and the national labor movement had never been so vital to our social, political and economic life.

Leaders of the labor movement and the Electric Union Company have agreed to this new union contract, which is the result of lengthy and intensive negotiations.

Our local labor committee has successfully settled every case of discrimination.

Political Action Program

Two local units of the political action committee have been formed and are now active in the political work of the union. In the immediate future, our local will also participate in the activities of the Political Action Committee of the Union.

Victory Loans and Bonds

Our victory loans and bonds committee has been active in selling both public and private bonds. The committee has met the challenge of the present situation and has made every effort to encourage the sale of both bonds and war savings stamps.

Types of activity are as follows:

1. Wartime and war loan drive.

2. A general wage increase for all workers.

3. A reduction in government allowance for the dependents of men and women in service.

WHY WHO'S IN THE CIO TALENT SHOW

Now that the show is beginning to take on a little bit of a life of its own, there are lots of people who are enjoying watching the performances and finding out what the candidates are like. And some people are even starting to think about the possibility of becoming performers themselves!

The show features all CIO members from various states, and it's open to anyone who wants to participate. There are no age limits, and you don't have to be a professional actor to be in the show. Just show up with some talent and a little bit of courage, and you'll be on your way to stardom!
