N.L.R.B. Orders Election in Lynn

The National Labor Relations Board has ordered an election in the Lynn, Mass. plant of the American Machine Company. The company has been accused of unfair labor practices. The election is scheduled for November 8, 1950.

Ex-President H. S. Truman Deploys McCarthyism

H. S. Truman, former President of the United States, used McCarthyism in his campaign against the Republicans. He accused the Republicans of being communists and of plotting to overthrow the government.

Witnesses at McCarthy Hearing Tell Their Story

Of the 30 witnesses called by the McCarthy Committee in 1954, only two gave their experience of the hearings. R. E. Redfern, an employee of the American Machine Company, and A. B. Smith, a reporter for the Chicago Tribune, testified before the Committee. They described the effect that the hearings had on them and their families.

Executive Board Meets Monday, Nov. 23, 1950

The Executive Board of the Electrical Union will meet on Monday, November 23, 1950, at 7:30 P.M. in the Union Headquarters.
The rights of an injured worker were the focus of a recent hearing.

The case involved a worker who was injured on the job and is now seeking compensation. The worker's attorney argues that the employer is at fault and that the worker is entitled to compensation. The employer, on the other hand, claims that the worker is partially at fault and that the compensation should be reduced accordingly.

Children's Christmas Party

U.S. Local 116 has invited the children of the local community to a Christmas party at its headquarters. The event will be held on December 23rd at 3:00 PM. The party will feature games, crafts, and a visit from Santa Claus. Parents are encouraged to attend with their children.

Election Committee Conducts Election

The election committee is conducting a secret ballot election for the union's new officers. The election will be held on December 30th. Members are encouraged to vote by casting their ballots in the union hall. The results will be announced on January 5th.

The Man Who Subpoenaed Truman

On March 9, 1950, a gentlemen from Illinois arrived at the House on a mission to question President Truman.

Robert Hunt "The Man with a Red Cap"

Robert Hunt, a laborer, was known for his red cap and his ability to sneak into union meetings. He was often seen in the union halls, where he would question union officials and members about their activities.

Congressman Dripp

Congressman Dripp, a member of the House of Representatives, has introduced a bill to improve working conditions in the steel industry. The bill proposes to establish a new regulatory agency to oversee the steel industry and ensure that workers' rights are protected.
