SENIORS BOW TO JUNIORS

On Tuesday, May 19, the junior girls met the senior girls in a softball game.

The first two innings were uneven with each team scoring one run. Then it was time for the slamming bats of the juniors to go into action. It had been rumored that the “Jiving Juniors” had a plan for the third inning and with a BANG they let loose. It seemed that the side would never be retried, but after having gone through the batting order twice, the final out occurred. The result was 14 runs for the “Jiving Juniors”.

A still very dangerous team was up to try for revenge on the upper classmen.

The inning started out with singles by Harriet McFarland and Nancy Sue Tripp. Nancy Bellin then took the stick in her hands and blasted another single, scoring Harriet and Nancy Sue, making the score 15-3 at the end of the fourth inning. The score remained the same till the end of the game.

The seniors credited the win to the marvelous pitching and catching of Brenda Sandberg and Mimi Ryan. They also were very proud of Harriet McFarland, who was three times at bat.

Top scorer for the seniors was Harriet McFarland, who was three for four.

VARSITY SQUAD CHOSEN

Varsity cheerleading try-outs were held on May 15 at 2:30, in the little gym, for freshmen, sophomore, and junior girls.

The contestants were split into several groups of six or seven girls. The girls then proceeded to cheer before the judges, who were Miss Murray, Ruth Dyer, captain of this year’s squad, and Miss Burke and Miss Krumholz, State College students who were on the varsity cheerleading coaches this year.

At first, Miss Murray refused to disclose the names of the cheerleaders until the Mother and Daughter banquet, but she was finally persuaded to tell.

Canfield Heads Cheerleaders

The four judges, after an hour and a half of careful deliberation, announced the names of the eight new cheerleaders. They are: Jackie Marks, Jackie Boneyk, Judy Webel, Judy Jenkins and Joanie Canfield; class of ’54; Pat Canfield; class of ’53; and Patricia Canfield and Mary McNamara, class of ’55.

At the end of the game, Mrs. Canfield was voted to be head cheerleader. The other four cheerleaders were: Brenda Sandberg, class of ’55; Mimi Ryan, class of ’54; and Sandy Cohen.

College Acceptance

Sixteen more seniors have received word of their acceptance at various colleges and are now making plans for this coming fall. Ann Requa and Allison Parker have been notified of their acceptance at Cornell, and Boston University has accepted Shirley Wagener.

Pete Myers plans to attend Hobart while Henry Cohen has been accepted by Pennsylvania University.

Others who have been notified of their acceptance are: M. F. Moran by Simmons College, Doris Perlman by Barnard, Isabel Ure by Plattsburg State Teachers College, Nancy Bellin by both Smith and Connecticut College, and Carole Jean Foss by University of Vermont.

Eric Buck and Jerry Hanley have received word of their acceptance at Yale. Norwich has accepted Art Heimiller, and Hamilton College has notified Bob Seiter of his acceptance.

Scholarship Winners

Congratulations to the three senior boys who have received scholarships. Jerry Hanley and Bob Bullis, who have received theirs from Brown, while Don Creighton has received his from Princeton.

were: Carol Jean Fox, Redford Sanderson, Nancy Bellin, Jeannette Vice, Bob Seiter, Bob Richardson, and Sandy Cohen.

Collegiate Acceptance

Ball Climaxes Year for Seniors

On June 19, 1953, at 8:15 p.m. in Page Hall auditorium, commencement exercises will take place for the class of 1953. The graduating class will be led into the auditorium by marshalls Sherrill Miller and Arthur Melius, to the music of Minkus’s “War March of the Priests.”

Rev. Richard H. Hutchison of the First Church, Albany, New York, will give the invocation. Following this Dr. Theodore H. Fossieck, principal, will present the five deserving seniors with the valedictorian awards.

Next on the program will be the “Overture to B flat minor” by Chopin, played by Cynthia Berberian. Then Mr. Paul Harris, Jr., noted author, educator, counselor, and world traveller, will deliver his address to the departing seniors and their friends.

“Spring Song” by Cain, and “The Years at the Spring” by Williams, are the selections that the Minettes will sing.

Presentation of the seniors will be by Mr. J. Ralph Tiptett, guidance director of the Milne school. Following this, the seniors will receive their diplomas from Dr. Fossieck.

After the Alma Mater is sung, Rev. Hutchison will close the program with the benediction. While the audience remains standing, the seniors will march out to the music of Elgar’s “Pomp and Circumstance.” Accompanists will be Cynthia Berberian and Charles Muse.

Class Selects Ushers

The officers of the senior class chose fourteen ushers from the junior class. Crestighton Cross and Beryl Scott will serve as head ushers; others are Sally Simmons, Hannah Kornreich, Diane Deverson, Eleanor Erb, Nancy Redden, Mary McNamara, Richard Holzhauer, Donald Smith, Robert Byrum and Judson Lockwood.

After the graduation exercises a reception will be held in the Page Hall gym for seniors, their families, and friends. Punch and cookies will be served by the ushers.

Smith Heads Committee

A committee from the junior class will take charge of the caps and gowns after graduation. Donald Smith is in charge of the group which includes Betty Alexander, Alice Branson, Beryl Scott and Gretchen Wright.

The Senior Ball will be on June 19. The graduating class will dance from 9:00 to 1:00 a.m. at Brubacher Hall. The ball is under the direction of Mike Myers, and Allison Parker. The chaperons will be Dr. and Mrs. Theodore Fossieck, and Mr. and Mrs. Ralph Tiptett.
GOODBYE '53

In a very short time, the class of '53 will be passing through Milne's hallowed halls for the last time. But before they take their final departure, we want them to know that they will be remembered by all who have attended Milne in recent years. We'll remember them... for their friendliness towards their fellow Milnites, for their first student council campaign, and its posters for 'Bunny,'' Carole Jean, Harriet, and "Buzz." for the fellows the girls on the cheerleading squads cheered to victory, for the members of the class who came and left after the seventh grade, for the student government they conducted this past year, for all the society presidents and the meetings over which they presided, for the sleepy looks on their faces after a week-end of late hours, for the shrieks and laughs coming from the all-famous senior room, and for their honor students and the five valiantors who were such a credit to Milne.

Yes, for these and many other achievements the class of '53 will always remain in the memory of Milne. Goodbye, and good luck.

ALUMNEWS

Nancy Simmons '49, who is graduating from Pratt this semester will be married to Thomas Stevenson Hynd on the thirteenth of June in Brooklyn, New York.

Upon his graduation from St. Lawrence university, Edgar Wilson '49, will enter Harvard university for post graduate work.

Robert Lawton 50, has been elected senior class president at Clark University. Recently appointed co-captain of the Union college basketball team is Dale Christie '51.

CRIMSON AND WHITE Day Camp

Merry Go Round

What trouble those junior high folks have been having lately! Joan Canfield decided to have a hayride. But, unfortunately, it rained. So Arthur Evans had a party. Jackie Marks, Dixon Welt; Carolyn Wood, John Houston; Mary Kilough, Barry Fitzgerald; Linda Shouly, Ronnie Killelea; and Jackie Vonseyck and Bruce Fitzgerald were all there. But, the story doesn't end here. Not one to be discouraged by a little rain, Joanie tried again the following week, and this time the weatherman cooperated.

Our three great concert pianists all gave piano recitals recently. The talented misses are: Beryl Scott, Shirley Wagoner, and Cynthia Berberian.

Not only have some of our girls been giving piano recitals, but some of them have been getting an idea of what college life is like, from a purely scholastic viewpoint, of course. The gals are Peggy Shulz, Joan Edelstein and Alice Brody, who spent a week-end at B.P.I. Gretchen Wright and Barbara Mabbs visited Darrow.

The junior high was also busy last month, their annual formal being the big event. Dorothy Clabe, Alan Jennings, Corinne Holmes, Don McQuaid; Elsa Weber, Dave Bain; Paul Howard, Jackie Torner, Gordon May and Melinda Hitchcock were among the dancers.

The sophomore girls have really been going to town with all the entertaining they've been doing. A camping trip, a Sweet Sixteen supper party in honor of Judie Brightman, and a slumber party, thanks to Polly Viner, Ann Crocker, Honey McNeil, Connie Olivo, Hilda Kingman, Ann Strobel, Sheila Fitzgerald, Carol Becker, Jerry Kane, Sara Selter, Diana Lynn, Judy Young and Alma Becker are the energetic and ambitious gals.

Not to be outdone by the sophs, the junior girls are also entering into the social whirl with parties of their own. Hannah Kornech had a watermelon party for Mimi Ryan, Norma Rodgers, and Eleanor Erb. Since the juniors have been slaving so hard with college board exams, Beryl Scott thought it would be a good idea for some of them to come up to her camp for a day. Naturally it didn't take much persuasion by Shirley, Ann, 'n Jim to have them stay at home and work in my garden.

Red Raiders Whip V.I.; Have Six Straight Wins

Walker, Peck
Spark Crimson

Milne’s varsity Red Raiders really rallied as they captured six straight wins over V.I. and Peck, dropping their only loss, in a heartbreaker to Albany Academy, the inspired Crimson led by the pitching of Bunny Walker and Russ Peck, capped six straight victories including a decisive 7-3 decision over Vincentian.

Raiders Grab Quick Lead

Getting off to a fast start against Vincentian, the Raiders scored two runs in the very first inning to take a quick 2-0 lead. Although the Crimson failed to gain a hit in the frame, they made the most of three walks and two infield outs.

Crimson Keeps Climbing

Vincentians could not copy a single run in their half of the first inning, but the Crimson were never headed as they scored three more runs in the fourth frame and single markers in the sixth and seventh.

In the big fourth, as the Raiders scored three runs to sew up the ball game, Russ Peck led off with a single and after stealing second was sacrificed to third. The V.I. hurler then proceeded to walk Art Melius and "Tiger" Billlen to load the sacks. Then "Criss" Cross laid a sharp single to center field scoring Peck and Melius, and moving Billlen to third. The scoring was completed as Bill Wade drilled a single through the box scoring Billlen.

Walker Is Winner

Bunny Walker, Milne's starting pitcher, twirled a neat two hitter to gain his second win in as many starts. Bunny fanned five and walked only two, but was the victim of two unearned runs. Bunny gained hitting support of three walks and two infield outs.

Schoharie Suffers 9-3

On Monday, May 4, the Milne nine traveled to the cow pastures of Central Bridge, not to participate in a spelling bee, but for the more practical purpose of playing a baseball game. The Milnites proved to be prosperous as the Crimson, led by Dave Clarke's three hit pitching, captured their third triumph of the season by the score of 9-3.

Both Clubs Score

The Milnites got off to a good start, scoring two runs in the top of the second inning on two walks, a double and a single coupled with a base error. Schoharie retaliated with three runs in the bottom of the third to take the lead momentarily. Neither team was able to score until the fifth inning when the Raiders rallied for four runs on four hits, all to home. Peck scored two runs and garnered two hits in three trips to the plate.

Crimson Crush Cadets, 13-7

Scoring seven runs in the fourth inning, and then scoring freely in each inning thereafter, the Milne Red Raiders behind the superb six hit pitching of "Bunny" Walker pounded Albany Academy 13 to 7, to avenge an earlier season defeat at the hands of the Cadets.

Cadets Score Early

aced by Crel Froman's triple and Jerry Friel's bases loaded single, the future soldiers scored six runs in the very first inning to take a comfortable 6-0 lead.

"Bunny" Buckles Down

After a shaky first inning, starting hurler "Bunny" Walker settled down and engaged in a tight pitching duel with Russ Peck. Standing until the fourth inning, when the Raiders retaliated with seven runs to take the lead.

The Raiders led by Don Coombs and Art Melius' doubles scored their seven runs on four hits, a walk and two errors. It was the Raiders' sixth straight victory.

Father, Son Banquet

Great Success

An estimated 175 fathers and sons gathered at the First Reformed Church on Wednesday, May 13, to enjoy the twelfth annual Father and Son banquet. The M.B.A.A., which sponsors the banquet annually, secured as this year's guest speaker, John Bateman, head line coach of football at Columbia university.

Toaster Sidney Nathan set the mood for the entire evening as he opened the program with a few stories and jokes. Next, the Assorted Junior Five led the group in several song selections.

Letters, Trophies Awarded

Then came the letter awards to those who earned sufficient credit through participation in one of the school's three sports. Coach Harry Grogan, who this year has had one of his most prosperous years at Milne, made the presentation of awards after introducing his assistants in each sport. Varsity letter winners in both basketball and baseball were: Doug Billlen, Dave Clarke, Don Coombs, Dick Nathan, "Bunny" Walker, "Criss" Cross, Jud Lockwood, Art Melius and Don Smith. Special congratulations go to Don Coombs, "Bunny" Walker and Bob Seiter, who were given the medals of the most valuable players in basketball, baseball and tennis respectively.

Bateman Barks

Last, but not least on the agenda, was the speaker of the evening, John Bateman, who spoke against the emphasis of sports programs properly supervised.

"Batsman urged boys to take part in sports but not to become athletes "as a part of their regular college life." Finally, Mr. Bateman showed some interesting movies of Columbia's pass wizad in action.

This being the last issue of the year, and the one immediately following the annual M.G.A.A. banquet, I guess you know what's on the agenda for now.

Surprises, Surprises?

Miss Murray was quite sure she had the jump on us this year as usual. Well, she didn't forget about it, and she did not know that an orchid was waiting for her at 515 and Katie Simmons' mother for being the mother to attend the banquet since the first year it started, and for having four daughters in school during that period.

Well, she also knew that Mr. Cowley's homeroom was the one out with complete representation at the banquet, and that Honey McNeil was the first sophomore in to receive an honor pin. But, I would say that the senior class was at least one step ahead of Miss Murray this year. They presented her with an initialed Ronson lighter and fluid, which she followed with a close second when they presented her with an exquisite white orchid.

Unveiling of Next Year's Slate

Miss Murray didn't create as much suspense as usual this year. As a general rule, the announcement of the following year's officers is placed in the least expected place, but this year the gals didn't have to wait long. The names of the winners were announced immediately.

Mingled Emotions Grip Milne Grad Candidates

BY JOHN WOLFE

Once again a dark cloud hides the sun from the facial features of the Milne students. The black robes of mourning have been taken from mothballs to be draped over the prematurely withered shoulders of the tortured Milnites. Final examination time has crept up upon us once more.

There are several reasons for wishing to pass these little quizzes. Everybody loves Milne, but few have such deep affection that they wish to spend more than their allotted number of years there. The only possible explanation for this attitude is that they desire to give other pink-cheeked lads and lassies the opportunity to try the hollowed corridor of Milne.

Colleges’ Eagle Eyes

Also, it is rather nice to have a couple of passing marks on a college application. The shock of the admissions committee at any college will readily pick out any mark under a “U.” If a student has too many of these grades, and his father does not wish to donate a new miln, he may have a hard time getting a full tuition scholarship.

Many varied methods of pre-test studying have been discovered. One of the best is the television system. The student keeps his eyes glued to the screen, while he holds a textbook in his hands. During the duller advertisements, the book is opened at random and glanced at in a careless manner. However, this method has its weaknesses, as was discovered by the student who was under the impression that Mr. Peepers discovered America. He was surprised when he only received partial credit for this fact on his test.

Each To His Own Taste

Junior students prefer complete silence and privacy for their cramming. These specimens force their brains to lock them into a soundproof cell in which are deposited huge collections of books, pots of black coffee and blank sheet saws. As they prepare to plunge into the sea of learning, they start to think. Some of the greatest men in history, fishermen, have twenty-four children and play no likee. Others include, Bermuda shorts, Yale red and hot-rodding on the sewing machine. Sue’s dislikes are history homework, school buses and Ruth Dyer’s new dress. The key to success in engaging in these activities is to be able to cram Milne are: class representative for M.G.A.A., past writer of the Almanac, “Mrs. Kirby” in the senior play, member of Sigma and Bricks and Ivy, graduation usher and last but not least, Sue has participated on the volleyball playgrounds for the last three years. My it’s no wonder she hasn’t had time to join the ice show in Madison Square Garden, her sole ambition in life.

Sue will major in Home Economics at the University of Vermont starting this fall.

BILL WADE

Bill Wade, one of the many Lout-dowdiers that may be found in Milne, was born in the home of the Peepers in the Memorial Hospital on April 4, 1905. Thus he has reached the ripe old age of twenty-four.

Our “Willy” has kept himself occupied since entering Milne in the seventh grade. He played varsity baseball from the ninth through the twelfth grades, played freshman, junior varsity, and varsity basketball, and was head usher for graduation in his junior year. He was a representative on the M.B.B.A. in the tenth and eleventh grades and business manager for the senior card party. Looking for Bill on Thursday? You’ll find him at a Coast Guard reserve meeting.

This boy has oodles of ambitions; retire at forty, be another Einstein, have twenty-four children and play no likee. Union offers courses for these? Sports, dancing, and school are Bill’s main likes, while ogg noun no likee.

NANCY TRIPP

Brooklyn is where this gal hails from and if you don’t believe it just ask her. She was born in the home of the Dodgers on December 21, 1916.

“Trip” came to Milne in the seventh grade. In her freshman year she made the cheering squad and has been a member since. Vice-president of her class in her sophomore year, choir, Sigma, Tri-Hi-Y, graduation usher and writer of this column last year are among her many accomplishments.

Nancy’s likes are, Colgate basketball players, and the Biltmore Hotel in New York City. Dislikes of Miss Trip include daquiries, college week-ends (this girl has got to go) and for some strange reason Dyer’s beautiful singing voice.

HENRY COHEN

This little bundle of joy first saw the light of day on November 29, 1906. Even then, as now, he was heard uttering his favorite expression, which is, “Hit.” Henry had a normal childhood before he came to Milne. He attended P.S. 16 and then Hackett junior high in his freshman year.

Since coming to Milne he has been quite ambitious. He was photographer for the Crimson and White and the Bricks and Ivy, treasurer of M.B.B.A., and a member of Theseum and Hi-Y.

Henry’s dislikes include pizza, developing pictures in the dark by himself and square golfballs. His likes are the Brooklyn Dodgers, “The Lark, by the Park, in the Dark,” and to see the Yanks lose.

Jean Redden, while Jim Cohen is busy keeping the books.

Milne students wish the best of luck to the new officers with their duties on the junior student council. They will commence their functions this fall.

SUE CRANE

Did you mention sports? Whoops, here comes a blonde, blue-eyed girl whose name is Sue Crane. Sports are just one of the many likes of this gal. Others include, Bermuda shorts, Yale red and hot-rodding on the sewing machine. Sue’s dislikes are history homework, school buses and Ruth Dyer’s new dress.

Sue is engaged in various activities at entering Milne: class representative for M.G.A.A., past writer of the Almanac, “Mrs. Kirkey” in the senior play, member of Sigma and Bricks and Ivy, graduation usher and last but not least, Sue has participated on the volleyball playgrounds for the last three years.
