LESSON OF THE 46 STRIKE

GE workers are in receipt of a letter from the United Electrical Union News which states that the strike which seems to be a direct result of the company's inability to deal with the current economic situation. The company is in the process of making changes in its management which will hopefully lead to a more efficient operation. The management is also looking into the possibility of increasing wages and benefits for its employees.

Taxes and Prices Are Going UP-UP-UP

Starting next Thursday, your pay check will stretch by about 3 percent because GM will be withholding taxes from pay for the first time in over 17 years. This is in line with the 11 percent increase in income taxes.

I have been a U.S. citizen for over 20 years, and I can tell you that this is the first time I have ever been faced with a situation where my taxes are going up. It is a very difficult time for me, and I hope that the government will soon find a way to reduce the tax burden on its citizens.

Non-Voters and Others

1. Non-members may vote if they sign applications and check off before receiving ballots.
2. Those who work for the company but do not have ballots, may cast their vote at the union headquarters.
3. Those who pay cash or who are absent must vote at Union Headquarters where their status can be checked.
