Safety Hints In Turbine

Although the electric industry is
progressively developing a better under-stand of the menace of fire and smoke,
it is still necessary to guard against all
forms of fire and smoke hazards.

Washing machines and similar equipment
Should be kept a safe distance from
flammable materials.

Do not use gasoline, kerosene, or
similar flammable liquids in the
immediate vicinity of electrical
equipment.

Avoid exposing electrical equipment
to direct sunlight or excessive heat.

Use only approved units for
heating electrical equipment.

Do not use electrical equipment
in the vicinity of gasoline or
flammable materials.

UNION OPTICAL PLAN IN ACTION

Union Optical Plan Working
Is your own vision so bad that you
must have glasses to see everything?

Many of the members of the Union Optical Plan have found that their vision has improved and they no longer need glasses or contact lenses. The Union Optical Plan offers a comprehensive program for those who want to improve their vision.

Union Optical Plan

Inspectors Case, Bldg. 46, Settled

After several weeks of negotiations, the arbitrator in the case involving the Union Optical Plan reached a settlement.

The case involves a dispute over the renewal of the Union Optical Plan. The arbitrator ordered the Union to pay the union fees for the next three years.

No Open House For Chipper

The President of the Federal Council of Labor Union has announced that there will be no open house for the Chipper plant.

The Chipper plant has been closed for several weeks due to a strike by the union. The President has stated that the strike will continue until the union demands are met.

N.Y.S. Commissioner Seeks
Settlement for Union's Victory

The N.Y.S. Commissioner is seeking a settlement for the Union's victory in the Chipper plant strike.

The Commissioner has stated that the strike is illegal and that the union should give up its demands.

EXECUTIVE BOARD MEETING

Monday, Oct. 26, 7:30 P.M.
HEADQUARTERS
Company Must Make Good Redemptions in Earnings of Injured

When a worker loses time from work as the result of an accident, he may require special compensation up to $250 a week. This compensation is paid by the employer for the injured man. The injured man may also be paid $250 a week for the first year of his disability. The compensation is paid weekly until the injured man returns to work or until the end of the year, whichever comes first.

Emphasis Case
