JUNIOR NEWS

INSTALLATION OF SCHOOL OFFICERS IS WEDNESDAY MORNING ASSEMBLY

The installation of the junior and senior high school officers was conducted in assembly Wednesday morning at 9:00 o'clock.

The junior high school officers who took the oath of office were Barbara Birchenough, John Schilling, and Betty Nichols. Barbara Birchenough gave her acceptance speech.

Kenneth Snowden, Margaret Kyle, and Fenton Gage took the oath of office for the Senior high school. The president then gave his acceptance speech.

The seventh grade gave a little skit in relation to the athletic and social program. Marion Shultes followed with an explanation of the social program as planned for the year. Fenton Gage announced a Christmas issue of the Crimson and White. The cheer leaders led some cheers.

Mr. Sroka led two songs. A suggestion was made by Peggy Gill that the students present the school with a gift. Billy Parker talked on basketball. Mr. Sayles explained the new homeroom program for this year.

GIRLS' GYMNASIUM CLASSES BEGIN;
MISS HITCHCOCK ANOUNCES PROGRAM

The girls' gymnasium classes have been formed for this year, Miss Hitchcock, instructor, said.

There is a class for the girls who have slight defects on Wednesdays at 2:10 o'clock. This is known as the corrective class. On Tuesday at 2:10 there is a class for Junior high sports. In the full season, the class plays soccer, in the winter, basketball, and in the spring, baseball. This class meets on Thursdays.

Three classes in swimming are conducted at the city Y.W.C.A. The beginners meet at 3:10 on Friday, the advanced swimmers at 3:30, and the junior life savers at 4:00 o'clock.

WINDOWS!

Who's in charge of windows in your homeroom? Dr. Frederick suggests that one person in each homeroom be especially responsible for the windows. Open the middle windows from the top. Do not open any windows from the bottom. Do not hang out over the window sills between classes.

SHOP ANNOUNCEMENT

STUDENT COUNCIL for 1932-33

President Barbara Birchenough
Vice-president John Schilling
Secretary Betty Nichols

HOMEROOM ELECT OFFICERS

Homeroom 233, a seventh grade homeroom, has elected officers for this semester. The officers are: president, Janet Cole; vice-president, Betty Dowling; secretary, James Griffin; treasurer, John Awulian. Fourteen members of this homeroom have paid their student tax.

BOYS' SPORT SEASON BEGINS

The first part of this semester the boys will play football and baseball. They will practice on the front lawn until the weather gets cold, when they will transfer activities to the old gym.

The class will be divided and each section will have a captain and a manager, Coach Baker said. Later in the year, there will be a circus consisting of a basketball game, boating on beaches, rope climbing, and other sports.

THE SPIRIT OF MILNO IS BEING SHOWN IN THE INCREASED INTEREST IN CLUBS.

School spirit is what you really do for the school, and how you cooperate in the different enterprises. This includes clubs. By joining a club and doing all you can to promote it, you can promote your school spirit. Besides, you can also make many good times in the clubs.

Join a club that you think you will like and in a week or two you will want to get more people to join because you have found it interesting. So want to keep improving the interest that has been shown in the clubs this year. R. W.

LET'S HAVE LESS NOISE!

Ressor in the halls must be done quietly! If not, you are bothering other students.

In passing through the State College make as little noise as possible, as you will notice that there are people studying at tables in the halls. They want us to be quiet so that there will be less confusion. Try to keep more quiet in the halls, R. C.

OUR MILNO LIBRARY

The Milno library is considered among the best in this state. It contains over 8000 volumes of books on varied subjects. All Milno students have the privilege of the use of the library. All the furniture, the magazine rack, the filing cases for clippings, and the index card where the names and authors of all books that are in the library can be found. You also have the use of the conference room if you sign your name and the time you wish it, or if so that over-crowling may be avoided. If you have not noticed the set of friezes bordering the room, look at it the next time you are in the library. The set is the gift of Alexander to Blyton. The people of Blyton are pictured bringing gifts of all kinds to Alexander. The librarian has asked the students to obey the few rules of our library. Enjoy the uses and privileges given to you. W. S.

QUESTION BOX

Question: Should we have a question box like we had last year in our newspaper?

Lois Birk: Yes, because the different problems that are facing the students can be answered.

Fayth Kevin: I think we should have a question box because it helps get new ideas for the newspaper and also helps to bring out ideas of the students.

Jack Jenkins: Yes, it is very fine, because we don't get opinions of students on different problems.

Betty Nichols: I don't think we should have a question box because it is of little interest and the students have their own opinions not to be changed by others.

Leo Wilson: No, because it is not helpful in answering the questions the students ask. The questions are suggested by the sponsors of the newspaper club and the students have little chance to present their ideas.

TO DISTRIBUTE GIRLS' GYM SUITS

The girls' gym suits will arrive the last of this week. You may buy your entire costume including shoes and polo shirt at the school so bring your money Monday, October 24.

JANET CROWLEY, a member of the 7th grade mathematics class made this graph to show the changes in temperature of October 10.
