

**Spirit of '49**

Continuity of Service Issue in Arbitration

Two of the men were taken off work due to illness and the third due to injury and the men were out of the plant for a year and a half and were rehired. Some of the men, however, had not returned to work.

The third man, who had been out of work for six months, was transferred to another plant where the company didn't have any other employees for 6 months. The company offered him a job and he returned to work.

**What is $6000?**

The $6000 paid to workers is a mark of the company's success. In the past, the company has given $5000 to workers who have worked for 20 years and $1000 to workers who have worked for 30 years.
