ALL OUT FOR WAR RALLY

Supports President's Program

Union Acts Fight on Sales Taxes

Joint C.I.O.-A.F.L. Meeting to Spur Victory Program

For the first time since the inception of the C.I.O., in the Capital District a general war "Victory Rally" was held under the joint sponsorship of the C.I.O. and the American Federation of Labor, with representatives of industrial organizations. This rally, to be held at the First Church, Norwalk, May 25th, at 8:30 p.m., is a public appeal that organized labor is united for the purpose of overcoming all its efforts to win the battle of production, of yourzano which will destroy the business interests of America and sell...

THE AMERICAN SOLDIERS IN OVERALLS

The American soldier in overalls is a mighty historic job to do this time. Our soldiers at the front and the men of the United States are depending upon the energy and the efficiency of American industry to put into the hands of the armed forces of the world the munitions which will make the difference between war and peace.

ALL PATRIOTIC AMERICANS WILL TURN OUT FOR C.I.O. AND A.F.L. VICTORY RALLY

Out of the fear of our mighty labor unions is being fought throughout these United States of mines. A feat that has been able to add to the list of the world's greatest feats is the campaign of the American Federation of Labor to get the people to vote for a union of all the workers.

A rally is being promoted by the Labor Movement in this country. As organized American Labor Movements, which are based on the principle of the right of collective bargaining, is seeking to get the people to vote for a union of all the workers. By getting the people to vote for a union of all the workers is getting the people to vote for a union of all the workers.

UnionRequests.VacationMoneyBe Paid July 1st.

A statement by the President of the C.I.O. that the workers who are being given their vacations this year in order to extend premiums

By Tuesday evening of 4:00 P.M. all steps should be led to the Erie Theater.

We know that our great organization will never forget all our business during the war, and we are asking for your support. The men of the United States are depending upon the energy and the efficiency of American industry to put into the hands of the armed forces of the world the munitions which will make the difference between war and peace.

That Western Front

The action of the membership of Local 38 in coordinating the simultaneous opening of the Western Front is another powerful weapon in the long list of those organizations and individuals that have already called for the establishment of the second front. As the world moves closer to war, the need for a Western Front grows even stronger.

French Workers’ Message

A message came in from trade unionists in Occupied France. They informed us that the workers in France have decided to join the movement to support the Second Front. In their letter, they stated, "We are here in solidarity with the working people of America, and we support the efforts of the American workers to establish a Second Front."

Victory Rally — Tuesday

"Imagination, try to drive those people out of their heads," said Father Patrick, taking up the editorial page of the local newspaper. "They are working for the Second Front, not just for their own country."

Call for Technical Classes

All workers must prepare themselves for the Second Front. We need to arm ourselves with knowledge. We need to learn how to fight. We need to learn how to build. We need to learn how to organize. We need to learn how to command. We need to learn how to lead. We need to learn how to win.

Local Demands Second Front!

A resolution, presented to the general membership meeting by the U.S. Wages and Hours Council, calling for the opening of a Western Front to aid in the war effort, was adopted unanimously.

High Voltage

"The next time you hear a car start, that's how the war will begin," said a driver in Dallas. "You can almost hear the ignition go, and then the engine roar."

Bulletins From The Labor Front

NEW YORK, N.Y. — Three hundred picketing workers at Local 38, Cadillac Motor Works, United Auto Workers, have been on strike for a week.

Wild Stalemate

NEW YORK, N.Y. — A workers’ strike at the Cadillac Motor Works has entered its fourth week. The workers have been in a stalemate with the management for almost a month. The strike is expected to continue for several more weeks.

The Call for Technical Classes

All workers must prepare themselves for the Second Front. We need to arm ourselves with knowledge. We need to learn how to fight. We need to learn how to build. We need to learn how to organize. We need to learn how to command. We need to learn how to lead. We need to learn how to win.
