St. Claire Hospital
Endorsed by Board

The Local 311 Executive Board has gone on record endorsing the new St. Claire Hospital located at 211 S. Main Street. The endorsement was made on the recommendation of the District Committee of the ILWU.

The Hospital will be a three-story, modern, multi-story building, equipped with all necessary medical facilities. It will be located on the same site as the present St. Claire Hospital, which is being razed for the new construction.

The Board of Directors of the Hospital has promised to provide the highest quality of medical care and service to the community.

Union Seeks Showdown On GE Layoff Policies

With every meeting at a rapid pace during the past few weeks, the General Electric Company started its layoffs due to war shortening. Local 311 has displayed a new militancy and determination that will be shown in the membership of this union.

The situation which has led the union's behavior of people without regard to local union rights and the rights of all members, especially women, is believed by some workers that the situation will not change.

Many of the workers are women, and the situation is not healthy for the local union. The women have been asked to sign a petition to the local union to support their rights.
