301 Board Writes Letter to Lillenthal

The 301 Board has written a letter to Lillenthal expressing its concerns about the safety and efficiency of the Lillenthal Plant. The Board raises concerns about the plant's ability to meet regulatory standards and the need for increased oversight by the Nuclear Regulatory Commission. The letter also requests additional information about the plant's operations and safety procedures.

Jandreau Re-elected UE District 3 Head

Raymond Jandreau has been re-elected as the UE District 3 head. This is his third consecutive term in this position. Jandreau is a long-time union leader and has been active in the UE for many years. He is known for his advocacy for workers' rights and his commitment to improving the working conditions for UE members.

Union Workers Win Awards Against GE in 25 More Compensation Court Cases

Workers' Compensation awards were made against General Electric Company to five union members. The awards were made to five union members who had been injured on the job. The union members will receive financial compensation for their injuries. The awards were made in response to a settlement agreement reached between the union and GE.

Union Member Answers Call for Blood Donor

This year, the United Electrical, Radio & Machine Workers of America (UE) has launched a campaign to encourage its members to donate blood. The campaign aims to raise awareness about the importance of blood donation and to encourage members to donate blood to save lives. The campaign promotes the value of blood donation and the impact it can have on saving lives.

Contact:

For more information, contact the UE local office or visit the UE website at www.ue.org.

Blood Drive:

A blood drive will be held on [date] at [location] from [time] to [time]. The drive is open to all union members and their families. Donations will be accepted at the drive and also at local blood centers.

give lincoln's day blood drive

Union Answers Call to Give Blood

The United Electrical, Radio & Machine Workers of America (UE) is urging its members to donate blood to help save lives. The call to action is in response to a national shortage of blood donors. The union is encouraging its members to donate blood to help meet the needs of hospitals and medical centers.
