WHEN?

Due to the weather the sail boat race has been postponed for the second time. At the present moment the sail boats and owners are waiting excitedly for the day when they will enter in the competition. Their sails have been hoisted and numbers put on them.

The beautiful cup has arrived, as well as the medals for the winners of the different heats.

The judges have been elected from the three eighth grade homerooms. 123 chose Elaine Becker to act as judge while 126 has chosen Betty Miller. Marilyn Tincher is 124's judge.

An unexpected thrill has been added, as a hint that a captain of one of the eight boats is very interested in the race and expects to be at the park to witness the race. A photographer from one of Albany's newspapers is also expected to be one of the guests.

HOME ROOMS TO VOTE FOR NOMINEES FOR STUDENT COUNCIL PRESIDENT NEXT WEEK

Have you noticed the "Nominate for President of Student Council" signs? They seem to pop out from all corners, like a group of Jack-in-the-boxes. Next week the home rooms of the "Junior High will vote to see who are the nominees for next year's Student Council President.

The campaign speeches will be given on June 2, in a special assembly. After that everyone adjourns to his home room to vote. A representative of Student Council collects the votes which are then handed in to be counted. Usually by the same afternoon the votes are counted and next year's president announced. Think your vote over carefully and make sure you know the one you think would be best.
STYLES

With the new air conditioned trains and airplanes, traveling has become much cooler in the mid-summer. Although traveling is much cooler, you must also be dressed comfortably. For just this convenience we suggest wearing a dress of some light material. Be sure it is cool and not just cool looking. If you prefer a suit there are many cool suits that will make you feel comfortable.

Among the materials for dresses are lawns and organdies. These can be bought for not much money and made into very pretty and stylish dresses. With these you may wear a straw hat and white gloves. You will look quite dressed up and fashionable.

Next week: Clothes for riding.

WHO WILL YOU NOMINATE?

This is a question which you should consider about this time. The persons nominated should be eighth grade students who are capable of the job. Many people are sometimes nominated by their friends and run for the office. Often these people are poor managers and need to spend more time on school work.

There isn’t much more time before the nominations, the campaign speeches and the election so you have to start thinking about it. There already is some probable choice of candidates and if you think they are good people for the office, nominate and elect them.

THE CROSSWORD PUZZLE

Quite a few of the following are names and initials of actors and actresses, but all are very easy.

ACROSS

17. Where things are bought
19. Baritone of the screen
21. A color
22. Initials of star of King and the Chorus Girl
23. Initials of whom who played David
24. Prefix

TODAY'S THE NIGHT! Don’t forget the Junior High School Dance in the Recreation Center at eight o’clock. At the last dance you will remember quite a few seniors were tripping around on our dance floors. Of course we are grateful to those who helped with the games. It was swell of time to do so, but we don’t like three-fourths of Senior High breaking our parties, especially when our Student Council makes a definite law against allowing them to do so. Not very long ago the Seniors and Juniors had their parties together but our dear upper classmen didn’t want little “brutes” running in on them. Now they have their school dances and we have ours. Why don’t they leave us alone? The brutes!
Dr. Frederick was born in Wheeling, West Virginia in 1899. He attended the "Old Center School" there. He then attended Dennison College in Granville, Ohio, and was a member of the Phi Delta Theta fraternity. He graduated in 1921.

He returned to Oak Park (a suburb of Wheeling) and taught in the Oak Park High School. He ended teaching there after two years, after having taught 1000 students. From there he went to Yale (1923-4). He received his master's degree and a scholarship to attend New York University. He received his Doctor's degree in June, 1926.

On December 26, he was married. He taught in the University of Georgia and Buffalo for two summers. He came to Milne in 1930. In 1932 he built a home in Elsmere. He has three boys; Bob, Jack, and Peter.

Doctor Frederick has written two books and a new one will be out next fall.

The Milne Girls' Sorority has planned to have a picnic on May 22. The members have not, as yet, decided where it will take place.

They have also elected their new officers. They are as follows: President, Marilyn Potter; Vice-president, Lois Ambler; Secretary, Marcia Schifferdecker; Treasurer, Ethel Gould; Assistant treasurer, Barbara Russell; and Newspaper correspondent, Marcia Bissikummer.
