Local 301 Buys Sesqui-Bonds

Local 301 IUW, second annual fund sale in the Sesqui-Bond Drive, which started May 30, 1953, has been the first of the three annual fund sales to be held in the country. The campaign was a success, and the bonds were sold for the amount of $30,000, which is equal to the amount of the bonds sold in the sesqui-centennial. The bond sale is a success, and the bondholders are entitled to a tax deduction.

Carey Address - An Attack On Unions

Hardly a day goes by without some representative of the industrial leaders delivering an attack on Unions and collective bargaining.

The UAW News of last week devoted a full page to more restrictive laws designed to make Unions less effective.

Reports on Compensation

The first strikes that an industrial worker will face in his career are usually the result of working the same job. If he is not able to do the same job, the worker is likely to be blacklisted by the employer.

The next strike is likely to be a collective bargaining agreement between the employer and the worker. The worker is likely to be blacklisted by the employer.
