be held at the union hall.

The 301 member nominations were chosen at the 301 membership meeting Nov. 18 and 19, as provided by the constitution.

"We shall try to have as many nominations as can be obtained from the membership," the secretary stated.

"With this the union will be on a solid foundation and we are hopeful that we shall have a clean slate in the election." The committee has been making arrangements for no indication of voting methods.

Candidates who have accepted nominations have been asked by the committee to meet at 1 p.m. today (Friday) at 301. (Continued on Page 2)

**301 Store Open 3 Days a Week**

Bartling next week, the Local 301 Food Center at 3257 Fairview St. will be open every Tuesday, as well as Friday and Saturday. Hours will be from 9 a.m. to 8 p.m. Thursday and Saturday, and from 8 a.m. to 5 p.m. Friday.

This week the store was scheduled to be open Wednesday, the day before Thanksgiving, with a full line of vegetables and fruits for the holiday dinner. The Food Store Committee and 301 store manager, Frank Tupper, decided against stocking turkeys, however, as frozen turkeys would not be handled as enough setting to make the store worthwhile.

The store will be open today and tomorrow as usual.

**Delivery Service**

Arrangements have been made with a delivery service to deliver purchases to the Schenectady city limits for 3½ cents.

The $310 in sales last Friday and Saturday exceeded a new high. Sales were $320 Friday and $315 for Saturday.

There will be a sale today and tomorrow, but not as much as last week because previously most families still

End Thomas Group, CIO Head Urges
Congress shall quickly repeal the recent Un-American Activities Commit-
tee and end its existence, CIO President Philip Murray said in a letter re-
cently to Congressmen. After returning, the Thomas-Rankin group's "poodles" of the movie industry, Murray declared: "I suggest it is all solemnly that the leaders of Congress cannot permit this type of performance to be conducted without restraint or other appropriate actions.

For many years, the Un-American Activities Committee has consti-
tuted a threat to the lives of Ameri-
can citizens and their families. It creates fear in the hearts of people who have felt the whisper of this committee and its proceedings. It has concentrated its efforts on the suppression of unionism and the promotion of anti-unionism.

I am sure that the letter to the 'New York Times' has been the last straw in the battle for the rights of union members. The time has come for a quiet revolution in this country. We must stand together for the protection of democracy and the rights of the American people.

New Shop Stewards
Three new shop stewards were selected to serve as representatives of the group of workers employed by the company. These stewards will be responsible for maintaining discipline and enforcing the rules of the company.
