JUNIOR NEWS

FEATHERWEIGHT BOXING MATCH

Last Friday evening, a new event occurred in Milne Junior High School. At the Annual Antics, held in Page Hall Gymnasium, a featherweight boxing match was given and it was won by John Hawkins of the Bears. After battling four hard-fought rounds, he finally won from Arnold Rosenstein of the Tigers. He showed a nice form and a sound defense. With this defense, the turned loose an offensive attack which baffled his opponent. Although Hawkins was lighter than his opponent, he made it up in his speed and smooth footwork.

The preliminary matches were between Leo Mink of the Goats and Arnold Rosenstein of the Tigers. Rosenstein won and was qualified for the final match. The other match was between John Hawkins of the Bears and Erastus Davis of the Cubs. Hawkins won after a hard fight. The preliminaries were exciting but could not compare with the final. It was one of the big events of the program, and it was met with great applause.

This event was a new attraction and made a big hit, and it will probably be continued as a feature of the coming Annual Antics.

"Life is not so short but that there is always time enough for courtesy"—Emerson

MYSTERIOUS FIVE UNVEILED

At last we know who the "Mysterious 5" are. They made their first attack by defeating the Milne Junior basketball team by a score of 8 to 7. This new team is taken from the gymnasium class of the Junior High School, and the players were R. Hotaling, W. Bates, J. Hawkins, J. Auklison, F. Sipperly, J. Nesbitt, G. Mosell, and Fred Carr.

The game was played in two fifteen minute halves and refereed by Ed Case. Hotaling was high for the "Mysterious 5" with 3 points and Mosell for the Juniors with 8 points.

WILL YOU TRYOUT?

The Junior High School will conduct a prize-speaking contest again this year. The try-outs will be held in each English class, and two boys and two girls will be chosen from each class. These class try-outs will be given April 4. The semi-finals will be April 6 in room 126 at 8 o'clock.

The final contest will be held Thursday, May 4, in the Junior High School assembly. There will be four girls and four boys in the finals.

HOME ROOM NEWS

Homeroom 124, a seventh grade homeroom, sold the most tickets for the Annual Antics. They sold thirty tickets, amounting to $7.50.

The eighth-grade homerooms have been doing some very interesting things this week:

Room 121 hopes to resume the "Star Newspaper". They discussed it at their weekly meeting Monday.

Room 127 had a St. Patrick's Day party. They had games and a contest. Everyone enjoyed it.

Room 122 had an entertainment last Friday. The entertainment committee planned a very interesting game for them.

Ninth-grade homeroom 129 had a candy sale last Tuesday. They have a newspaper, and they are making a big success of it. They have picked a staff for their newspaper. The position and the people who will occupy them are as follows:

Editor-in-chief — Sam Munson
Associate Editor — Doris Shultes
Humor Editor —— James Nesbitt
Sport Editor —— Carl Sundler
Publication —— David Ronde

Soon the Prize Speaking Contest will begin, for the Junior High School, and then the excitement will begin. There is the excitement of choosing a suitable piece and then perhaps being in the semi-finals, although we cannot all be in the semi-finals or the finals. We can be good sports and applaud the lucky ones. When choosing a piece, choose something that appeals to you, because then it is easier to learn and to speak with expression. Don't pick something that is dry and holds no interest for you and the audience who listens to you. Practice a good deal and put a lot of expression into your selection.

This editorial wasn't begun with the idea of coaching you, but it has turned out that way. But the idea I want to get across to you is that if you don't win, be a good sport and take it with a smile, and if you do win, let it go to your heart and not your head.

NOISE AT LUNCH

Have you ever noticed the noise that is being made during the lunch period in front of Page Hall? If you have not, you don't know how annoying it is to the classes going on in the surrounding buildings. Would you like to hear shouts and screams come in through the window while you were trying to do some homework? I know you wouldn't, and so why not try to be a little considerate of people who are studying? If you will lower your voice a little, instead of shouting, and not run around on the pavement, you will be helping the people inside. Besides, it doesn't look so very well to people who are passing by to see students running around. So we ask everyone to cooperate in being quiet and not to act as if you students should when outside during the lunch period.

STUDENT COUNCIL REPORT

This is an answer to a question asked by everyone: "What do you do in Council meetings?"

First, the President, Barbara Birch'scough, calls the meeting to order. The secretary calls the roll and reads the minutes. Barbara asks if there are any more budgets for clubs. Different members give the budgets to the President and she reads them. A member might say, "I think that is too much." Then another person might get up and say that we should accept it. After a few minutes of discussion, which sometimes changes into an argument, the President calls for a vote. The budget is usually accepted.

New business is brought up and we have more discussions. We have to take the news back to our homerooms where it is discussed.

Someone makes the motion that the meeting be adjourned. We hope that all the students will cooperate as much as possible with their Student Council representatives.
Having heard a great many complaints concerning the most popular girl mystery, the boys, seeming to want more publicity than they have received, decided to choose a "Mr. America, 1933." After a great deal of star-gazing, snooping, and playing, Walter Minchall, we have the honor to present a solid guaranteed tin-cup to Billy (last name on request) as the best example of Milne's masculine beauty. What a nice little boy! I'll bet his mother never has to ask whether or not he washed his ears. Next in the Baby Parade, pardon it, I mean the Beauty Parade, comes little Johnnie. Such a cute little boy, and after him, can I believe my eyes? yes, maybe, it is—our old friend, Jimmie. They both got nice leather medals.

Now girls, if I forgot anybody, make them improvise. Get to work on them. If in doubt consult the dictionary or write to your congressman or the press—write to anybody, but please don't write to me.

NEW BOYS' SCHEDULE

The boys of Junior High will have their gym class on Tuesdays and Thursdays until the Easter vacation. The class will be from 2:00 to 3:00 on those days. During that time they will learn to climb the ropes in the new gym. After the Easter vacation, the boys will go out of doors and play baseball.

aunt—"You'll be late for the party, won't you dear?"

Niece—"Oh no, Aunt, in our set nobody goes to a party until everyone else gets there."

NEW GIRLS' SCHEDULE

Next week the girls will start baseball. This class will be from 2:00 until 3:00 on Mondays and Wednesdays. There will be a pageant class on Tuesdays and Thursdays from 2:00 until 3:00. In this class they will learn dances for the pageant. On Fridays there will be a tumbling class instead of dancing.

NEV/ GIRLS' SCHEDULE

In this class they will learn dances for the pageant. On Fridays there will be a tumbling class instead of dancing.

Mr. Milne Junior-1933

This week's club news

The basket ball club has decided to disband and form two clubs. They are going to organize a tennis club and a basketball club. The sponsor of the tennis club will be Mr. Rotkeling, who is a student of State College and the champion tennis player of the Capital District. The reason for this reorganization is that the library is just above the gymnasium and more quiet is needed.

The Radio club, a newly organized club, is making rapid advances. The people in this club are going to bring several radios for reconditioning. They are also going to learn about short-wave sets. This club has no sponsor, but Gordon Wendel is chairman.

The Tumbling club is going to put on a performance April 1st at ten o'clock for the State College Gym Teachers. They have also been invited to a party being given by the Dancing club.

The Star Dramatics club is giving a play May 4 in the auditorium. The characters are as follows:

Husband-Bud Kyles
Wife-Jane Fanning
Son-John Hawkins
Daughter-Ann Oliver
Smill daughter-Helen Miller
Old Maid-Virginia Mcbermott
Grann-Betty Sanford
Maid-Betty Boyd

The Cosmetic club is no more—instead it is now "The Patchbox".

The Excursion club has visited many places in the past month. They have been to the assembly, the Bakery and the Schuyler Mansion. The officers of this club are as follows:

President-Helen Tyndell
Secretary-James McClure

The Book club has been organizing a newspaper, but they have not elected officers as yet.

The Dancing club has meetings during the first part of the period and they do not for the rest of the time. They have invited the Tumbling club to a party to be given March 22.

The Glee club has been practicing for an entertainment to be given in the Assembly soon. The president of this club is John Wynr.

The Chemistry club has been formed this semester. They blow glass and do many interesting things.
