Fulton County Tannery Strikers Defeat CIO Textile Workers, AFL, Companies

More than 100 of the workers at the Fulton County Tannery in Brookhaven, Georgia, registered a major victory over the CIO Textile Workers and the AFL, United Textile Workers Union, by a vote of 111 to 4. The victory was hard won, but it's a victory for the CIO Textile Workers and for the AFL.

The victory was made possible by the determination of the workers at the tannery, who have been fighting for better working conditions and higher wages for several months. The workers have been supported by their union, the CIO Textile Workers, and by the AFL, United Textile Workers Union.

Real Seniority vs Steel Seniority

A recent decision of the National Labor Relations Board (NLRB) has created a stir in the labor movement. The NLRB has ruled that "real seniority" is the correct method of determining seniority in the steel industry. The decision was made in response to a complaint filed by the Steelworkers Union (SWP) against the Steel Company of America (SCA).

The SWP had complained that SCA was using "steel seniority" instead of "real seniority" to determine seniority in the company. The NLRB ruled that this practice was illegal and that SCA must use "real seniority" in the future.

Surprises, Surprises

Vince Pinto has been named acting chairman of the "slub" for the next three months. The appointment is effective immediately.

The appointment was made following a recommendation by the NLRB. The NLRB has been investigating charges of "slubbing" in the industry and has found that the practice is illegal.

New Table Obtained On Turbine Purchases

Another purchase is in the works for the Electric Union News. The union has approved the purchase of a new turbine to replace the one that was lost in the fire. The new turbine will be more efficient and will help reduce the cost of electricity.

John Jones was the only union member present at the meeting. He mentioned that the union had been working on the purchase for several months and that the new turbine will be installed in the near future.

101 Asks GE To Ignore Check-Off Revocations

Local 101 has asked the company to ignore the check-off revocations that have been filed against the union. The union has been fighting to have the check-off revocations overturned, but GE has refused to do so.

The union is planning to file a lawsuit against GE to try to have the check-off revocations overturned. The union is confident that it will be successful in its efforts.

Hat Trick Unite

Merry Christmas
Local 301 Expels 71 for Anti-AU Acts

The March 23, 1949, meeting of the Local 301 Executive Board was marked by the expulsion of 71 members who had been charged with activities contrary to the United Automobile Workers (UAW) Charter. The action was taken following a special meeting of the Executive Board held on March 22. Charges against the members were based on allegations of activities seeking to undermine the UAW Charter. The expelled members had been tried by the UAW Charter Committee and found guilty of various charges, including acts of disloyalty and subversion. The expelled members have the right to appeal the decision to the UAW National Executive Board.

Turf-Hartley Board

The Turf-Hartley Board, established under the provisions of the Turf-Hartley Act, is now in operation. It is responsible for the enforcement of the act, which was passed by Congress in 1941. The Board is composed of 11 members, 3 of whom are appointed by the Secretary of Labor, 3 by the Secretary of Agriculture, and 5 by the President of the United States. The Board is charged with the responsibility of administering the act, which prohibits the use of the mails for the purpose of soliciting votes for or against a labor organization.

Is There Someone from Your Family in This Picture?

This year’s Christmas party for children of the union members was the best yet. Here is a picture of the packed auditorium of the Hotel Union Station, December 23, 1949.

Who Is Your Boss?

The boss is the person who is in charge of the work being done. He is responsible for seeing that the work is done to the best of his ability and in the most efficient way possible. The boss is also responsible for making sure that the work is done according to the specifications set forth by the company. The boss is also responsible for the safety of the workers and for making sure that they are not putting themselves in danger while they are working.

New Check-Off Form

The New Check-Off Form has been introduced to help members keep track of their membership. The form can be filled out by members and sent to the union office. The form includes information about the member’s name, address, and the amount of money they have paid in dues. The union office will then keep a record of this information and use it to keep track of the money that has been paid in dues.

Denham Again

Denham was again the focus of attention during the meeting of the Local 301 Executive Board. Denham, who had been expelled from the union for his loyalty to the UAW Charter in 1941, was readmitted to the union during the meeting. Denham had been denied readmission to the union at the previous meeting, but he was able to convince the Board that he had changed his ways and that he was now committed to the principles of the union. The Board was convinced by Denham’s arguments and readmitted him to the union.

Steward’s Election

The Steward’s Election was held on December 23, 1949. The election was held to elect a new steward to represent the members of the union. The new steward will be responsible for representing the members of the union and for keeping them informed about the activities of the union.
