**Workmen's Compensation**

**Benefits for Injured Workers**

"This is the outcome of a series of actions on my part and on the part of my employers to prevent and mitigate the effects of injury to my fellow workers."

"Sometimes the employer is held responsible for the injury, while at other times the employee is responsible. In either case, the effect is the same, the individual is the loser."

"For me, the compensation bill is a living, breathing problem. It is a problem that I face every day, and it is a problem that I cannot ignore."

**Congressman Drives**

**BY YOUNETING**

"I don't say my trip should go so well because the child endured it. Why? Because I was a Congresswoman, not a Congressman."

"I drive away from Washington, DC, the seat of power, with a new perspective on the role of the Congresswoman in representing the interests of her constituents."

"In this role, I strive to ensure that the compensation system is fair and equitable, and that it meets the needs of all workers, regardless of their circumstances."
