ON LEADERSHIP

By Sydney Freedman

If it is true that the leadership of an organization is the life of any organization, an honorarium of appreciation is in order to the officers who give of their time and energy and do their best to make sure that the organization is moving ahead in the way that it should.

The leadership is only as strong as the organization it serves. Many an organization has suffered from a lack of leadership. When the leadership is strong, the organization is able to carry on its work efficiently.

The leadership is responsible for the success or failure of the organization. It is the leadership that is responsible for the direction in which the organization is going.

The leadership is the key to the success of any organization. If the leadership is strong, the organization will be able to carry on its work efficiently. If the leadership is weak, the organization will be unable to carry on its work efficiently.

The editorial committee and the reception committee are now looking over a list of names of 70.000 for the best story in this week's paper.

Many good comments were re-
ceived. We will post the story on the wall in the newspaper this week. This is the inducement of the con-
mmittee to make everyone have another try.

A. Jack Nelson, who has been working on the paper since 1940, is making a move to be a reporter. He is making a move to be a reporter. He is making a move to be a reporter.
