Propose Changed Values In All Wire Panel Jobs

The Union proposes a reorganization of the values on all panel wiring work on the Standard Works buildings. The Union has proposed that the present panel wiring classifications be divided into two classifications with a range from $120 to $140. This proposal has been echoed by the Electrical Union News.

Back Up Moveover

A. P. H., in a letter to the Electrical Union News, states that the Union is now prepared to take any steps necessary to settle the panel wiring dispute with the Works. The Union has proposed that the panel wiring classifications be divided into two classifications, one for panel wiring up to $120 and another for panel wiring over $120.

New Starting Rates

With the new classification, the minimum starting rate for panel wiring work on the Standard Works will be $120 per day. The rate increase will be $10 per day, and will be effective immediately.

Humphrey Picks Up New Big Business

Further evidence that the Liberal Party is in a strong position in this election campaign is the new business that Humphrey Motors have received. The company has received a large order for the manufacture of a new model of automobile, which is expected to be very popular.

GE Out To Set Permanent Wage Freeze Policy

GE is considering setting a permanent wage freeze policy for all its employees. The company is looking at ways to reduce costs and improve its financial position.
Exposure GE Two-Faced Skilled Rate Policy

GE is SOAPING up and suggesting that it can't afford to pay skilled holding costs workers some money. On its 41st productivity program in Bldg. 16 it is using an outside consultant who knows skilled workers and pays them nothing. The workers have been told to work the job on their own. Another reason why the skilled workers are using an on-the-job training system for all new hires is that it is the best way to get the job done. The other reason is because the skilled workers are getting the training they need.

Bldg. 16 General Foreman Is Riding For Three Is

If General Foreman Andrei Terpak has a general impression that he keeps his job or that he will be blame himself. The words he consummated in Bldg. 16 say that it's all in the hands of his boss. There is no question that the General Foreman is riding for three.

End Foreman Coercion, Job Right Upheld

Nicholas Fiteri will remain at work in the circular saws in Bldg. 16 with enough work to keep him busy on that job as a result of a grievance settled by the Union.

Taft-Hartley Act Used To Attack Three

The NLRB has not only been active in handling charges filed against the company by the Steelworkers but has also been active in handling charges filed against the company by the United Steelworkers Union.

Steel "Catch-up" Raise Urged by 7 UE Locals
