D. STEPHENSON AND D. MARTINEAU
DIRECT SOCIETIES’ DAY PROGRAM

The former idea of a musical comedy for “Societies” Day had to be given up because of the difficulty in getting the boys together for rehearsals. Therefore this afternoon at 2:30 P.M. in the Page Hall auditorium a play entitled “A Question of Morality” will be given by the three Literary Societies in cooperation. It is a comedy and takes place in a wealthy home. A second act for this play has been written and the following people will take part in Act I: Mabel, Cole, Glenn, Clarke. In the second act Birchencough, Shulits, McHarg, Botting, Conklin, Brennenstuhl, Perkins, Betkins, Flitts, Hyland, Mastersen, Smith, Klaam, Charles, Bearnstuhl, Thompson, Connell, Cox, Sidran, Mabel, Cole, Glenn, Stevensen, and Gordon will take part.

Dorothea Stephenson and Dorothea Marlineau are directing the program while Carolyn Mattice is chairman of the Publicity Committee and has as her aids Peggy Gill and Duncan Cornell. Florence Bayreuther is in charge of sets and Ruth Campbell and Erwin Stevenson are assisting her. Robert Stutz is taking care of properties and Barbara Allen and Frances Charles are helping him.

STUDENT COUNCIL PLAYS HOST TO STUDENTS AND PARENTS AT DANCE

The Hawley gymnasium was all ablaze Saturday night when the Milne Student Council sponsored its dance in an attempt to raise funds for the library murals. Many Milnites and others attended this affair which was run on an economy basis in order to realize every cent possible as profit to go toward the painting of the panels now being placed in the library.

The dance was attended by the parents of five members of the Council while Bill Purcell presented the music along with his Carlton-Ritz Orchestra. Howard Rosenstein, chairman of the ticket committee, has not yet announced the exact financial outcome of the dance, but it is felt that when all homerooms pay their promised contributions, the profit will be in the neighborhood of twenty dollars.

SCHOOL NINE DEFEATED BY PAVEM
IN LOOSELY PLAYED GAME TUESDAY

The Milne baseball team met defeat in its second game of the season at the hands of Pavena by the score of 11 to 7. The game was very loosely played and both teams scored freely. Milne scored four runs in the first inning, but in their half Pavena scored six times. Bob Dawes, Milne’s starting pitcher, was relieved in the first inning by Dick Thompson.

Mackie, Betkins, and Norvill each collected two singles to lead the Milne offensive. However, the team showed the lack of a pitcher, since Ed Sieker, first string pitcher, was unable to participate in the contest.

Milne will play Industrial High School in the third game of the season Saturday morning at Ridgefield park. The game will be called at ten o’clock.

Q.T.S.A. M.I.S. REVEALS $98.69 AT ANNUAL DANCE; TICKET COMMITTEE IN TROUBLE

Robert L. Stutz, chairman of the ticket committee for the Q.T.S.A. formal dance held April 10, announced this week the total that was received from the dance as profits. Mr. Stutz disclosed the fact that up to Monday he had received $98.69, while five dollars was still outstanding.

By the above figures it is obvious that $13.61 is still needed to complete the annual Q.T.S.A. Scholarship of one hundred dollars.

Edward Rosenstein, chairman of the ticket committee for the recent Student Council dance, has not yet announced the financial status of the affair, although it is rumored that profits range between fifteen to twenty dollars. Mr. Rosenstein is still waiting for the homerooms to fulfill their promise to buy three tickets.

SENIOR NEWS
SOCIAL SEASON

With the Student Council Dance over, Milne's social season is over, with the exception of the Senior Ball which traditionally falls on the same night as class night. However, let us omit that final affair which is of concern to Seniors and a few Juniors alone, and let us review Milne's social calendar, which has noticeably been changed within the past year.

The festivities were begun with the annual reception in early November. A Junior High School Party followed, while the Girl's Athletic Club and the Boy's Hi-Y Club sponsored a successful dance Thanksgiving Eve. The Senior High School, forever restless, decided to use their party money before Christmas, and celebrated the Feast of St. Nick with a gala affair. In early February, the two girl's literary societies entertained the school in a joint dance, and a long time elapsed before the annual Q.C.I.A. followed late in April. And last, but not least, came the Student Council affair.

Upon scanning the above resume, the reader cannot help noticing the many changes and alterations that have been made since last year. There is no Soph-Senior nor Fresh-Junior affair.

The Sigma dance has been abandoned, while several dances have been added in its stead. Altogether, there has been a tremendous shake-up in the dances themselves, while still other changes have been made in their sponsoring and their presentation.

Possibly more than any other, this recent Student Council affair has taught us a great deal in dance management. First, it was the first dance to be held in the old gymnasium with no decorations; second, it was the first dance to which parents were invited along with faculty chaperones; and thirdly, it proved that no two dances should be sponsored by the school within the duration of three weeks.

Each of these three observations ought to be of use to future dance committees. My Milne present at the affair will say how pleasant was the atmosphere of the old gymnasium and the dance committee will agree that it is an ideal location for an economical dance, for it needs no decorations. Every parent present mentioned how enjoyable it was to witness a school function of this sort, and expressed a desire to be able to return. Therefore, whether or not the dance was a tremendous financial success or not, these three facts have been discovered, and by all logic, they ought to in the better management of future Milne affairs.

HUMOR

Mrs. J.: Jean, did you sweep behind that door?
Jean: Yes, I swept everything behind that door.

Mrs. S.: Your son is pursuing his studies at high school, isn't he?
Mrs. W.: I guess so, he's always behind.

Elderly woman to drug store clerk: Have you anything for grey hair?
Steve: Only the greatest respect, madam.
