The plan has been approved by the Student Council and by the Administration. It is hoped that by taking advertising, the Crimson and White will be able to resume its original schedule and that much needed junior funds. There are many incidental expenses which will be raised. We wish to reassure all readers that the news of Milne will still be the purchase of a defense stamp. The rest of the money, about $355, has been procured from direct sales. Bates hopes to inaugurate some sort of competition between the two schools in order to stimulate more sales.

A few of the students have purchased bonds through their homeroom teachers. They are as follows: Jack Underwood, $100; Gerald Flunket, $100; Nancy Abernathy, $100; Harvey Holmes, $50; Jack Greiner, $50. Representing the faculty is Miss Beth Hitchcock, instructor in physical education, who has bought a $150 bond.

"Defense Bonds as well as stamps may be purchased through the school in all denominations. We sincerely hope that everyone will do his best to cooperate with the Defense Treasurer in his homeroom so that we may far exceed our $5,000 quota long before April," stated Bates.

**Quinn Initiates New Members Into Society**

The Quintilllan Literary Society held its annual initiation Tuesday, February 3, from three to five o'clock in the Lounge. The sophomore girls who were invited to join this year are: Betty Bashkin, Betty Pettig, Marilyn Bates, Edwina Lucke, Ruth Forth, Inez Warshaw, Felita Schall, Ruth Strauss, Elnor Yagoda, Romona Delehant, Melissa Engle, Jean Freedman, Norma Silverstein, Nancy Parks, and Betty Gallup. The faculty adviser for the new admissions is Mr. James Ochman, supervisor of English. The staff includes: Walter Austin, '42, editor-in-chief; Dr. Ralph Beaver, '43, president of Phi Sigma, states, "I hope that the addition of Phi Sigma to the QTSA will make the dance appeal to a great deal more students."

**Junior School Plans Victory Dance Saturday**

The Junior School Student Council will sponsor a Victory Dance for members of the Junior School, which will take place on Saturday, February 7, from 8 to 11 p.m. in the State College Lounge. The dance will follow a patriotic theme, explained Barbara Mac Mahon, Junior School Student Council president. The admission fee will be the purchase of a defense stamp.

Music will be supplied by the school orchestra. The council will purchase nine new records from the fund which has been allotted to Junior School parties. The Dance Committee is as follows: Jeanette Price, Ruth Welsh, Al Saunders, and Jim Detterich. In charge of decorations are Scott Hamilton and Eugene St. Louis. Chaperones for the affair are Mr. Paul Bulger, assistant to the principal; Miss Evelyn Wells, supervisor in Latin; and Miss Ruth Subher, art instructor.

**Beat Rensselaer Tonight**

The Bricks and Ivy, the Milne High School magazine, will be coming out soon, Blanche Packer, editor of the magazine, announced.

Many contributions have been written in the school-wide contest. Miss Mary Conklin, supervisor of English, has offered a prize for the best piece of literature submitted. This prize has been established and will be given every year to the piece which wins the best place of literature. Many articles have been received from upper classmen, but lower classmen are asked for more.

**Red Cross Starts War Relief Drive**

The Milne Junior Red Cross is requesting all extra-curricular organizations and clubs in school to contribute to the drive for War Relief, according to Corinne Edwards, president of the Red Cross Council at Milne. The Senior Class and Dramatics Club are leading the way by promising to bring motions before their members to donate checks of ten dollars to the fund. Gerald Flunket, '42, started the drive by giving the Red Cross a check for ten dollars.

A school-wide drive which will reach every student is to be started this week. Representatives from every homeroom will collect the contributions from students. The quota for the fund is $75.00.

Yarn for sweaters is not yet available at the Red Cross Chapter House, and until a new shipment arrives, knitters will be forced to desist with starting new articles. Miss Edwards stated.

Miss Edwards continued to say that any students who wish to start knitting and have not yet done so are to contact their homeroom representative.
To Dance After The Game

This week end proves to be a gala one with the basketball game against Rensselaer on Friday night, and the Junior High High School game on Saturday evening.

The dance is going to be in the Lounge and will be a Victory Dance. Some of those planning to attend are Marie Hassen, Paul Ochenshen, Glada Appleman, Fred Denley, Nancy Lee Clarke, Bob Kelly, Florence Pinot, Jack Gray, Frankie Kirk, Frank Belville, Janet O'Connell, Lillian Simmons, Sanford Bookstein, Lillian Mozenczak.

The dance is going to be a gym itself. That is where dancing was form­

2:30—Junior School Assembly.

For Snappy Cheerleading

"Doesn't your school even have a cheerleading team?" we were asked at a recent away basketball game, when our cheerleaders just "couldn't find a way of getting out there." And we began to wonder if we really have a cheerleading team that we are proud of, when it happens to make an appearance, in part, of an away game.

We were amazed and a little ashamed, too, when Columbia High's Cheering Squad performed so capably at a recent game. The keen originality and sparkle of their cheers and formations, together with their "smooth" uniforms make them an outstanding squad.

When, on the following evening, in the dining room of little Coeysmans High School, we saw their Cheerleaders emerge with cheers even more sensational than those of the night before, then did we realize that our Cheering Squad could be improved. What we need is new, peppy cheers, more sensational than those of the night before, which could be easily corrected, but which may de­

True, many of these cases are only slight defects which could be easily corrected, but which may de­

Ski Class Continues

Well, Glenna went out to catch the bus and slipped—she landed on her walking around with a stiff hip?

New Locker Rules

Boycheff States

The Milne basketball team will play the Van Rensselaer quintet on Court tonight. The preliminary game will start at 7:30

Previous to this, the Rensselaer will defeat the Milne team 38-36 in Rensselaer.

The Milne JV defeated the East side's Junior to 9.

This promises to be an exciting game. Let's see a big crowd on hand for this 1st.

All season tickets will be good for this encounter.

"Sandy Sez" —Beaver

The Milne team has been going ahead at full steam. They have added four games into the win column in the last three weeks.

By the fans that journeyed out to Bethlehem certainly got a thrill when they saw a Milne victory come in the last seven seconds—thanks to Johnnie Pool.

At the same time, the Jayvees lost its first game of this season in an exciting overtime game. The game ended in a 26 all tie and a three minute overtime period was required to settle the tie.

Incidentally, the JV had a six point lead at the end of the half leading 18-12. They lost in the first minute of play at the second half.

Morty Swartz was high scorer in that game with 8 points. The way he has been playing lately it's no surprise he was promoted to the varsity.

The Cobleskill loss was a tough one for Milne. They have been one of the best basketball teams in the area and they have beaten Milne once before.

Of Three Out of Five

All Milne fans should be absolute —to this, the Rensselaer win in seven seconds.

Win In Seven Seconds

The varsity defeated Bethlehem Central on January 16th on the opposite court. After gaining a 15 point lead by the first quarter, the Red Raiders went on to win 30-31. Captain Alton Wilson was high scorer with 15 points.

The following night on the opponent's court, Milne defeated Coeymans 36-31. Morty was high scorer with 8 points.

The latest victory for the Red Raiders was a narrow victory over Kinderhook on the Kinderhook court.

Of Five In Contests

The Milne Red Raiders have won four out of five basketball games in the past three weeks. Their record now stands at seven games won and two lost.

Red Raiders Garner Four Out of Five

Hi-Y Sponsors Basketball Bus

The Milne Hi-Y opened the new semester with a meeting at the Y. M. C. A. on Wednesday evening, January 31. Hi-Y sponsored a bus trip to Kinderhook for the basketball game. Mr. Roy York in his instructive manner as supervisor on the trip.

The trip was a success and a profit of $2.40 was made by the Hi-Y.

The following night on the opponent's court, Milne defeated Coeymans 36-31. Morty Swartz was high scorer with 8 points.

They were defeated by the East Greenbush Jayvees 17-20.

Last Saturday the Milne juniors took the Kinderhook team 20-14.

The three minute overtime game played by the Junior Varsity at Bethlehem was the first one for Milne forces this season.

Hi-Y Loses In Overtime Tilt

During the same period the JV did not fare quite so well. They were defeated by Bethlehem Central in an overtime game by a 20-25 score.

They defeated Cobleskill 18-6 and Coeymans 36-31.

They were defeated by the East Greenbush Jayvees 17-20.

Students Exhibit Individual Art

Individual art exhibits of four senior girls have been inaugurated in the Milne art department, according to Miss Grace Martin, instructor in art.

Mary Potter, ’42, has had her exhibit in the art studio all week. The show includes paintings and drawings, together composed by a group of women.

Janet Foster, ’42, is scheduled to have her showing during the week ending February 10.

The works of Eleanor Gutterson and Rita Figarsky are scheduled for the following two weeks.

"We cordially invite all students to inspect this work during their free time to get a picture of the art that may be found in our own school," stated Miss Martin.

Miss Ruth Stahle, also of the art department, is teaching a new course for advanced students only. The first problems deal with modern textile design. An exhibit of this work is scheduled for the end of February.

Martin Edwards, ’41, completed a statuette of a Sailor, which is now on exhibit in the Milne trophy case.

The statue is labeled "De Rock" and is supposed to represent a Milne boy in the U.S. Navy.

Dr. Kenny Warns Students of New College Programs

Dr. Ralph B. Kenney, director of guidance, in an interview this week, disclosed plans of shortened college courses and how they may affect Milne seniors.

"Senior boys who are planning to enter college upon graduation from Milne may be interested in taking accelerated courses now offered by some universities," said Dr. Kenney.

"Many men's colleges are providing for entering classes in July of this year, thereby making it possible for a boy to obtain a degree in two academic years plus three summers of collegiate work. The plan is optional for prospective students. Senior boys yet at Milne who wish to learn more about this new opportunity should see their guidance directors and be glad to discuss such plans with parents," the guidance director concluded.

Among the colleges offering the course are Yale, Harvard, Brown, Princeton, New York University, and in all probability, Union.

Miss Clancy Resumes Post Of Rheingold

Miss Marion Clancy last week succeeded Mrs. Sarah Rheingold as secretary to the principal.

"I like the Milne School very much. The students are very friendly and well managed," said Miss Clancy. Dr. Robert Frederick's new worker.

Miss Clancy graduated from Vincentian Institute and attended State College. She was formerly employed by the Governor's Office and the Civil Service Commission.

She likes to travel but doesn't get much chance to do so. Her present leisure is occupied with a defense course in home nursing.

 Clubs to Resume Weekly Meetings Next Wednesday

Junior and Senior High Pupils Choose Varied Clubs

Junior and Senior Club will resume their regular weekly meetings on Wednesday, February 11, at 2:30 p.m. and 3:30 p.m. respectively.

Under the direction of Mr. Paul C. Cooper, counselor and Miss Ruth Kranz, campus teacher, members of the State College student body are divided into clubs.

Students have already been asked to state their choice of clubs on blanks recently distributed in home rooms. Club members and sponsors will be announced in the near future.

The Clubs which are planned for both Junior and Senior School students are the Drama Club, Science Club, Debate Club, Science Club, and Spanish Club. Senior School students may also elect from this list: Bridge Club, Intercollegiate Decoration Club, Creative Writing Club, Photography Club, and French Club.

Junior School has many others, including Chef's Club, First Aid Club, Magic Club, Movie Appreciation Club, Radio Listening Guild, Quiz Kids Club, and the Sub-Dub Club. There are also clubs for those interested in music, records, cartoons, automobile mechanics, radio, typing, dancing, knitting, and tailoring.

Mr. Buigler stated, "We hope that all students will take advantage of the many extra-curricular clubs offered them, not only for their own benefit, but also so that we may make our Milne clubs the best high school clubs in New York State."

Economics Classes

Home economics classes, under the supervision of Miss May Fillingham and Miss Marion Martin, will resume February 2. Dr. William Allen will preside over a series of exhibits in the art studio all week.

By reading these papers from other schools, we hope to gain help to improve the Crimson and White, stated Miss Schifferdecker.

Individual Meat Film

Home economics classes, under the supervision of Miss Mary Fillingham and Mrs. Anne B. Barama, instructor, will show the series of exhibits in the art studio all week entitle "The Romance of Meat." Last Monday, February 2, Dr. William Allen will preside over a series of exhibits in the art studio all week.

The picture deals with a young bride with the problem of what to serve for dinner when her father and sister-in-law arrive unexpectedly. It also told of economical meat cuts, of the effect of knowledge when buying meat and of the value of meat.

The students learned a great deal about economical ways of serving various meats. A demonstration was presented on carving which showed that knives must be sharp for good results. The movie ended with color shots of appetizing dinners.
