Committee Named On Unemployment

A 73-member committee on employment was appointed Monday by the Kappa 
Council to study unemployment, which is increasing at lay-off be-

The board named its commit-
tee President Frank Ritter, Board 
Members Stanley Bass, Harry 
Kaplan, William Parkhouse, and an unemployed, 101-member, Robert Bowerman. Nothing was 
announced about an upcoming 
UN delegation of unemployed 
men in Washington to press for 
action on unemployment and for

**Free Rein for GE At Hampton Plant**

The Atomic Energy Commission has ordered the General Electric Company to cease all the buttoning of the Hampton plant at Newport News. The company was to be notified by the AEC. The order was based on the AEC's decision that the Hampton plant was not being used for the production of atomic energy.

**GE Movie Needs Some More Scenes**

The General Electric Company's newest movie, "The Worker," which was scheduled to be shown in the Electrochemical Industry Club, has been delayed. The film's producer said that the film was not ready for release.

**Newspaper Sounds Off on "Sneezing"**

A correspondent for the "Free Press" in Detroit wrote an article criticizing the "Free Press" for its "sneezing" policy. The correspondent said that the newspaper's policy was unfair and that the "Free Press" should be more concerned with the needs of the community.

**301 to File Complaint On Docking for Tools**

Local 301 of the United Electrical Workers' Union has filed a complaint with the NLRB against the General Electric Company for docking employees for the use of tools.

**Top AFL Leaders Echo Big Business**

A group of top AFL leaders has endorsed the "Big Business" program of the National Association of Manufacturers.

**Troy Man Collects $15,000 from GE To Settle Claim Over Lamp invention**

Mr. Troy, a man who invented a lamp that was later produced by General Electric Company, has collected $15,000 from GE to settle his claim. Mr. Troy claimed that GE had used his invention without his permission.

**Board Donates $60 to Canadian Seamen**

A board donated $60 to the Canadian Seamen's Union, affiliated with the Canadian Federation of Labour, AFL.

**GE Can't Duck Blame For Lay-offs at Plant**

Recent layoffs at GE have been interpreted as a step in the direction of reducing the workforce. The layoffs are the result of a policy of reducing costs, which is being implemented at GE.

**How About Passing UE Atomic Bills?**

The United Electrical Workers' (UE) Atomic Bill has been filed in the Congress. The UE is demanding that the Atomic Energy Bill be passed as soon as possible.
