1990–91 University Senate

The meeting was called to order by Chair Lanford at 2:10 p.m.

Chair Lanford welcomed the Senators of the 1990–91 Senate. He stated that beginning this year the Senate, as well as the Councils, is one-third smaller. The composition of the Councils has also changed this year. It has been very difficult to staff Councils because of the reduction and composition changes.

Chair Lanford stated the Council membership comes moved and seconded. The motion carried.

Respectfully submitted,

Gloria DeSole  
Secretary
