**Vote for Dominielli Dents GOP Machine**

From Page 1:

The Dominielli-Silverstein Committee was victorious in wards and districts where suicide turnout was systematically higher before the Primary Day and where experienced and determined workers were at the polls.

Several instances were reported of machine domination and ward leaders trying to intimidate Dominielli workers and keep them from performing their legal duties.

Only a few of the wards were adequately covered by the Dominielli workers in the pre-primary days and many of the volunteers were completely new at such political activity.

As Republican and Democratic machine leaders admitted, the Dominielli workers were a formidable challenge. Some leaders with any sense of job security to call out any pressure on district leaders.

There is a feeling in this Primary campaign that many will be in the Democratic elections. It is believed that the number of votes cast for the various candidates.

The registrations before the Democratic election resulted in the following figures for the state candidates.

The largest Democratic vote from any one district in the county up from Leeds is the Democratic seat because they are the best strategy.

**Union Seeks Speedier Grievance Settlements**

Continuum of efficient grievance settlements are governed strictly by the management committee. In several cases, the management committee did not have enough authority to make decisions which would make speedy settlements possible. This is because the management committee did not have enough authority to make such decisions before they were made in a form acceptable to the union officials.

**Committee Appointed for Organizing Drive**

The Executive Board, in its meeting Monday night, approved the appointment of the following committee: President, Joseph A. Bostwick, of the Local 501. The committee was instructed to see that the conditions outlined in the grievance program are carried out.
