Dear Sir,

The flight to work law may be O.K. and probably is an essential element of the "work week" solution presented. This is the third consecutive California court action against the new law.

SOLBERG, Calif. (AP) - Superior Court Judge Stanley Lowery has ruled that the "Fair Work Week" provision is unconstitutional. This is the third consecutive California court action against the new law.

Shift Ratio and Election of Delegates

A report was made at a special meeting of the employees showing the percentages of annual shifts worked against the average number of shifts worked. The report revealed that the work force is relatively small, with the plant operating at about 75% capacity. The report also showed that the company has been able to meet the demand for labor by reducing the number of employees.

Educational Classes for Night Shifts

The forming of a program of classes which is being administered by the Division of Adult Education of the State of New York, is being conducted on Tuesday and Wednesday evenings beginning September 10th, will enable night workers to take classes in subjects which are not available to day workers. The program is open to all workers, men and women, who wish to improve their educational standard and is sponsored by the state and by private agencies.

The courses are open to all who may make use of them. For further information, please contact the Division of Adult Education, State University of New York, or the local Adult Education Committee in your city.

IUUE Leaders in Study Wages in Puerto Rico

The recent strike in Puerto Rico has brought about a new wave of wage increases. The IUUE, which is affiliated with the American Federation of Labor, has urged its members in Puerto Rico to study the effects of the wage increases on their economy, particularly in the light of the prevailing economic conditions. The IUUE has called upon its members to hold meetings to discuss the effects of the wage increases on their living standards and to determine what steps can be taken to improve their economic situation.

IUUE-CIO 301 On the Job

The IUUE-CIO 301 local has been working hard to improve the conditions of its members. As part of this effort, the local has held meetings with management to discuss wage increases and working conditions. The local has also been active in organizing new members and has been successful in winning support from local businesses.

Local 301 Financial Accounts Audited and Certified

At its recent convention, the Local 301 of the IUUE-CIO 301 elected a new set of financial officers. The convention also approved the financial statements of the local, which were audited by the national offices of the IUUE-CIO 301. The auditors reported that the local had made a profit during the year, and that the financial statements of the local were in accordance with the national standards.

Current Events in My Section

Mr. A. C. St. George, Works Manager, General Electric Company, Schenectady, N. Y.

Mr. St. George, as you know, has been actively involved in the company's efforts to improve the working conditions of its employees. As part of this effort, the company has implemented a new pay system that is designed to recognize the importance of the contributions of its workers.

Mr. St. George has also been working closely with the labor union to ensure that the new pay system is fair and equitable. The union has been closely involved in the design of the new system and has been consulted on all aspects of the implementation.

On August 28th the company announced that it had reached a new agreement with the union, which includes a number of significant improvements to the pay system. The new agreement will take effect on September 1st.

Attending Your Union Meetings

Mr. Oliver White Dies

Oliver White died on Monday morning at his home in Schenectady. Mr. White was a long-time member of the IUUE-CIO 301 and had served as a union officer for many years. He was a respected figure in the union and will be deeply missed by all who knew him.
