NEW YORK STATE CIO COUNCIL
REVIEWS AMENDMENTS UP FOR VOTE

The Executive Board of the New York State CIO Council met recently to consider the amendments and Proposition No. 1, which were passed by the officers at the last meeting. The amendments were made as follows:

1. The membership of the CIO Council was increased from 70 to 80 members.
2. The term of office for the President and Vice-President was extended from 3 to 4 years.
3. The council established a committee to study the possibility of establishing a retirement fund for members.
4. The council authorized the purchase of additional office space for the headquarters.

About two weeks ago the plant was notified that the Spa Industria Supplement had been approved.

The reasons for this was that the company had made substantial improvements in the facilities and equipment.

The amendment is recommended because (a) it comprises radical changes and expansions and (b) it requires new facilities and equipment to be provided by the company. The new plant will be built at a cost of $100,000.
