WESTERN UNION

Mr. J. Edgar Hoover,
DIRECTOR, FEDERAL BUREAU OF INVESTIGATION:

WE REQUEST IMMEDIATE ACTION BY THE FBI IN INVESTIGATION OF PERJURY IN SIGNED
OF NON-COMMUNIST AFFIDAVIT BY LEO M. JASOUEAU, BUSINESS AGENT OF US LOCAL 301
IN SCHENECTADY.

JASOUEAU HAS HAD A LONG AND CONSISTENT RECORD OF COMMUNIST ACTIVITIES SINCE
1936 WHEN HE FIRST JOINED THE COMMUNIST PARTY UNDER THE NAME OF MURRO. AS
LATE AS A YEAR AGO, HE GOT HIS EXECUTIVE BOARD TO SUPPORT THE 11 COMMUNISTS
THEN ON TRIAL FOR CONSPIRACY AGAINST THE GOVERNMENT OF THE UNITED STATES.
WE ARE PARTICULARLY ANXIOUS THAT YOUR PRESENT INVESTIGATION BE COMPLETED BEFORE
THE ELECTIONS AT GENERAL ELECTRIC, WHICH TAKE PLACE ON MAY 26.

IF BY SOME CHANCE YOUR INVESTIGATION SHOULD BE COMPLETED AFTER THE ELECTIONS,
AND IF BY SOME CHANCE THE US HERE IN SCHENECTADY SHOULD WIN, WHICH HAS BEEN
UNABLE TO DO ELSEWHERE, THE WORKERS IN SCHENECTADY WOULD BE IN AN UNFORTUNATE
SITUATION OF BEING REPRESENTED BY NO UNION BECAUSE THE UK COULD NOT QUALIFY
UNDER TAFT-HARTLEY AND ITS TOP LEADERS WOULD BE HELD FOR PERJURY.

THE Us AND ITS LEADERS REMIND US OF A SHORNE OF DUCKS. "IF YOU WALK LIKE A
DUCK, TALK LIKE A DUCK, SWIM LIKE A DUCK AND ASSOCIATE FOR YEARS WITH DUCKS
AND ONLY WITH DUCKS, THEN THE ONLY CONCLUSION A POLICE CAN DRAW IS THAT YOU'RE
A DUCK."

THAT'S THE WAY IT IS WITH THE US AND THE COMMUNIST PARTY. ITS TOP LEADERS
HAVE WALKED, TALKED, BEEN IN THE SAME SWIM, AND ASSOCIATED ONLY WITH COMMU-
NISTS AND POLITICAL TRAVELLERS. WE ARE OBLIGED, THEREFORE, TO DRAW THE CONCLUSION
THAT THE US' TOP LEADERS ON A NATIONAL AND LOCAL LEVEL ARE COMMUNISTS.

WE ARE, THEREFORE, ASKING YOU TO COMPLETE AND ANNOUNCE THE RESULTS OF YOUR
INVESTIGATION AT LEAST ONE WEEK BEFORE THE MAY 26 ELECTIONS.

James B. Carey Addresses Local 301 Executive Board

"We can say with confidence that UI is completely washed up as a major power in the electrical industry. Workers seeking a strong, powerful and aggressive trade union are turning every day to IUE-CIO for leadership."

This is the conclusion drawn by James B. Carey, Chairman of the Administrative Committee of IUE-CIO, in his report to the Executive Board of IUE Local 301 at their last meeting.

Carey, along with John Callahan, Business Agent of Local 301, Pittsburgh, Pa., presented an overall picture of the General Electric and Westinghouse situation.

"The crushing defeat of UI in Westinghouse, Carey said, "follows the pattern set by previous elections. UI has been thoroughly demonstrated to be a union that is able to take off the power from the economically weak, the politically weak, the economically independent, the politically independent."

Callahan reports

Callahan, whose GE local is solidly behind IUE-CIO, reported on the "state of the GE unit."

"There is probably only one thing that UI is uniformly good at—their speechwriting, and the spreading of confusion," Callahan said. "I know that UI people have been in the habit of talking about the 'end of UI' in the country, and in fact, in certain areas UI is doing a good job of 'selling out' the 800,000 members. I know your hard-working men in Pittsburgh that are really trying to do something for UI. They are doing a real job, and I hope that UI will be able to do a good job in our area."

The purpose of the talk was to provide an account of the UI-CIO movement in the industry with participation to the UI-CIO movement in the country. It was obvious that UI-CIO's leaders were serious about the situation and were planning a campaign to gain support from the workers. The meeting was well attended and everyone seemed to be enthusiastic about the potential for a strong UI-CIO movement in the industry. The group discussed the need for unity and the importance of building a strong UI-CIO movement. The meeting concluded with a call for action and a commitment to work together to build a stronger UI-CIO movement.
ONE OF THE commonest tricks of Leo the Duck is: "The membership runs this union in a democratic fashion." The record proves this last statement to be a delusion that smacks of high hokum, and that should be belied with topburner out on the city dump.

We turn to the record to prove what we have been saying for the past three years. Vic, the Tomato Express Packer, has been a very good friend of the union's committees and we know for a fact that he was approached by the company official who was appointed to let him out but he has stubbornly refused to part with this smut. His reason was that there was no one in the entire Tomato Union who was qualified to do the job that Vic was doing.

But in the face for the membership, when the Business Agent tells them that they are too stupid to write their own newspaper or to go to both #44 and process grievances, he does not hesitate to give them a hard time about his grievances and see just how he justifies saving the #44 week after week for the coming months.

BORING MILL CASE

Our secretary, one of the last to be in the #44 case in the Boring Mill case in #46. Work after work in Boring Mill and Company state that they have been trying to settle the grievances of the workers for three years. They were doing a boring mill from last three, here is a man who has never worked a day in the Electrical Industry and yet he is being paid in defiance of the thousands of people in the Boring Mill, who make up the bulk of this mill, that make up the union, that make up their own union.

One Executive Board member, in a well planned and almost deliberate "ruse," said he was good at job evaluation and is that salary amount that he can get. Once more, we call upon the yardstick in which all men are measured, the record.

ELECTION REPORT

TO: GE WORKERS
FROM: LOCAL 301, IUE-CIO

The IUE-CIO is on the march to victory here in Schenectady and elsewhere throughout the Nation. Already, we represent over 70,000 workers, as a result of election victories alone. The UE has won the right to represent 17,700 in the electrical industry.

WE DEMAND LOCAL 501 SUPPORT FOR OUR PLAN.

The National Labor Relations Board has ordered a run-off of Local 501 elections. The IUE-CIO has demanded that the election date be two days before the UE election—that is, on Tuesday, May 23. We are that confident of winning Local 501. To date, the Labor board has had no response from the UE. Maybe, the UE isn’t too happy about Local 501.

ON TUESDAY, MAY 23, OUR PLAN.

On Thursday, May 18, just one week before the UE election, the RCA elections are slated for Camden, N.J. and Phoenix, Va. plants. Again the UE is stalling. The UE filed 19 charges, in a vain attempt to stall the RCA elections.
