The National Capital School Visitors' Council is sponsoring a 1941 institute of national government for secondary school students. This institute will be in Washington D.C. from March 7th to March 11th.

Many schools all over the United States have been invited to send a representative. This representative will have an opportunity to learn more about student government by seeing a democracy at work in Washington. Milne is the only school in the capital district with an invitation. Because of the vital importance of student government in Milne a junior class member has been chosen, by the Student Council, to attend this institute.

Charles Golding will be the Milne representative. He, when asked about his proposed trip, he said, "I am greatly interested in this project and am looking forward to the trip to Washington. It will be thrilling and exciting to view our own federal government at work."

Assembly will feature play, "The Minuet"

"The Minuet" is the play which will be given in assembly on Wednesday at 2:30. It is directed by Leah Einstein, and the cast consists of Joan Manweiler, Jerome Levitz, and David Conlin. This play is in a much more serious vein than most of the plays presented in assembly, but it should be appreciated by the senior high students.

French Club

The French club is now ardently searching for new members, and invitations have been sent out to quite a few members of Milne High School. A special program for each week will be planned for the remainder of the school year, for example, French movies.

Candy--Leah Einstein, chairman, Catherine Morrison, Lillian Simon, Margaret Hodecker, Shirley Atkins, and Jean Douglas.

Each grade in Milne now has an intermural basketball team. The schedule for the games has been arranged by Charles Kosobob under the supervision of Mr. Bulger, assistant principal.

This schedule allows the teams to play each other before all the home games of the varsity team. It has been in effect since the first home game.

The teams and winners of each are as follows:
- Sophomores beat the juniors,
- Seniors beat the sophomores, and
- The eighth grade beat the seventh grade.

In the next two games the seniors will play the juniors and the eight grade will play the ninth grade.

The players have asked for time to play on Sundays as the big gym is entirely used up on other days. They are willing to meet any demands asked of them in connection with the granting of this privilege.

Charles Kosobob says, "Come early to the varsity games and help your grade team win. They need your support. It will help keep intermural sports in Milne."

Quin and Sigma are going to have a basketball match at some time in the near future. Those on the Quin team are as follows:
- First team: Hunt, Ambler, Baldwin, Selkirk, Vogelske and Doran.
- Second team: Mann, Signer, Bailey, Tincher, Spector and Patatsky.

No date has, as yet, been set for the event.

Dr. Matt Stewart, Professor of History in State College, spoke on Latin America and Peru to the 9:00 History B class. Dr. Stewart lived for several years in Peru and consequently knows a great deal about the country. This is Dr. Stewart's second address in Milne.

All history classes in Milne are observing Bill of Rights Week with a special study of the national and state constitutions, it was announced by Miss Elizabeth Shaver, supervisor.

New members invited to Theta-Nu Literary Society are as follows:
- Stanley Heinrich, Harold Game, Harry Gulp, Edward Bockstein, John Camp and Benjamin Van Acker, who are all sophomores. The following boys were also admitted: Walter Grace, Bernard Golding, and Walter Austin.

Adelphoi Literary Society invited the following boys as new members:

This year all boys had to pass all subjects every month, and be a full-fledged member of his class with regard to Regents and school credits, in order to be eligible for membership.

Zeta Sigma Literary Society will conduct its annual installation affair in the form of a luncheon at Howard Johnson's Restaurant on February 22.

Ruth Van Genaback is Mistress-of-Ceremonies. Members of her committee are Shirley Smith, Mary Baker and Corrine Edwards.

Jean Chauncy gave a literary report on Hendrick Van Loon. The meeting ended by the singing of the Sigma song.
GIRLS ENJOY PLAYDAY AT DELMAR

Last Saturday 12 girls on the basketball varsity attended a playday at Delmar Central. It turned out to be a very exciting day and a good time was had by all. Basketball filled up the morning program and our girls (with 4 schools represented—Cobleskill, Albany High, Delmar, and Milne) came in second place for the day, after over-scoring Cobleskill 10–8. Delmar captured first honors. Jean Selkirk had high score on our team and the other forwards, Mary Baker, Helen Cooper, and Sally Hunt, made a fine effort toward making the scores very close. Good guarding was needed and Ruth Martin, Laura Lyon, and Ethel Baldwin amply provided it.

Lunch followed, with Delmar serving very good ice cream sandwiches and cocoa. Adjournin; to the gym, skits were put on by each school and hidden talent was brought to light. Our junior varsity gave a pleasing vocal version of "I've Been Working on the Railroad". The seniors starred in a dramatic drama in which the villain reversed the procedure and won the heroine.

Following this came the big event of the day—the game between the All-Stars and the Mohawks. Twelve of the outstanding student players of the day composed the All-Stars; Helen Cooper, Mary Baker, and Ethel Baldwin represented Milne on this team, Mary had the honor of being captain. The Mohawks, a regular team, made up of gym teachers and some outsiders, were the challengers. Miss Hitchcock was Milne representative on this team. It was a fast-moving, hard-fought game, the Mohawks leading in the half 10–4 and coming out victorious with a final score of 24–11.

Dancing wound up the playday and the team returned to Albany tired but happy.

UNABLE TO PLAY SCHUYLER

By Donald Summers

The "Red Raiders" will play Schuyler on the Page Hall court tomorrow night. This is the first engagement between the two teams this year. The "Red Raiders" have a good team this year and should prove a very hard foe to beat. The Mohawks aggregation lost by only a few points to a highly favored Vincentian five and should prove very hard to beat.

Come To The Game

This year has been a disastrous campaign financially so far. We are about $100 short of our expectations. As you know, basketball is the only source of income for our athletic program so let's try and pack the gym in our last two games.

MILNE LOSES TO V.I.

By David Conlin

Unable to cope with the terrific height advantage of the Vincentian quintet, a fighting Milne team dropped a close decision. The game was hard fought, and it was not until the closing moments of the third quarter that V.I. assumed a definite lead.

Charley Locke got Milne off to a fast break in the opening quarter when he dropped in two field goals in rapid succession. V.I. came surging back to tie it up and scored again so that at the end of the first quarter, V.I. led 7–4.

Bob Clark opened the second stanza with a long set shot, but V.I., not to be denied, went still farther ahead 11–6. Locke sank another, and Dyer tallied on a foul shot, but V.I. made two more set shots and led at the half 15–9.

The third quarter was the turning point of the game. Clark and Saunders led the attack for Milne as both teams hit a fast pace. The "Red raiders" were trailing 18–17 as the third quarter drew near a close. Then up set V.I. took advantage of the lull and scored 12 points. Milno behind 30–21, bought right down to the wire but was unable to overcome the V. I. lead, and the game ended with V. I. winning 37–28.

BOWLING MATCH

The juniors have challenged the seniors to a bowling match to be played at the Paladium this Friday after school. The seniors have a strong team and according to Martin Edwards, veteran bowler, they'll win with ease.

SENIORS ON VARSITY

Your sports department will attempt to give you a short sketch of each of the seniors on the Varsity. We will give you two members this week and two next.

CHARLES LOCKE

Shifty, elusive and a "dead-eye", these are Charley's main characteristics in basketball. Charley played J.V. basketball in the ninth grade and has played varsity ball for three years since then. He is Captain of the Varsity and with points so far, he has proved to be the team's star.

BOB SAUNDERS

Speedy, tricky and a good ball handler, Bob's got it all. This is his second year of varsity ball. He had an on tying record last year, he was the high scorer against Wappingers falls and Coeymans scoring seven and eleven respectively.
OH, FOR A CAR!

Have you noticed the daily lineup of cars and vehicles behind school these days? Some of us have outgrown the bicycle stage, and have advanced to the jalopy, a class all its own. (And you, only some of us.)

Every morning at five minutes before nine, you hear, then see, Dave Davis whizzing down Washington Avenue, in a super de luxe, Model A. A little of the breezy side, but it gets there.

That smooth, green number belongs to Art Phinney. (Who else?)

And of course, this little article wouldn't be complete without the beautiful tan job of Preston Robison's.

Bernie's Review for this Week:

Robert Montgomery and Carole Lombard
from col um on one)

The drinking fountain on the first floor has been a topic for Student council election campaigns for many years. Why doesn't the Senior class also have a committee to look into this? If the cost is reasonable, why not have the fountain as the Senior gift to the school?

Way do Milne students allow the opportunity to voice their personal opinions in this paper, pass by? If you do have something to say, put it in a letter and give it to one of the editors.

Way hasn't the Milne Varsity played the State College Freshman last few years? It was always an exciting game. Why not try to arrange it, Manager Edwards?

Way can't members of 'Lords' societies be more adult concerning their initiations?

Why do students continue to eat outside the Cafeteria and throw litter more (Continued in next column)
