WHAT? WHEN? WPIEKE?
by Leslie Sipperly

Of course you've guessed it: it's the talk of the school. The Sigma and Sigma societies are giving their annual dance February 21, next Friday night, at 8:30 o'clock in the Recreation Center. The tickets are priced at $1.20 a couple. It is going to be a lot of fun as there are to be novelty dances and refreshments. Lew Rider's orchestra will supply the music. For this dance there won't be the preliminary struggle trying to get into a "tux" as the dance is to be semi-formal.

The chaperons for the affair will be Miss Conklin, Miss Smith, and Dr. Frederick.

The following people are the ones who are helping to make this a success: Virginia Soper, chairman of tickets; Ruth Mann, chairman of publicity, and Marion Camp, chairman of the orchestra committee. The checkroom will be taken care of by Sylvia Eypins from Quin, and Ruth Carvili from Sigma.

MILNE GIRLS VARSITY LOSES TO STATE COLLEGE FRESHMEN

The girls varsity basketball team of Milne played and lost their first game of the season last Monday afternoon when they were defeated by the State College freshmen team. The score at the end of the game was 22-14, with the score at the half being 10-10. Elsbeth From was the high scorer for Milne.

FRENCH CLUB HOLDS ELECTION

The French Club elected new officers at their last meeting.

Doris Shultes was elected president; Cora Hualles, vice-president; Ethel Gillespy, secretary; Barbara Ireland, treasurer; Alice Kander, program chairman; Robert Daves, marshal; Gertrude Wheeler, reporter for the Crimson and White.

John Graham was selected to purchase some candy for raising money for the treasury. Roy Hotting was selected to purchase some Milne pendants also for raising money.

MILNE TO MEET COBLESKILL;
CATHEDRAL DEFEATS TIDE;
BOYS' ACADEMY VICTORIOUS

This Saturday evening the Milne varsity will journey to Cobleskill, where they will meet, for the second time this season, their rivals of Cobleskill High School.

Last year Milne terminated their season with a loss on the Cobleskill court. It was a hard-fought game, and several of the "Red Raider's" first-string men were disqualified. In the first game between the two teams this season, Milne emerged victorious by a score of 46-44. Despite this overwhelming score, a close battle is expected in the game Saturday night.

With the ring of a glorious victory still in their ears, the Crimsonites, on the first of February, tangled with the Cathedral quintet on the home court. The student body was startled to see the Blue and Gold squad forge ahead of the Rumbling Wrecks and lead at the half time with a 22-12 score. In spite of the ten point handicap, the Milne boys came out on the floor and for the last half cut down the lead to one point. Amid the last minute fight, the whistle blew, giving the Cathedral squad a 30-29 victory.

Over-confidence and a tired squad counted greatly against Milne's chances. The boys had played the night before without a substitute and had one sub on the bench.

Following a week filled with examinations and no regular practice, the Milne squad clashed with the Boys' Academy on the latter's court. The Milne team, for the second defeat in succession, went down before the Academy quintet with the score of 25-18.

The game was hard-fought, and many a rough and tumble match featured. At the half time Milne trailed 10-13. With two minutes left to play, the Milne boys had an 16-17 lead. At this time Douglas Mawhiney who had been on the bench since the first quarter, entered the game, and from then on the game was much faster. The remaining two minutes, with two substitutes and a junior varsity man as reserves, the team said their opponents to one field basket but allowed them six foul shots.

PLEASE IN THE LIBRARY

In a recent interview with Miss
Thelma Eaton, librarian of Milne
High School, she stated that the behavior
of the pupils during library periods was
growing worse. She said that there was
a growing tendency of the
students to
loiter in the hall before entering the
library.

In our opinion there is no reason
for this. The rules of the library have
not changed; it is the attitude of the
pupils which has changed. Of course,
one can offer many excuses for this
condition, but they can be refuted. You may
say that you had to see a friend. See
him before school or afterwards. You're
getting tired of the library? Exams are
over, and work with a new semester has
begun. You will be busy enough from now
on.

Let's have some cooperation with
Miss Eaton. She's doing her best; you
do yours! Learn to use the library and
try to behave better, and it will be a
happier and more restful place for all
concerned.

There will be a young people's con-

ADVICE TO LOVERS

Dear Voice of Inexperience:
I am a girl who wants to take a boy
to a dance but he asked me first. Who
should pay for the ticket?

Dear In Trouble:
It depends upon the dance. If it is
a girls' society dance and the girl be-
longs to the society, then by all means
the girl should pay for the ticket.

If a girl asks a boy who does not
go to the same school to any school
dance, she should buy the ticket in that
case, also.

After all, the boy has to buy the
tickets nine times out of ten, so at
the slightest excuse, the girl should
pay for it. It's keep your sanity!
QUIN:

Because of pressing business, there were no quotations this week. However, Voltaire will be the author for next Tuesday.

The meeting was devoted to discussing the Quin-Sigma dance and the nominations of this semester’s officers.

Sylvia Rypins was appointed to help in the checkroom. It was voted that "stag" tickets would be $1.25 (no reduction).

THETA NU:

The literary report was given this week by Lowell Gyson. The title of the article was "The Politicians," by J. H. Wallace. A debate was held on the topic, "Is Bruno Hauptmann Guilty?" Those on the affirmative side were Jack Skinner, Roger Orton, and those on the negative side were Robert Wilke and Edward Walker.

The membership cards were passed out to each member, with Otto Schaler in charge of them. It was decided to hold the first annual banquet at Kleons on the last Friday of April. It was voted that the affair would be formal.

SIGMA:

Quotations last Tuesday were taken from Emily Dickinson. Due to a discussion on the coming initiation, the literary program was omitted. Quotations for next week will be from Carl Sandburg, with Bertha Cummings giving his works, and Ruth Nelson presenting his biography.

A discussion was carried on about the coming Quin-Sigma dance which will be next Friday night. The meeting adjourned at 11:45 o’clock.

ADELPHI:

The weekly Adelphoi literary report was given by Kenneth Lashor. He reported on the article, "Riding the Winds in Motorless Planes," by Edwin Teale.

The business of the meeting concerned the taking in of new members. Next week the members are to submit names of likely candidates to join the society.

HI-Y

New members were welcomed to the HI-Y meeting January 27 and were given the club oath. They were told of the club’s purposes and functions by the president. A report was given on the G. A. C. – HI-Y dance by Roger Orton.
