Schools Exceed War Bond Quota

Kenny Stephenson, president of the Albany Student War Council, announced last week that the Milne school has reached its quota. The money raised by Milne was $6,276.10. Albany High School has more than tripled its goal; final figures showed a total of $83,605.65.

St. Agnes school leads remaining Capital District schools with $20,068.50 for their total sales during the campaign from September to December 7.

The other schools and their sales are as follows:

Albany Academy for boys, $2,198; Vincentian Institute, $1,456; Christian Brothers Academy, $1,355; Albany High School, $1,389.05; Castleton Junior School, $1,504.05; Academy of the Holy Names, $1,001.15; S. Joseph's Academy, $5,469; Philip Livingstone Junior High School, $4,258.50; Philip Schuyler High School, $6,055.40; and Albany Academy for Girls, $591.

Choose Knapp To Write Essay

Joyce Knapp, '44, was named best citizen by the Class of 1944 after an election last Monday, December 13. The contest, which is sponsored by the Daughters of the American Revolution each year, is open to senior girls. The girls voted on characteristics such as dependability, service, leadership, and patriotism. Miss Knapp must write an essay to be read in the assembly the day of the election.

Each home room is responsible for filling a basket of food for Christmas dinner for a needy family. Perishables are left out and money inserted for them. This work is done each year under the sponsorship of the Red Cross.

After Christmas vacation, there will be a toy drive for the Howe Library.
Merry Christmas

This issue concludes school for 1943. On behalf of the staff and advisers, I want to extend a very Merry Christmas to all Milnites, their relatives, and friends.

It was only with great difficulty on the part of the editor and Miss Wheeling that this issue goes to press. Sickness has made itself felt and of the editor and Miss Wheeling that this issue will never done before. This spirit is indeed willingly pitched in and wrote news which they students who were not even on the staff. They half of the staff and advisers, I want to extend for the most careful avoidance of waste on the part of patriotic Americans, both young and old. This shortage of many commodities which before the war were regarded as necessities calls for the most careful avoidance of waste on the part of patriotic American, both young and old. As patriotic Americans, it is our duty to turn away from these small coins hack into regular business channels. If you have any, return them to the Advertising Manager.

No Penny Hoarders

The shortage of many commodities which before the war were regarded as necessities calls for the most careful avoidance of waste on the part of patriotic American, both young and old. The purpose of this editorial is to bring before you the shortage of metals required for the making of small coins, especially the penny, and to suggest a way in which you can be of assistance.

Most of the strategic metals used for the composition of the one-cent piece are imperative necessity in the manufacture of war implements needed to win the war.

Orders on the mint for pennies today are greatly exceeding all previous records. One of the chief reasons for the heavy demand of pennies is the American habit of hoarding.
Milne Hoopsters Win Over Academy, 42-39 For First League Victory

Baker and Aronowitz Lead Milne Attack

A fighting Milne team overcame Academy's 4-point lead at the half and went on to beat them, 42-39, in a thrilling second half. The game marked the opening of Milne's home season and gave the home roosters plenty to cheer about. The game showed a team much improved over the one that lost to Albany High two weeks ago.

Milne's attack was led by Lee Aronowitz with 13 points and Bill Baker who sank 12. Chuck Hopkins had eight, Jim Detwiler, six, Aronowitz with 13 points and Bill Baker who sank 12. Chuck Hop­kins, c. ..........................0

AHS Beats Milne In Opening Game

Milne High's green basketball team lost its inaugural game to a seasoned Garnet and Gray quintet by the score of 34-17.

The Red Raiders' defense was exceptionally good, holding A. H. S. to 34 points. However, their defense proved to be stronger by limiting us to only 17 points. It was a very close and exciting first half as the Milne "5" held the Garnet and Gray to 8 points, as we scored 6 scattered points.

The Milne team was handicapped by the A. H. S. court as the court was much larger than the one on which our boys have practiced. It was further handicapped by the backboards and rims. These two factors coupled with lack of reserves were partly responsible for the final score.

If the foul shooting of Milne had been up to par the score would have been closer and the game more exciting. Milne missed 15 out of 18 attempts. "Jim" Detwiler made 2 out of the 3 that were made. This is compared to the Garnet's missing only 2 out of 8 free throws, La Verne Hastings making 3 out of the 6 foul shots made for the A. H. S. quintet.

Scoring honors of the game go to "Bud" Powell and Harvey Stullmaker with 10 and La Verne Hastings not far behind with 9 points for the Garnet and Grey quintet. Milne's high men were "Bill" (Drink of Water) Baker, our tall, lanky 6' 4" center and Lee Aronowitz with 4 points. Ed Muehleck, substitute guard, was runner up with 3 points.

AHS Leads CBA Lead A League

The basketball season is well under way, with Albany High and C.B.A. tied for first place in Class A. Both schools have won two games and have lost none.

The Brothers took their first game from Cathedral Academy, 31-15, two weeks ago. After the first quarter the C.B.A. boys had the game pretty much their own way. C.B.A. went three overtime periods to subdue a stubborn Vincentian Institute team, 36 to 34, last week-end, for their second victory.

The Garnet and Gray won their first game from Milne by a score of 34 to 17. The second win for Albany High came last week with a 24 to 32 victory over Vincentian. This game, like the C.B.A.-V.I. game of the preceding night, also had an overtime period. It was the second overtime defeat for the Lions.

Albany Academy lost its only League game last week to the Red Raiders. The final score was 42-39. This win put the Red Raiders into second place in the Class A League. 

Junior High Council Sponsors Informal Dance

The Junior Student Council conducted an informal dance on Saturday evening, December 11, from 7:00 to 10:30 in the State College gym. The dance started with a Paul Jones and continued through the evening with regular, a few leap year and elimination dances. Donald Jarrett and Joan Baskin, both third graders, were appointed by the Junior Student Council to manage the playing of records at the dance.

Varsity Swamps JV’s In Practice Game

Milne students attended a pep rally Saturday evening, December 4, in Page Hall in order to send the basketball team off on the right foot.

The entertainment started at 8:00 with band and music, cheers and selections by the Milne Boys’ ensemble. The band was directed by Miss Frieda Kleinman, Milne music teacher. Jean Dorsey, ‘44, captain of the Cheering Squad, led everyone in basketball cheers.

Following the program in Page Hall, the rally adjourned to the gym where the varsity played the Jayvee in a practice game. Dutch Ball, captain of the varsity, was unable to play, because of four stitches taken in his lip. Chuck Hopkins was also unable to play because he was sick with a cold.

The game was an easy victory for the varsity who won by the score of 70-25. The starting team for the varsity was: Bill Baker, Lee Aronowitz, Tom Dyer, Jim Detwiler, and Ed Muehleck. The starting team Terry, Don Christie, DeMoss, Hunting, and Phinney.

During the first quarter, the JV held the varsity to almost a tie, but the varsity pulled way ahead in the second quarter, never again to have their lead challenged.

After the intermission, the varsity came back to roll up a complete total of 70 points. Ed Muehleck and Lee Aronowitz played the whole game and all of his boys scored frequently. - Aronowitz was high man with 22 points.

AHS Take Milne

(Continued from Page 3)

Stitches. This has kept him out of the Academy game.

Coach Tanno says, “I think the team will charge the loss to lack of experience and lack of confidence in themselves,”

Milne High’s J. V. looked exceptionally good against a mediocre Albany High J. V., emerging from the game on the long end of a 25-20 score. Milne’s team overcame a first half lead of 13-11.

Outstanding for Milne were Don Christie and Charles ‘Chuck’ Taylor with 11 and 7 points respectively. The Garnet and Gray’s leading scores were Speigal with 6 points and Purrello and Viglivi with 4 apiece.

State Students Present Xmas Pageant Wednesday

Five organizations of State College presented a Christmas Pageant Wednesday evening, December 15, in the Page Hall auditorium. The first of its kind ever presented in State College. It was sponsored to raise money for the college war fund, which is trying to raise $1,200.

The Milne boys’ ensemble and the Minettes participated in the program. In connection with the pageant were a series of Tableaux in the Page Hall Gym which depicted the celebration of Christmas in different countries.

Discussions

On the evening of December 8, many people returned home from the Palace Theater feeling hoaxed, angry, and disappointed. The reason was the failure of Rise Stevens, New York Metropolitan Opera star, to appear. The next day the production was widely criticized and feeling rose high. The singing, music and ballet were pronounced mediocre, if that. Of course, it must be honestly admitted that Albany had been so Carmen-conscious for the month of December, that it might have prejudiced their feelings about the production.

Nevertheless, certain facts cannot be overlooked. Miss Stevens was in perfect voice that Sunday night. Miss Stevens made a reservation at the De Witt Hotel and made no appearance there. The night before the opera, Miss Stevens made no effort to inform Albany of her absence beforehand. Instead, printed notices were distributed the night of Carmen. It was impossible to obtain these notices within one day; therefore, they must have been ready for several days. Furthermore, it appears that Miss Stevens’ contract prohibits her from making appearances outside of New York City. Certainly this fact was known to both Miss Stevens and her manager. Therefore, it was impossible for her to attend, sick or well, and yet she permitted her appearance to be publicized! The promoters of the opera must have somehow rectify this outrage, at least by means of a public apology, in some form, that Miss Stevens received the greatest possible returns would result if it were known that Miss Stevens was not coming; the management knew from the very beginning that she would not appear.

Albany audiences will not want to attend such events with an example like this one facing them. Something ought to be done about it.

If you go in for novelty albums, listen to Columbia’s Danny Kaye. Ordinarily, novelty albums are mildly-funny or almost clever recordings that grow tiresome with each listening. This one is so good that one must listen to it several times. It’s very different and has the effect of making you listen closely.

Heidenreich Delegate To Hi-Y Convention

Cornwell Heidenreich, ‘44, represented the Milne Hi-Y organization at their eighth annual convention this year held in Albany. The convention lasted for three days and was concluded last Sunday noon after many bills had been passed.

The object of the convention was to conduct legislative meetings with any of the clubs in the state able to introduce a bill into the assembly. This year the Milne club sponsored no bill.

Two bills of interest which failed to pass the young legislators was one to abolish New York State Regents and the other to lower the voting age to eighteen.

Among those bills passed by the assembly which may be of interest to Milne students are:

1. Requiring attendance of a physician at all high school athletic games.

2. Prohibiting discharge of sewage into the Hudson and Mohawk rivers or tributaries of these waters.

3. Establishing a committee to study, recommend and sponsor a bill for compulsory retirement of school teachers at 65 years of age.

These bills were passed by the Hi-Y legislature and have nothing to do with the state assembly.
