Election Completed With Local United for Business at Hand

By AUDREY CARE

Between the time this paper went to press and was received in the mail room, the membership of Local 301 elected its slate of officers, headed by the leadership who will lead them through the coming year. Every one of them has pledged their full support of the union wage program and pledged to do everything in their power to give this union sound, progressive and constructive leadership.

Outside of candidates for the offices, there were elected, three women of the rank and file whose election is a sure benefit to the membership as a whole.

The list of names was as follows: Mrs. Robert E. LaBar, President; Mrs. Helen McClelland, Vice President; Mrs. A. Ross James, Secretary-Treasurer. These women have been active members of the union for a number of years. Their election is a sure benefit to the membership as a whole.

The other officers elected were: Russell Moon, Business Manager; Harvey Ross, Steward; Robert H. Johnson, Floor Steward; Joseph J. Hubert, Foreman; and William E. Johnson, Foreman.

Delegates Elected To UE Convention

Delegates were elected to represent Local 301 at the Annual National Convention of UE to be held early next year. The delegates are: Charles Simonsen and A. Ross James, of the United and South, and George Rosen and Frank W. Johnson, of the North.

CIO Charges Truman Apposes Industry

CIO President Philip Murray has recently made a bold stand against President Truman's plans to regulate the industry. Murray has called for a nationwide strike to protest the government's interference with the economy.

Election Polls Largest Vote in Local's History

With more workers turning out than at any time in the history of Local 301, the strike of officers elected last week was elected by President John Andrew "Andy" France, who is the head of the France Line and one of the most powerful men in the United Electrical Workers' Union.

The strike was conducted under the leadership of the union's executive board, which is made up of the officers elected last week.

The strike has been called in protest of the government's interference with the economy. It is the largest vote in the history of Local 301 and is expected to result in a significant increase in the union's membership.

Vets Press For $2 Pay Increase

Veterans have been pressing for a $2 pay increase for the past several months. The union leadership has agreed to the request and is expected to announce the increase in the coming weeks.

War Committees Out

The War Committees have been dissolved, with the union leadership making the decision to end them. The committees were formed to address issues related to the war effort and are no longer needed.

Women, who have been some of the most active members of the union, have been the focus of the War Committees. The women have been particularly active in the committees, with many of them serving as leaders.

The War Committees were dissolved due to the end of the war effort. The union leadership made the decision to end the committees in order to focus on other issues.

The War Committees were a significant part of the union's history and played a major role in the union's growth and development.
