Election Set for Dec. 5-6; Co. Refuses Voting in Plant

The election of officers has been set for Dec. 5-6. Attendees are requested to vote at the plant. The election will be held on Tuesday and Wednesday.

The company has announced that it will not permit any union activity on the premises of the plant. The election will be conducted in accordance with the rules and regulations set forth by the company.

Leaders' Pay Hiked By New Agreement

Group leaders, who are members of the union's executive board, have agreed to an increase in their pay. The new agreement was reached after several meetings and negotiations between the company and the union.

COMPLAINT BLANK

I am not getting my union papers and other mail. This affects my work at General Electric Co., Schenectady, N.Y.

Please change my home address as indicated below:

Name: ____________________________

Address: __________________________

City: ____________________________

State: ____________________________

Zip Code: ________________________

GM Cheap—GE Cheaper

The General Motors Corporation has lowered prices on several of its products, making it cheaper than General Electric. This has triggered a price war between the two companies, with both trying to gain market share.

Strike Vote Date Dec. 13, Will Permit Action at GE

The strike vote will be conducted at the General Electric plant today. The company has agreed to permit the vote, but the union is still in discussions with the company to resolve the issues.

Demand Production Probe

The company is investigating reports of increased production at the plant. The company has not yet released any information regarding the investigation.

Gives Congress Sound Advice

A letter to Congress has been sent urging them to take action on important issues affecting the union members.

UR-OPPSERS who are coordinating the UR's 40-day wage hike drive have scheduled the time and place of the conference held to New York City. All meetings, at the U.S. Treasury Building, Washington, D.C., with representatives from the local unions.

Thanksgiving Sales

Thanksgiving sales have started early this year, with many stores already open for business.

Pioneer in Pay

Clyde McManus, President, General Motors, has announced a new pay scale for union workers. This new scale is expected to benefit the workers and increase their wages.
