Ballet Examination Called Too Limited

Andrew Peterson, president of Local 23 of the International Union of Operating Engineers, has volunteered to serve on any examination panel that may be set up by the city to test the qualifications of candidates for the position of the city's ballet. Mr. Peterson was a member of the three-man panel that conducted the examination for the position of the city's ballet.

Judge Alexander's order was handed down in response to a petition by Local 23 of the International Union of Operating Engineers, which seeks to have the order rescinded.
