What GE Offer Means in $$$

Under the heading "What GE Offers to OPEL," G. F. G. O. E. says in its Newsletter, "This letter..."

Wages

The average wage per hour ranges from 4 cents up to 6 cents an hour. The average is 4.5 cents. This is extremely low in view of the fact that the production worker has progressed in the last 10 years from 4 cents an hour to $9.00 an hour. The company is now offering a new wage scale of $9.50 an hour.

The agreement: "The company has made proposal to the workers' representatives." The company is proposing a new wage plan for its workers. The plan, if accepted, will increase the workers' wages.

Pension and Insurance Proposals

The pension and insurance proposal, according to the agreement reached by the company, the plan requires substantial payments to the workers. The following is the monthly cost of the proposed pension and insurance plan to workers earning $12.00 per week and $24.00 per month (on-time time respectively):
