Co-ed Antics
Planned—Wow!!

On Tuesday evening, March 27, a new event will be written in the history of Milne. This will be a combined boys and girls' gym night with all Milne gym classes participating jointly. Mrs. Marls Tieszen, girls' athletic instructor, and Coach Merlin Hathaway, director of boys' physical education, have been planning together the events to take place. The gym teachers and Mr. Groves of the Spanish department have been planning to have American Square Dances to which the entertainment. They are learning Spanish dances to keep with the theme of the Fiesta.

The Sophomore class has already begun to practice their part of the entertainment. They are learning American Square Dances to which the entertainment. They are learning Spanish dances to keep with the theme of the Fiesta.

All-Stars Lose Benefit Game

The third polo benefit game between the Albany-All Stars and the University of Wisconsin all-stars was held Wednesday, February 19 in the CBA gym. There was an estimated crowd of five thousand to witness the Albany All-Stars go down to an inglorious defeat.

Off to a slow start, the Red Raiders went to work in the second period and roared to a 57-39 victory over the All-Stars.

Fiesta.

Again the sophomores take the proverbial cake, as far as scholastic averages go. With eighteen names to their credit, they have but two male names to thank. This adds just one more proof of which is that the superior sex! The freshman team, next with nine names on their roster. The juniors are tied with the seniors for last place, but only Mays is again deems the juniors by having the highest average recorded. Her 92.1 (especially for a mid-year average) is breathtaking. Names are as follows:

Install Sophs

Wellington Feeds Quin; Sigma Invades Jack's

Quintullian Literary Society held its Installation Luncheon on Saturday, February 16, at 1 P.M. in the main dining room of the Wellington Hotel. After a very delicious luncheon, the group adjourned to the Green Room on the second floor for the installation ceremony. The sophomores were on hand in order that the candles, which were all unlit, might be present without being unlighted. The candle was then presented to the Quin song.

The sophomores who became members were: Gladia Appletian, Ruby Ann, Nance Beaupre, Barbara Betham, Jean Clark, Barbara Doran, Betty Jane Flanders, Ellen Fletcher, Winnie Haul, Betty James, Joan Lahome, Barbara Leslie, Adel Port, Ann Silverman, Jane Simmonds, Pat Snyder, and Ruth Well.

Sigma Eats Toe

Friday, February 4, Sigma held its annual Installation luncheon at Jack's. It was a very splendid affair. The luncheon was served at 1:00. After the meal was over, the candle light service was held. Each pledge came to the main table and lit her candle from the large candle on the table, which was to represent the heart of Ann Lewis. Then they took their oaths. The ceremony ended at 2:00.

There were many pretty dresses displayed, and the joke box was played until it ran dry.

Those who became members of Sigma were: Mabel Martin, Nancy Lee Clark, Katherine Jones, Diane Ostrander, Nancy Meashead, Jacks Mann, Florence Drake, Lois Prescot, Sally Gaus, Leona Reicht, Marge Bookstein, Gail Nach, Norma Lines, Marie Schmidt, Jean Linton and Jackie Pfeiffer.

The Sigma Seniors will be getting their keys in the usual way, and the plans are being made for the Quin-Sigma dance, which shall take place soon.

Basketball Tonight

Sure, the VI gym is crowded, but the fellows HAVE TO play. Let's all of us go and cheer them on to victory. We will make up for last week's loss. (They have swept their dances after their games too.)
How About It?

Last Friday night the Milne School played a basketball game. We played the Albany Academy for Boys. It was a hard fought game, and a tough one to lose. Our boys did a great job right through to the closing seconds.

The Boys' Academy, together with the Girls' Academy, have the reputation of being two of the most outstanding schools in the city, with students who come from the best of families and therefore SHOULD have a good uplifting and social background. At last week's basketball game, these common courtesies and manners were entirely forgotten. The actions of a group of Albany students can be classified as a direct slap in the face toward Milne.

During all foul shots attempted by our boys, shouts and yells were heard from that group as students who come from the best of families and the most outstanding schools in the city, with Florence Drake, Ruth Ambler, Barbara Doran, Winnie Thompson, Elaine Bissikunnner, Barbara Arnold, Judy Jacobs, Carolyn Cullen, Glada Appleton, Jeanette Schreiner, Mary Hochstrasser, Sid Stockholm, Robert Craig, Robert Krammer, and others did not seem to depress the gang any. Herbie's and the W.T. Mustang group which has destroyed more than 185 property! The excuse given parents was usually the old story about movies, bowling alleys, and bars being closed, so why not have a party? Ted Carlson started off with a luncheon and tobogganing party Thursday afternoon, and other Milnie's followed his example last and furiously. Peggy Gallivan had the junior girls up for a hen party Thursday night—Jackie is still wondering what was so funny! Ralph Manweiler had the gang Saturday night—and they devoted the evening (ha ha ha) to learning the very complicated game of Peggt. Even the seventh graders went social on us. Salie Lou Beach, being the outdoor type, gave a skating party.

Milnis are still talking about the trip down to the St. John's game. What a gym! Some Milnis have been reported as being out of their minds. Their heads are so far up in the clouds that they have forgotten their responsibilities. Academy Noses Out Red Raiders In Tough Game.

Milne's three-game winning streak was broken last Friday night by Albany Academy in a see-saw first quarter, and at this stage of the game it looked like a walk-away. Albany Academy, who thought differently, out-scored the Red Raiders 14-8 in the second quarter, and walked off the court at the intermission in a new ball game.

Milne, at the end of the third quarter, still had a margin of two points, leading 37-35.

Close Game All the Way

It was a close game all the way through the last quarter, when finally with seconds to go, "Chick" Cleveland threw in a one-handed shot, which spelled defeat for the home team. Academy won by the score of 50-48.

Harry Southworth led the Academy attack with 13 points. While Muehleck had 16, Lee Aronowitz was high for Milne with 13, while Ed Muehleck and Don Christie each had 11.

Milne won the jayvee game 31-30. Knox and Clarke led the young Red Raiders' attack with 12 points apiece.

The freshman were also victorious by the score of 3-4.

Cathedral Loses In Surprise Defeat

Milne piled up its second straight victory of the year by trouncing Cathedral's quintet by the score of 59-20. This was one of the best games witnessed by the students and parents in a long time; not good because it was exciting, but because it was played in an orderly fashion. The first quarter was fairly close, but Milne had a two-point margin with a 9-7 result. The second quarter saw fast action and well coordinated plays. At this half, Milne was out in front 31-15. The lead of Don Christie, Ed Muehleck, Milne increased its lead to 40 against Cathedral's 22 at the end of the third quarter. For a smashing climax Milne scored 20 points in the last quarter and won the game 60-29. Ed Muehleck and Don Christie were high for the night with 15 and 13 points respectively. Sammy Fullek (OB), new addition to the varsity squad, scored seven points for a good beginning.

The jayvee won 32-23. "Demon" Clarke and "Beneld" held scoring honors with 10 points each.

Milne Trounces St. John's 31-19

St. John's Academy of Albany bowed to Milne's Red Raiders on Friday, February 2 by a score of 31-19. The game was played on St. John's home court.

At the beginning of this game Milne was in a very winning mood, and in the second quarter there was little action but Milne took the lead with a 7-4 count. At the half we were still leading 11-7. Lee Aronowitz led Milne to a final tally of 31-19, with a total of 10 points. Milne was at a disadvantage, however, because of the small and narrow court which St. John's have. It was fairly evident that for the most part the St. John's boys "guessed" the ball at every opportunity. Bill "de" Kelly, Milne center, piled up a total of eight points.

At the end of this game Milne's varsity had won three games and lost six. The jayvee took the preliminary 26-24. Knox, Hamilton and Clarke were tied for scoring honors with seven points apiece. This brought the jayvee total up to four wins and six losses.

Four Horseman

The varsity has two things on its mind right now. First, they can't stop thinking about the "Four Horseman" that they played against last Friday in the Milne-Figueroa-St. John's game. State won 40-33, and the varsity predicts that the fresh will "gallop" to victory in most of their games. The other thing that has them all astir is the play-day the seventeenth at East Greenwich. It's an all-day affair with most of the schools sending players. Paxton, Welsh, Richardson, Kilby, "Arnie" Hurburt and Wilson represent Milne.

Some of the girls are still thinking about having to take a mid-year examination. It is too late to decide whether or not they want to change.

Modern dancing must be more strenuous than you'd think from the butter-and-egg opinions. Anything (or should I say "something") that you do want to change and "let's go" is all that's left. Narma Johnson managed to break a blood vessel in her foot. And she was already on the floor. Maybe "Little David Play on Your Harp" was to blame.

Smoking Again!

There has been a lot of commotion in the locker rooms lately. It seems that a lot of girls (yes, we mean you, juniors) are taking advantage of their privileges by smoking. Everyone knows that it's against school rules and they know that they will be kicked out of school if caught. Now, after all, isn't it worth a few hours a day without smoking not to be expelled? Milne is a swell school. You know very well that Milne is the best and most liberal school in Albany. You wouldn't change for the world.

And if you do want to change schools, isn't there a way of doing it that would bring less disgrace to your parents?

Lost and Find Please!

A gray Waterman's pen that certainly didn't just walk away on February first! If you have seen it—or do see it—please let me know. REWARD.

HO HAT M EN HERE HY

What Was the Happiest Moment in Your Life?

The other day I got to thinking about what the happiest moment in my life was. After I came to a decision about my own, I decided to find out what others thought. The happiest moments of some of the kids in the school were, I've been quite a bit different; opinions, and all of them, prove interesting, if not baffling!!

Bill Bull: The day I automatically became a major general of Milne's famous "Swamp Gang."

Betty Bates: The day I got 86% in a History test (no cheaters).

Nancy Clarke: The day I led the procession down the aisle when my sister was married.

Ed Butler: The day I finished my math homework.

Pete Ball: The time my brother fell in the lake, when it was icy.

Bill Bull: The day I went Bingo.

Scott Hamilton: How the hell should I know!!

Janice Hauf: The night I took care of the Lerch kids!!! I met Homer.

Nancy Clarke: The day I went to big brother's party before the St. John's game.

Louie Meekan: It's yet to come.

Burton Schamberger: High on a hill top.

Jim: The day you kids graduate.

Nancy Clarke: I can't think!!

Petie Hunting: When I made my first two varsity points.

Dr. Frederick: All my days.

Jim Detwiler: My first birthday.

Miss Waite: It's yet to come.

Dr. Frederick: Anyhow, after the first hour you couldn't feel anything, so------.

Bob Kirker: The day after Sig's dance.

Betty Pfeiffer: The night I met Bob.

Saturday, February 24
Junior High Party, Lounge, 7:30—10:30. Miss Waite, Miss Herrick, Mr. Raymond.

"Allie's Band" entertained the Senior High (and a few State College gym-class girls) with music "in Dancing under the stars." Everyone was pleasantly surprised at the sound of Allie and his boys. The girls held division over the dances, and had a good deal of the time, but nearer the end of the half—hour a few boys braved the conditions, and danced the dancing under the stars. That shows, at least, that not all Milne boys are mice—and some are men, even if they had to have encouragement from the faculty.

The general opinion seems to be that James did most of the dancing during the senior high homecoming period, and let "Allie's Band" show their talents again.
