REPRINTS OF LEO'S CAREER (Cont'd)

Following that victory, Leo left the plant on Jan. 1, 1937, to become the full-time business agent for the union. He has held this position ever since, having been elected to it by secret ballot of the membership in every subsequent election.

From 1938 until 1950, Jandreau was also Pres. of Dist. No. 3, CIO, and also a National Vice-Pres. of the union. He was Vice-Pres. of the N.Y. State CIO for a number of years. When the Capital District CIO Council was formed, Leo became its first Vice-Pres. In 1937, he was elected as a member of the U.W.A.'s National GE Negotiating Committee which was responsible for the first National Labor Agreement with General Electric. He has been a member of every Negotiating Committee since that time. For 2 years he was Chairman of the U.W.A. Conference Bd.

Some of the other prominent positions and assignments held by him in the past 25 years are: For 3 years held non-pay paying license to appear in Vornam's Compensation proceedings; was Chairman of the Citizen's Unity Committee, which was charged with mobilizing the entire community behind the War Effort; and through the Council's membership on a committee which investigated public school's wages, served as member of Citizens' Movement Finance Committee; member of Arbitration Committee in strike; chairman of Local Draft Board J-595 from 1939 to 1946, and was named by Gov. Dewey and presented with medal on April 1, 1945; member War Manpower Commission; member in 1955 of N.Y. State Legislature.

Jandreau is presently a Vice-Pres. of Sch'dy. Welfare Council; recently elected Pres. of the General Labor Council, AFL-CIO, Sch'dy. Area; currently a member of the Visiting Committee of the Maxy-Jana Senior High School.

TESTIMONIAL DINNER (Cont'd)

John Shanbo, Pres. of Local 301, who did a wonderful job as M.C., skillfully kept the agenda rolling at a smooth, humorous and rapid pace to get so many speakers and well-wishers on the program in such a short period of time.

Others who spoke were: Senator Owen Bagley, Assemblyman Joseph Dixon, Mr. Edwin Bickele, Rabbi Epstein, Mr. Stevens and Bob Buckley, U.B., Bill Kelly, Bill Macleish and others too numerous to mention here.

A duplicate of the original N.Y. State CIO Charter bearing the signatures of Leo Jandreau; John L. Lewis, Pres.; CIO; Allan Mayhood, Mr. CIO; James A. Carey, Jet and only Geo.-V.Pres. of Nat. CIO, and others was presented to Leo, a true pioneer in the labor movement.

Delegations from as far away as Kansas and Washington attended the affair, despite the inclement weather.

A beautiful set of golf clubs, bag and all the necessities of golfing was presented to our guest of honor.

Leo Jandreau, full of emotion, thanked his many friends in the labor movement and in the community who made this affair possible. He stated that although much has been done to aid the economic progress of our country, we must still be ruled by the spirit shown tonight. He will continue and if we put our shoulders to the wheel, we can obtain Economic Security, Social Justice and World Peace in our country, our nation and in the world.

Joe Drouzdowski, Bill Christman, John Zager and the many others who helped arrange the dinner are to be thanked for the wonderful job they performed.

GUTS, Inc. —

One way in which GUTS could give a real boost to the GUTS program, would be for them to set up a division or a sales team in the Subsistence Unit to manufacture some of the products developed at their research labs in Subsistence and elsewhere.

In this way, they could help solve the white experimental problem here and at the same time really get GUTS Inc. off on its

Another great tribute to Leos Jardine, who was inducted into the National Library of Congress, is the anniversary of the golden jubilee of his service. In 1959, the 15th year of his career, he was awarded the 15-year service award by the American Library Association. His career at the library has been marked by dedication and hard work. He has served as the librarian of the library since its foundation in 1946.

Looking controls from stock, religious, professional and labor groups, books bound together under one roof, a thing which was unheard of 50 years ago, shows the progress that has been made in the Community in an essential part of our economy and society.

Strike Threat Will Follow

The United Auto Workers have awarded A. Harold Brown a contract for the manufacture of automobiles and trucks. This contract covers the manufacture of automobiles, trucks, and motorcycles. The union has already begun to negotiate with the management over the terms of the contract.

Foreign Competition ??

The Parrish Co. is a British company that produces tractors. The company has been in business for over 50 years and has a large following in the United States. The company expects to increase its production of tractors in the United States by 25% over the next year. This will help to meet the increasing demand for tractors in the United States.

The Motor-Generator Division of Parrish Co., which manufactures generators, will also expand its production facilities. The company is planning to increase its production of generators by 20% over the next year. This will help to meet the increasing demand for generators in the United States. The company is also planning to invest in new technology to improve the performance of its products.
