Members Firm on Defending UE Gains

GE Sued for $1,550,000 by 30 Silicosis Victims

GE Union News

GE Getting Tougher as Apr. 1 Nears

With contract negotiations now in full swing, the UE's position remains firm. The union has been steadfast in its demands for wage increases, improved working conditions, and the protection of workers' rights. As negotiations continue, the UE remains committed to securing fair and just contracts for its members.
City Council Won't Ask Labor Board
For GE Election Here Before April 1

The City Council yesterday decided not to ask the National Labor Board for an election to determine the labor status of GE employees here before April 1. The action at the council meeting went against the wishes of Mayor Philip J. Murphy, who requested that the NLRB have the election in March, but a compromise was reached in the matter.

The councilors agreed to ask the NLRB to consider an election on a cooperative basis, but it was stated that the NLRB would not consider the case before April 1.

Another IUE Split

A meeting of the International Union of Electrical Workers, Local 777, last night in the hall of the union, was attended by a large number of members. The meeting was called to order by President Charles B. Kiernan, and the following officers were elected:

President: E. J. Kiernan.
Vice-President: H. J. Kiernan.
Secretary-Treasurer: John Kiernan.

The union continued its policy of cooperation with the NLRB, and a statement was made that the union would continue to cooperate in the matter.

Let Boulder Go Tell it to the Miners!

Would it be L. B. Boulder's move to leave his political career closer to the mines that "the miners are better off than ever"? Mr. Boulder, who has been associated with the Boulder area for many years, is a well-known figure in mining circles.

The miners, however, do not seem to be too pleased with their new representative. They prefer a man who understands their problems and can speak from experience.

Third Shift Veterans Will Meet Thursday

A meeting of veterans employed on the third shift will be held at the 81 Hall, 616 8th Blvd., and the American Legion Hall, 200 8th Ave., Thursday evening. The purpose of the meeting is to discuss the problems of the third shift and to organize a group of third shift veterans to discuss third shift problems as they affect veterans.

New Victory at Aho

A letter was received from the United Mine Workers of America, Local 536, indicating that they have won an important victory in their fight for higher wages in the Aho coal mines. The letter states that the miners have succeeded in obtaining a 15% increase in their wages, and that they are now earning $4.50 per day.

Indiana IUE Leaders Must Restore UIE Funds

An order from the United Mine Workers of America, Local 536, was received yesterday, ordering the IUE leaders to return $20,000 in funds which were taken from the union treasury.

Lucien Shanno, a member of the Local 536 executive board, has been ordered to return the money. The order states that the funds were improperly taken and that the union leaders are responsible for the loss.

Legislature Ignores
Problem of Jobless

When the U.S. Senate meets to pass laws for the coming year, the state legislature will ignore the problem of jobless. Despite the fact that the Senate is considering many important bills, it has failed to consider this pressing issue.

Members Are Firm
On Defending Gains

In the House of Representatives, the New York delegation is firm in its support of the Senate's position on this matter. The delegation is led by Speaker, and they are determined to defend their gains at all cost.
