MISS GUSHING TO RETIRE; MILNE FACULTY SPONSORS TESTIMONIAL DINNER

Last Wednesday evening at the Albany Country Club the Milne faculty gave a testimonial dinner in honor of Miss Anne L. Cushing who will retire this June.

The guests were: thirty-two members of the Milne faculty and their wives, Dr. and Mrs. F. Erubacher, and Dr. and Mrs. M. C. Nelson. Dr. Erubacher is president of State College; Dr. Nelson is the dean. The faculty presented Miss Cushing with a silver bowl.

Before coming to Milne, Miss Cushing taught at the Geneseo Normal School. She arrived here in the fall of 1906; for thirty years, she has acted as supervisor of higher mathematics in Milne high school.

"Miss Cushing is a fine supervisor," spoke Student President Kenneth Lasher, on behalf of the student body, "We shall miss her sympathetic teaching and her admirable sense of humor."

COUNCIL DISCUSSES MURAL FUND

At the last meeting of the student council, ways and means of raising more money toward the mural fund were discussed. The president, Kenneth Lasher, would appreciate any suggestions from the student body as to a suitable method. Work on next year's budget was also started.

DR. SKYLLES TO SPEAK

Dr. John M. Skylles will speak on Tuesday, May 10 at Watkins Glen, New York, at a teacher's training group conference. His topic will be, "Plans and procedures now in use for the improvement of instruction in college classes and in training school classes."

Q.T.S.A. SOCIETY DANCE

The annual Q.T.S.A. dance will be held on May thirteenth from nine to one o'clock in the State College Commons. The chairman of the committee are as follows: Frances Szymanski, Miss Quin, publicity; Dick Andrews, Theta Xi, decorations; Eleanor Parsons, Sigma, tickets; Kenneth Lasher, Adelphi orchestra.

The chaperones for the dance are:

Dr. Moose
Miss Crooks
Mrs. Ferson

The tickets are $1.50 per couple and all society members are assessed tickets. Music will be furnished by Lew Elder's Orchestra.

DEBATING TEAM IMPACTED

The Roesslerville Debating Team were Milne's guests at the Senior High Assembly last Wednesday. The Milne Debating Team debated our guests on the subject of Unicameral Legislature. The affirmative was represented by Roesslerville; the negative by Milne. The Park, Glacier National Park and possibly the Colle Dam. The judges decided in favor of the affirmative. Eight Milne students are planning to participate in various events. These people will distribute free tickets to all who wish to see the show.

During National Youth Week, eight Milneites will fill city and state governmental positions. A committee of Y.M.C.A. and Y.W.C.A. members headed by Miss Low. W. Ogrod selected these nine students for the following positions.

Kenneth Lasher as City Comptroller; Mary Winthrop, City Justice; Lois Hebb, visitor to Memorial Hospital; Marjory Pond, St. Peters Hospital; Mildred Mattice and Dick Poland, Albany Hospital; C. Mac Collock, Head of Publicity; Virginia Nichols, State Police Superintendent.

Those holding state positions will report to the Governor's Office theory at 8 o'clock; while city officials will go to the City Hall; the students will receive further instructions there.

DR. FREDERICK TO TEACH AT WASHINGTON THIS SUMMER

Dr. Robert W. Frederick will leave Albany, June 1, to teach Education at the Eastern Washington College of Education at Cheney, Washington this summer.

His family will accompany him on the automobile trip. "We will take in Yellowstone National Park, Glacier National Park and possibly the Colle Dam," Dr. Frederick stated.

MIDNIGHT EX MAY 20

The Milne High School Riding Club, directed by Miss Hitchcock, will present its annual horse-show at two o'clock, Friday, May 20, in the Troop B, 121 Cavalry Armory. Fourteen Milne students are planning to participate in various events. These people will distribute free tickets to all who wish to see the show.
The class of 1944 are quite fortunate, for they will graduate on Milne's hundredth birthday. The Milne School was organized in 1844 and has gained utmost recognition as an educational institution. Being a practice school for the New York State College for Teachers, it has been a great asset, enabling Milne to have the latest and most effective methods of teaching. Our waiting lists consist of hundreds of people. For being established for such a short time, Milne is quite firmly established.

SIGMA ALUMNI POUSING TREASURY

The Zeta Sigma Alumni Association conducted its monthly meeting last Tuesday evening at the home of Bette Potter.

In order to increase the treasury, the girls are filling silver plates. Everyday holiday, each member fastens ten cents on her plate; at the end of the year, the plates are turned into the treasurer. There will be seen a silver tea at Lucille Armistead's home; each girl will contribute as much as she can.

Last winter, the Sigma Alumni Association was organized by the senior members of the Sigma Society in Milne.

The officers for this year are:

President
Peggy Waterbury

Vice-pres.
Lucille Armistead

Treasurer
Lillien Allen

Recording Sec.
Bette Potter

Corr. Sec.
Virginia Super

Marshal
Priscilla Sappson

Harriett Wulfschleger took a commercial course at Milne. After graduating in 1928 she entered Mildred Elley to continue her secretarial course. For the last nine years she has been employed in the Wildlife Department of the American Humane Association.

Robert C. Warner, a junior at Union College, was among the few students to be on the Dean's list for the marking period for 1937-38. Warner was honored for high scholarship. To attain this he had to have "A" or better in all his courses.

Miss Grace Galien, who quite coincidentally, in the Who's Who in Milne for the senior class of 1937 was chosen as the first to be married.

Miss Galien will be married at noon Saturday at her home. The lucky bridegroom is Mr. David L. Shultes.

The school Daze Press Club of Cohoes High School, Cohoes, New York, sponsored two dances this year which turned out to be the affairs. A Big Apple contest was the high light of their last dance.

The seniors of Sacred Heart High School in Yonkers, New York are planning their annual dance for May 13. The proceeds are used for a class memorial.

The Junior - Senior Banquet of Holland Central High will be on May 19th. No definite plans have yet been made.

Lois: "What would you say to a girl who kisses everyone she meets?"
Brun: "Pleased to meet you."

President: "Why I try on that dress in the window?"
Clerk: "We'd much rather you use the dressing room."

Mrs.: "We really should get a new car this year!"
Hubby: "What! when we're still paying on the car I exchanged for the car I sold in payment the car we've got now?" "Nothing doing."

Small boy: Hey, mister your engine's smoking.

Starkweather: Well let it, it's old enough.

A moth just flew out of my bathing suit. Isn't that terrible?
Clark: Oh, he might have taken it with him.

When Noah sailed the ocean blue, he had his troubles same as you. For days and days he drove the ark before he found a place to park.

DRAMA CLUB

This Friday, the intermediate acting group of the Dramatics Club will present scenes from selected plays to the rest of the club in the regular monthly joint meeting. The members have been practicing for the last few weeks and, with the other departments, will each do a skit. The name of the skits and their players are as follows:

Elizabeth, The Queen by Maxwell Anderson;
Playboy, by Max and Kenneth J. Barrie;

Miss Galien will be married at noon Saturday at her home. The lucky bridegroom is Mr. David L. Shultes.

Stella of Wimpole Street, by Rudolf Besier.

"I must go down to the seas again, for the call of the running tide is a wild call and a clear call that may not be denied."

John Masefield

Captain Joshua Slocum, lured by the "call of the running tide", reconditioned an old clipper ship and set off on a lone journey to circle the globe.

Starting from Boston harbor, Captain Slocum set out across the Atlantic Ocean. Storms were frequent and with only one man to man the sails and keep the ship on her course, both captain and ship just escaped Davy Jones' Locker.

Every day was full of adventure. Visualize this— the Mediterranean Sea smooth and blue, not a breath of air stirring, and Captain Slocum's clipper bow lined. It would have been a beautiful scene, but— a pirate ship lay within a few leagues! Captain Slocum prayed to all the patrons of sailors that he be first to catch the rising wind. The pirate sloop's sails filled, and Captain Slocum resigned himself. Just at that moment a merchant ship appeared on the horizon. The pirates set out after the new comer hoping to capture more loot.

Truth is stranger than fiction; if you don't believe it, just read about the amazing adventures in Alone Around The World, by Captain Joshua Slocum. You can find it in the Milne Library.

on pursuing the announcement of miss cushing's retirement i firmly resolved never to omit my geometry homework again i think the nicest tribute we students can give to miss cushing is to study hard pass all our exams and thus make the remainder of her stay as pleasant as possible i am all worn out watching baseball games so

au revoir

Although these people are around us everyday in activities, hallways, or class rooms, we seldom take time to think of their importance. We assure you that these facts are not historical, so do not be afraid to read them. Of our friends in senior high, do you know—

Who is the tallest?
Bob Taft—6 feet, 3 inches

Who is the shortest?
Ducky Dey—5 feet, 10 inches

Who weighs the least?
Marjorie Shram—95 pounds

Who makes the most noise?
Harriet Gordon—average 52,163 words per day.

Who talks the least?
Alex Brown

Who has the most time in Albany?
Ed Harding—average four hours a day.

Who does the most homework?
Wilson Hume—often wonders how Wil still manages to get that beauty sleep that is so apparent. Have you ever noticed his striking resemblance to Bob Taylor? We mean it.

Who does the least homework?
This secret better not be disclosed, as everyone reading this column is no doubt thinking of it. Don’t get so hot and excited. We won’t tell.

Who has been to the office most?
Brad Davis

Who has chewed the most gum through Milne? Dot Shattuck—believe it or not, it was not Dick Game. Dot has had a piece every six hours for every day since she has been in Milne.

Who has told most bad jokes, puns, etc.—Seely Funic—Do we need to tell you?

Who has the lightest hair?
Hazel Roberts, (Who could compete)
THE CASE OF THE MISSING PIPE-ORGAN

After due deliberation and considerable pondering (under a prehistoric notion of the brain, almost extinct) we have decided that the Hearing Tests that were given recently were not at all adequate, and therefore we have devised additional tests to supplement the ones with all those numbers. These tests are very tricky and will not be responsible for any calamities that occur.

Supplementary Test for Beginning Classes
In Hearing

1. How many times a day do you blow your nose? (This is just an ice breaker.)
2. Do you hear often? How often? (be specific)
3. Did you hear the music outside of school the other day? What number did they play? What was the third question on the trauma test?
4. Did you hear when you were little, or have it been a gradual growth?
5. When was the last time you heard the teacher give an assignment?
6. Have you washed your ears recently?
7. (Come into a corner and we will tell you what somebody said at the Horse Show the other night.)
8. Why are you taking this test anyway?
   Yes] [No]  [Check one]

All pupils answering Yes to the last question must go through the mill. Pupil getting less than 50% of the above questions wrong must take a retest. The retest consists of listening to The World Goes Round and Round for three hours. Then we throw your own stretcher. All those failing the retest will be sentenced to act 213 cheerios and give Edna a bite of each.

NOTICE

There will be a special fifteen minute meeting for all senior high boys at 3:35 in the Little Theatre. After the meeting boys will go to clubs and home rooms. Girls will go to clubs at the regular time.

SOON our beloved seniors will be kicking up their heels and starting a new life. (Maybe a few of us ought to consider the idea, let's grant.) We will be so sorry when they slip into oblivion by becoming college numbers. (We mean bad numbers or do we mean college boys and goads?) Perhaps they will become what is commonly known as moderns or hard walking people. Perhaps, through some good fortune, some of our external (what does that mean word means? anyway some of these kind of juniors will step into the shoes. (Younger than our own or better) of our dear departed. Take Ray "Justin Truit" Newton, (if you can get her) for our choice to step into the stompers of Fran Seymour and Gil Tripp on the basketball court.

We may even see Len Benjamin in the place of Ken Lecher next year, we hope. Nevertheless we are yet amazed that strange, determined expression that is so characteristic of our president.

Lillian Glasshymor will definitely take the place of Liz Simpson for a reason we won't mention. We shall only drop the subtle hint that each of these girls does not believe in safety in numbers, and that they consider the number "one" very lucky.

We can see no junior who could fill the humor of Heg Orton to better advantage than Bob Garner. Perhaps this is only the resemblance we see in the appearance of the two.

We hope to see "Shr" [Pam Geisel to you] filling the shoes of pitcher Mouzon on next year's team. He is quite thrilled because of holding the jobs of both boy-boy and water-boy this season. More power to you, Shr.

And last, but not least, we have Welsh and Tincher to replace Midge and Bar, for what more Minnite could bear the thought of the hallways without the lovely pair together.

We have just solved a great mystery. Have you ever noticed Dick Game's fascinating New York accent? We just found out the reason. It seems that Dick just got some new lines from New York, and they were second hand.

We have just received a notice: Have you ever noticed Dick Game's fascinating New York accent? We just found out the reason. It seems that Dick just got some new lines from New York, and they were second hand.

Milne

Milne lost the first game of the season when it met the Rensselaer nine on their diamond recently.

Rensselaer was the beneficiary of the team striking out eleven men and holding the Rensselaer team to six hits and eight walks. The fourth inning was the climax of the game; a Rensselaer man stepped to the plate and connected with a swift ball, driving it out of bounds. This resulted in the second run of the game; the first was obtained by a walk and a double in the second inning. McKeen then walked two men, caught one on a bunt, and proceeded to strike the next two men out. In the Milne half of that inning, Fink flied out; Taft reached base on a single, McKean advanced him to third on a sacrifice hit, Jones then failed to get a hit, ending a possible scoring spree.

The final score was 5-1, favoring the opponents. Milne's only run was scored on Fink's triple and steal home. The team was steady, and with more practice, ought to win many games this season.

PHILIP SCHUYLER DOUGS MILNE 16 - 4

On Sunday afternoon, a large number of Milneites watched the Philip Schuyler High baseball team ride on a multitude of Milne errors to a 16-4 victory in Milne's second game of the season.

Schuyler opened the game with five runs in the first inning, scoring every following inning. Milne scored all her runs in the second, Davis, Dorcey, Starkweather, and Rosenstein crossing the platten. McKeen and Game, pitching alternatingly for Milne, struck out nine men, walking four and allowing nine hits. Brandon, pitching for Schuyler, struck out four, walked four, and allowed four hits.

Milne Tennis Team Meets First Defeat

Last Friday, Mount Pleasant defeated Milne in the first court encounter of the season. The final score was 5-1, in favor of the opponents.

Captain Ed. Walker was the single victor on the Milne team. Earl Goodrich lost after a close match, the score being 6-4. Chuco Locke and Dick Andrews both bowed to their opponents.

In the doubles, Goodrich and Scoville lost three-six, six-four, eight-four. Locke and Walker also lost their match six-three, seven-five.

The Milne golf team promises to be very successful this year as there are three letter men from last year, Captain Martin Trove, Geo. Pan and Jack Breglia. Seth Wheeler, Douglas McKeen and Kenneth Wheeler comprise the remainder of the team. Jack Breglia, manager for this year, announced there will be a full schedule of games which will be played at the Normanside Country Club, Milne's have been arranged with C.B.A., Cathedral Academy, Castleton Central, Vincentian, Phillip Schuyler and Albany High School.

The team played its first match of the season yesterday against C.B.A. This afternoon the team will meet Cathedral Academy at Normanside.

Tennis Team Moves to Academy

Tuesday Milne's tennis team met defeat at the hands of Albany Academy, 4-3. The match was close, featured by some brilliant plays of members of both teams.

Edward Walker continued his fine playing by winning 4-6, 6-4, 6-4. Earl Goodrich won his match, 7-6, 5-4; Charles Locke was also victorious, 4-6, 6-3, 6-4. George Scoville and Seth Wheeler were both defeated.

In the doubles, Locke and Wheeler lost 6-3, 6-4, after a brilliant rally, Walker and Goodrich also lost. The scoring games, 7-5, 10-8.

The next match is with Kent Pleas and at Richfield, Saturday morning.
