MEMBER GETS BACK PASY AND JOB RESTORATION

Recently, Dr. Robert Ward, the maker of the 301 news, published an article discussing the importance of a member's right to receive a fair wage and job restoration. The article highlights the struggles faced by workers in the past and the importance of maintaining a strong union to protect their rights.

EMPLOYMENT LAG PUNCTURES "PROSPERITY" CLAIM

WASHINGTON — A new study by the Rand Institute shows that unemployment remains a significant problem in the United States. The study finds that nearly 10 million Americans are unemployed, and that this number has remained relatively stable over the past year. The report also notes that the unemployment rate has not declined as quickly as predicted by some economists.
