Girls Vote 88% To Plan Careers During Marriage

Boys for Career 55.5% 23.5% Opposed

"Don't fence us in! Every girl ought to know something besides housekeeping," commented a high school girl when interviewed by a student reporter as to her reason for voting. "Do you think a girl should plan a career rather than homemaking?"

This girl voiced opinion of 80 per cent of 33,342 high school girls who participated in the latest Institute of Student Opinion Poll, under the sponsorship of Scholastic Magazine. Only 4 per cent of the girls advocate planning careers in homemaking exclusively and 5 percent are undecided.

According to the poll results, high school school boys are much less favorable to the idea of girls planning careers outside the home: Of the 26,650 boy voters, 55.5 per cent think girls should have careers other than homemaking; 21.5 per cent are definitely opposed, and 21 per cent are undecided.

The Institute of Student Opinion conducted the poll through its membership of more than 1,000 high school newspapers throughout the United States. Students voted by indirection and had taken their poll had been taken in their respective schools, were interviewed by student reporters and asked their reasons for their opinions. Girls offered sound reasons for planning careers outside the home:

"A girl can successfully mix housework and a career."

"Women should be1 able to handle their husbands and to handle her husband's finances, so that when she does marry, she will be a better homemaker."

Ad. Dramatic Club to Present One-Act Plays

Profits Used for Murals

The profit from the party will go toward the library murals which were planned and underwritten for the Milne School by David Lithgow, noted Albany artist. All the murals were completed last year but they have yet to be paid for. This party has been held annually ever since the contract was made.

Mrs. Engle to Assist

Mrs. Edward Engle, last year's mothers' committee chairman, is helping again in this year's arrangements. Mr. J.R. Hauf has donated the bridge tables.

Faculty representatives on the various committees are: Mr. Harwood, refreshments; Mrs. Goodale, Fred Waite, tickets, publicity and hostesses; Mrs. Engle, donations, and refreshments; Miss Gade, foodsale. The price of 60 cents includes tax. Mrs. Carlson and Mrs. Niedorf are helping on the foodsale.

Miss Martin wants everyone to notice the colorful posters that her second period art class did for this affair. These posters were done by both Junior and Senior Hig students. They were exhibited in the art room before being posted in the halls.
No Reporters—No Paper

In order to publish a good, interesting newspaper, the staff must work together on a cooperative basis. Putting a paper together is not all fun and frolic. Honest-to-goodness hard labor goes into it. Not on any newspaper in any school ought all the work and responsibility be placed upon a few. This is not fair. It is definitely an undemocratic failure in Milne's democratic record.

When these assignments do not turn up, the work and responsibility is placed upon a few. These people work overtime, and this takes a lot of time. They are the ones who have to go through a lot. It seems though, that some of the girls are finding time to do other things, and this is good. They are doing honors on the directing end. Betty Bates kept looking for people to sign in and then proceeded to leave the room.

Some Milnites evidently thought the lights were a little too bright and instructed a poor rushie to do something about it. The victim fixed things to everybody's satisfaction and the cheerleaders had themselves a time, since they ate a little of everybody's candy and cake—and even an apple apiece!

The trip back was fun, and as such trips always are. Some Milnite evidently thought the lights were a little too bright and instructed a poor rushie to do something about it. The victim fixed things to everybody's satisfaction and the cheerleaders had themselves a time, since they ate a little of everybody's candy and cake—and even an apple apiece!

Mont Pleasant Defeat Milne
By 27Pt.; Half Mark, 26-19

Aronowitz Scores High With 15 Points

Mont Pleasant's powerful quintet again beat Milne last Friday night on the Schenectady court. The f 답 림 nucleially 23-25.

Milne's boys held the Schenectady team fairly well during the first quarter. The score see-sawed and last action was limited. After Mont Pleasant's first string was put in, they pulled ahead towards the end of the quarter. The score at the half-way mark was 20-11.

The final period saw the powerful Supuronwicz brothers in action. The fast working pair helped pile up the thirty-four more points for Schenectady. Milne showed no signs of rallying and only added twenty-five points and Murphy was high for V.I., punching out ten for the Lions.

During the first half, Milne literally did nothing at all. At the half we only had three points to our credit while V.I. had piled up nineteen. After this uneventful first half, we pulled out from behind and began to give the Lions a run for their money. We did not run hard enough, however, for Vincentian walked off with the game in a 28-25 tally. The absence of Jim Kilby, V. I. star, was noted. Jim was, at the time, temporarily off the team.

Milne was also the victim of the Jayvee game which we lost 31-20. In our first game with V. I. our Jayvee handled this team their first defeat of the year. The V. I. court was as crowded as usual with many Milne as well as Vincentian students.

Scores:

V. I. | Aronowitz, f. | 12 | 2 | 14
Healy, f. | 12 | 4 | 16
Quigley, f. | 12 | 4 | 16
Conroy, f. | 12 | 4 | 16
Hogan, e. | 12 | 4 | 16
Murphy, g. | 12 | 4 | 16
Plants, g. | 12 | 4 | 16
Dolin, e. | 12 | 4 | 16
MacDonald, g. | 12 | 4 | 16

Total | 16 | 7 | 39

Kelly, e. | 12 | 2 | 14
Bull, g. | 12 | 2 | 14
Christie, g. | 12 | 2 | 14
Detwiler, g. | 12 | 2 | 14

Total | 9 | 6 | 25

Red Raiders Lose 56-39 to C.B.A.

Aronowitz High With 14 Points; JV Loses, 32-16

On Saturday, February 17, the Milne Red Raiders faced the CBA Brothers in a return engagement which spelled defeat for the Milne boys at the hands of this powerful quintet. At the end of the first quarter, CBA spurted ahead to point with a score of 11-10, but as the game neared the end of the second half, CBA spurted ahead to make the score at the half-time 25-17. This was a margin of eight points which CBA kept all but once when we brought it down to 3.

Little Lee Aronowitz was high scorer for the losers with a total of 14 points, including ten of the second half take of 56-39 tally. The absence of Jim Kilby, R. I. star, was noted. Jim was, at the time, temporarily off the team.

Milne's Jayvees also suffered a great loss to the CBA juniors by a score of 16-52. Menden was best for the home team with 9 points, but Milne as well as Vincentian students clicked. After this uneventful first quarter, CBA spurted ahead to make the score at half-time 25-17. This was a margin of eight points which CBA kept all but once. The game was well attended by both Milne and CBA students, and due to the early finale, the period for dancing was longer than usual.

8:15—Dramatic Club plays.
8:00—Tennis. Girls' Academy.
10:00-12:00—Phi Sigma Initiation.
10:00—Girls' Basketball at Schenectady.

Tuesday, March 6
12:27—Senior High Assembly.

Robins' Report

Last Saturday will live long in the memories of Mrs. T., Arnie, Kilby, Richy, Paxton, Wilson, Hurlburt and Smith, for the playday at East Greenbush. Not only had they managed to beat the Ballston Lake and Knickerbocker teams, but the ball was passed in and out of their lines throughout the school. They had the entire enrollment at the ballroom, and Smith, who is one of the authorities in this testing. But that wasn't all. The Milne and Arnie were chosen to play in the All-Star vs. Teachers game. At one point the coaches had Arnie crowded out to the edge, and she was getting desperate when she heard, "Throw it here, Arnie." She threw it, and turned to see who the voice was of the teachers. Her later comment was: "How did SHE know my name?"

Working backward from this event, last Friday's intramural games are next. Officially, the seniors forfeited the game 2-0 to the freshmen on the same score. The sophomores supplied fill-ins for both games though, and the girls still had a lot of fun, with regrets that 30-8 score didn't count. Arnie and Richie did referee. Kilby, Martin, Richter and Flanders alternated as umpires. Appleton and Brookman kept score, and Smithies were the only ones to get their money. The game was well attended by both Milne and CBA students, and due to the early finale, the period for dancing was longer than usual.

Pelletier Awarded Sage Scholarship

The first scholarship to be awarded to one of Milne's '45 graduates has been granted to Chloe Pelletier by Russell Sage of Troy. The State offers two scholarships for which all senior students may compete. The first is $100 and was won last year by Joanne Scott, class of '44. Examinations for this scholarship will be given in May. The second is a half tuition scholarship to Cornell. This is awarded on Regents grades in American history, English 4, intermediate algebra, and an elective of chemistry, physics, Latin 3, or French 4 to be passed in the same Regents term. The Cornell scholarship amounts to $200.

Dr. Kenny explained that scholarships are, on the whole, awarded for scholastic ability, record, and need.

Allies Band Plays
At Dance, Preview

The Junior High had an unexpected dance last Tuesday during their homeroom period. This dance took place in the little gym. Allies Band contributed the music in their smooth style.

This was a preview of the Junior High Band and the playing place on Saturday, February 24 in the Lounge from 7:30-10:30. Allies Band supplied the music, after much uncertain planning. The dance was, as usual, well attended, as are all Junior High dances. The fact that a real band played instead of a juke box made everything much more enjoyable.

Girls Vote

(Written by Marcia)

Another week brings a few good releases to the front. Vistor comes out with Dinah Shore doing, "It's Home for a Little While," that song tied in with the times very well. Dinah sings it in her own flawless style. The record is as pretty, "Curdy," decorates the other side.

Perry Como, Victor's "white hope," has a new jive entitled, "In the Mood." Como sounds a lot like Crosby on this one, and he's very good.

Columbia isn't being outdone either. Frankie Carle and his new orchestra have "Evalina" to their credit. Carle's recording shows off his orchestra very well. It sounds a little like Vaughn Monroe.

Capital's Pied Pipers have recorded "Cuddle Up a Little Closer," and "It's the Talk of the Town." This smash hit record is already in big demand. The Pied Pipers do their usual good job.

Tommy Dorsey has done "Strong, Music," the hit song from "Song of Norway." His band, with the outstanding melody and is already getting quite a demand in the music world.

Another Columbia recording is "The Love I Long For," by Ginny Simms. Ginny sings, as she usually does, to perfection.

Albinoni

Decca adds to its list of musicals. Song of Norway. This is recorded in its entirety, with the original cast of Greig is beautiful to hear.

Lena Horne has a new album. Lena sings in her husky voice and puts her heart in it. Numbers included are: 'The Man I Love,' 'Sweet and Lovely,' 'Whore or Wherever,' and "I'm a Lena Horne fan," get this one.

Off the Record: Andy Russell is signed for a new radio series. Buddy Rich has his eye on Russell, and Andy might be making a picture soon.

Dizzy Gillespie, former Stan Kenton singer, who joined the Kyser crew last month to play theatres all over the country, has his eye on Russell, and Andy might be making a picture soon.

The unusually large percentage of no opinion votes on this question among the boys shows that many of them are open to argument, both pro and con.

Results of the January poll questions on educational objectives will be released early in March.

On behalf of the Student Body, the staff of the Crimson and White wishes to extend their deepest sympathy to Chloe and Sue Pelletier on the death of their father, James S. Pelletier, on Wednesday, February 21.
