Dancing Class to "Shine"
Sophs Are Plans For Varsity

By Marjory Potter

At last we're going to get a sample of what's being done in the interpretative dancing class. On Saturday, May 3rd, in Page Hall Gym, at 8:15 p.m., there will be a symposium of the dance. Participating in the program will be Russell Sage College, State College, and, the Albany Academy for Girls, as well as our Milne girls. The Milne group will do a waltz, a polka, a mazurka, and perhaps a primitive dance. Also, the junior class girls will do the negro spiritual dance they did on Omi Night.

COGSWELL TO OFFER JUNIOR ESSAY PRIZE

Junior essays, which are written each year by every student in the junior English classes, were completed yesterday.

The subjects on which the essays were written varied greatly, but the majority of students wrote on historical Albany, to compete for the annual prize which Mr. Ludgard Cogswell Jr. dedicates to the junior student who writes the best essay on some phase of the history of Albany. The prize this year is a specially bound book dealing with some of the subjects upon which the essays were written. Robert Mason, a senior, won the prize last year.

CRIMSON AND WHITE SEND DELEGATES TO CONFERENCE

The Crimson and White will be represented at Spring Conference of the Capital District Scholastic Press Association. The meeting will take place at Roscliff-Jearson High School, in Millwood New York, on Saturday, May 17, 1941.

The Milne delegation will be announced at a later date.
The name "Society Day" has not been heard around Milne now for about three years. We all know what fun all had on the former "Society Days" with plays, songs, and other forms of entertainment which all members of societies participated in.

Come on, we need the support of all if we are going to restore the "play day" of the school.

Dr. Robert Frederick Welcomes Parents

Dr. Robert W. Frederick, principal, wrote the following letter to the parents of Milne students:

Dear Parents of Milne:

On Friday evening, April 25th, the students and faculty are holding their annual open house for the parents and friends of the Milne School. We have planned a program which we think will be both entertaining and informing.

A moving picture film, the gift of last year's graduating class, showing the work of the school will be shown at 8:00 p.m. in the Auditorium. After the movies the school will be open for parents' inspection and the faculty will greet you.

We of the faculty would like to know the parents of our children. I'm sure the children will be pleased to have you come and see some of the things they are doing. Will you plan to be our guests on that evening?

Very cordially yours,

Robert W. Frederick
Principal
