Need Blood Donations For Two Little Girls

The most important Christmas message which Dr. Percy and Ross Kerr want to draw the attention of all residents and visitors to is the call for blood donations.

The two victims, children of a blood donor, are in need of blood and their lives depend on a timely blood donation.

301 Children’s Party Biggest, Best Ever

The Christmas party which Local 301 stages for the children of the district on Sunday afternoon at Mass Polytechnic School turned out to be the largest and most elaborate in the union’s history.

About 2,698 youngsters headed for Mass Polytechnic School, where the festivities were held. The program included music, food, games, entertainment, and a movie. The festival was called “The Best Christmas Ever.”

The children were divided into small groups and were taken to various rooms where they were entertained. The program included a Christmas tree, the children’s favorite, and a special Christmas gift for each child.

The prizes and raffle tickets were also included in the festivities. The children loved the event, and it was a success for the union.

Education

The electrically charged air in the auditorium at Mass Polytechnic High School at the Local 301 children’s Christmas party was evident, as over 300 children attended the event.
