Corrected Piecework Formula

In the past, work and sales factors for determining piecework contracts under the new contract were given. However, there was considerable disagreement of views, which even today have not been fully worked out. Here are some of the formulas presented:

1. Piecework money awarded in the ratio of 24.5%.
   Plus sales money awarded in the ratio of 18.0%
   Plus hourly piecework figures are worked from the remaining money.

Bills Would Provide Special Tax Aid to Working Mothers

It looks as if the Congress of the United States is at last going to do something to help working mothers meet their special problems. There are now a total of 30 bills up before both houses which would have as their purpose allowing working mothers to deduct the cost of having their children cared for as income tax deductions.

Twenty of the proposals are sponsored by Democrats, while 10 of them have GOP backing. The proposals vary in detail, none of them being a complete answer, developed or supported fully by women who have the responsibility of child-rearing.

Some measures are long overdue.

There are many mothers right here in the Philadelphia area who wish to give up their jobs so that their children may be cared for, but they cannot afford to do so. In effect, they are not paid what they are getting in the job. In fact, they are not paid at all. This is one of the major issues that is being raised in the debate on child-rearing.

Baseball Booster Nite Tie Available

For the 1954-1955 season, the NL baseball season begins tonight. The NL season begins with the tie game between the New York Giants and the Brooklyn Dodgers. The game will feature many of the leading players in the NL. The game is expected to be a close one, with the Giants leading by one run in the seventh inning. The Giants are favored to win the game.

Anti-Union Plan

(Continued from page 3)

...the anti-union plan is designed to get at the very heart of the issue. The plan is intended to bring about a complete change in the way the company is run, to make it more efficient and profitable.

District Council Meets on Friday

The District Council meets on Friday, which group together the local unions in the area. The council meets to discuss the problems of the local unions and to consider ways of improving the local unions' effectiveness.
Field Day Nets Over $3,000, Clambake Stated for Sept. 13

A profit of $3,200 was realized from last month's big US. Local 301 Field Day. Ruphy Phillips, chairman of the activities committee, reported to Moonie's combined membership and stewards meeting. At least $800 of that money will be set aside to help lower the price of the clambake to be held on the next Monday, September 19th.

As of the deadline, Monday morning, some $3,200 has already been raised. From selling of raffle tickets for the concert scheduled for this fall.

Was part of the money used for the clambake will be added to other activities monies to be spent in the future for the year. The final total will be used to benefit those individuals who might have been helped.

Do You Feel UE News?

The situation of the scribes has been called to the attention of the UE News. A number of employees have been sent in to the office to get a feel of what it's like to work at the UE News.

Mica Insulator Workers Aim at Unity With GE Workers Through NLRB Ballot

UE Local 301 members this week expressed support for Mica Insulator Workers who are working to form a union with GE workers in New York.

President John L. Lewis, President of the UE, said recently that the members were making progress towards forming a union with GE workers. The UE and Mica Insulator Workers have been working together to negotiate a contract that will benefit both unions.

Members Hit GE Grievance Stalls

Many of the members have been involved in the negotiations with GE. Some workers have filed grievances over issues related to the contract negotiations.

Meeting OK's Return of Expelled Worker

The UE News also reported on the return of an expelled worker from the UE. The worker was expelled from the UE for violating the constitution. The worker has been allowed to return to the UE after a period of time.

13 Members Take Oath as Stewards

Thirteen new stewards were sworn in as stewards of the UE. The new stewards were chosen from a pool of candidates who were interviewed by the UE's executive board.

The UE News also reported on the new stewards and their work. The new stewards have been assigned to various committees and will begin their work immediately.
