The Facts on the Shenectady Knitting Mill Organizing Drive

The Shenectady Mill, owned by the G. C. M. W. and located in Schenectady, N. Y., has been a source of concern for the local union. The Ladie's Auxiliary
The Executive Board requests the members of the union to encourage their wives and daughters to join the Auxiliary.

Program of the Auxiliary covers a very important part of every woman's problem, the clothing and purchasing of the household of the family. The same principles hold true whether in living or in earning for better conditions through our union, including the things that are important to do as individuals. Increases in living costs actually result to wage rates.

Even the Devil in Hell Don't Want Him

I ought to get a large reward - For never giving a woman a bead. I've never promised, I've never sworn; I've never raised with others like. But I must go my way to win; So open, St. Peter, and let me in.

Another Local Added to District 9

Local Manufacturers Blamed for Unemployment

District (DC) - The outstanding impression left by the
oneness before the Women's Committee of the House of Representatives, investigating defense labor conditions in the District, has been that the auto manufacturers did not know what was wanted by their workers and, as a result, as defense is concerned, much was done.

President J. L. Thomas of the United Auto Workers (UAW) recently ignored the投诉s of the House committee. When asked if they would not be able to provide adequate employment.

Thomas, Sec-Treas. George J. Addis and other UAW representatives at the Senate hearings said that the UAW would work with the manufacturers to provide employment in the future. They added that the manufacturers would be able to provide adequate employment.

The Committee asked Secretary C. L. Wilson of General Motors Corp. if any defenses to stop this U.S. auto workers were taken by the manufacturers, he replied, the UAW has been in talks with the manufacturers, he said.

Thomas added a bolder blow on the auto makers for their efforts in stopping defense against auto defense production.

Adopted by
Congress of Industrial Organizations—November 22, 1940

WHEREAS, (1) Increased purchasing power in the hands of the mass of the workers of the country is essential to continued and more rapid prosperity;

(2) Such increased purchasing power can be secured only as long as the mass of the workers are enabled to purchase the necessities of life at the lowest possible prices; and

NOW, THEREFORE, the Congress of the United States hereby recommends to the Congress of the United States:

RESOVED (1) That the Congress recognize the necessity for developing among wage earners an interest in the principles of consumer cooperation and in the organization of such cooperatives;

(2) That the Congress recommend to the Agricultural Adjustment Administration that every effort be made to develop and promote the organization of such cooperatives, and to encourage their expansion through credits and low-cost loans;

U. E. LOCAL 301

To All G. E. Employees...

Greetings:

A GENERAL MEMBERSHIP meeting of our Local 301, on Monday, November 10th, pledged full support to the Amalgamated Clothing Workers of America on their strike at the Gloversville Knit both in Gloversville and Schenectady plants.

We are calling a meeting of the Employees in the Schenectady plant of the Gloversville Knit, of the General Electric Company, on Wednesday, December 4th, at 7:30 P.M. at the Labor Center, Erie Boulevard and Liberty Street. We urge every U.E. member who has a friend or a relative working in the Gloversville Knit to bring this worker to our meeting Wednesday.

We know that the workers of the Schenectady, Gloversville Knit want to have the real story both about the Amalgamated Union and the strike in their sister plant in Gloversville. We know the Amalgamated Clothing Workers of America and their policies. We know the conditions in both plants of the Gloversville Knit. We want our members in the G.E. to know the facts.

The meeting has been arranged as the time most convenient for you. Any union struggle affects working conditions in every U.E. member. We ask you to bring your friends or relatives to this meeting.

As union workers we must all work together in order to build a strong C.I.O. union in the City of Schenectady.

(Signed) EXECUTIVE BOARD, LOCAL 301.
