SCHOLARSHIP FUND DRIVE ON!

The Local 301 Scholarship Fund Drive got off to a flying start last Monday, March 21st, as the membership voted to help sponsor another union son or daughter through college.

The Scholarship Program proved so popular last year among the members that they voted unanimously to continue it again for 1960.

This fund will be used to help sponsor one worthy son or daughter of one of our union members through college upon graduation from high school at the end of the present term. The amount we are able to raise will determine the extent of help we will be able to offer.

The recipient of last year's award of a $1,000 Scholarship is at present an honor student at the University of Notre Dame and we feel that the Scholarship Committee should be reconstituted for their final selection.

Collection forms have been distributed to the Executive Board members and your Stewards. Your contributions will go toward another worthy cause.

The Scholarship Drive will last for 4 weeks only, so please see your Steward as soon as possible.
