PHOI pins were also distributed to PHOI Literary Society award recipients last spring, those members who ordered them through Gleason's Jewelry Company. Arrangements for the purchase of rings were made by Mr. Roy York, who had studied the contracts offered by photographic studios on Wednesday. Class Rings Received will be made on Wednesday, October 4, at 12:30. Nominees for office were: president, Art Walker; vice-president, Dan Westbrook; secretary, and Art Walker; treasurer, Ken Travis, Nancy McMann, Art Walker, Bettie Carothers. Art Walker, last year's president of the class, presided throughout the meeting, due to the absence of the president elect, JoAnn Horton. Other business taken care of at the meeting was the presentation of a gift to Dr. Snader by Dan Westbrook; Dr. Snader was presented with a ring with the class of 1947 year inscribed on it. The ring was presented to Dr. Snader in appreciation of his work as department chairman. At a meeting last year the Class of 1947 selected a committee made up of Lois Prescott, editor of the Bricks and Ivy, Kermit Angier, business manager, Ellen Fletcher, art editor, B. J. Flanders, senior representative, and John Thompson, president of the senior class. The committee then met with the representatives of several Albany photographic studios on Wednesday, October 4th. After the committee had studied the contracts offered by the studios, the members of the senior class were asked to vote for their choices. Pictures and price lists had been displayed during the week before in the senior room and the library showcase. The yearbook staff plans to start the photography as soon as possible.

Class Rings Received

Members of the senior class received their rings on Friday, October 11th after an interminable wait. At a meeting last year the Class of 1947 selected a committee made up of Don Jarrett, Winnie Hauf, B. J. Flanders, Bob Kelly, Ken Clark, and Kermit Angier, who considered offers from several jewelers and submitted a few of their choices for approval by the whole class. Although the rings were ordered last October and delivery was promised in May, June, or at the latest, July, the shortages of material prevented delivery until this month.

John Thompson, senior Class president, said, "Except for a few unfortunate mistakes, the rings were accepted with enthusiasm. Now that our patience is finally rewarded, we can wonder around in rings instead of circles."

Adelphoi Society

Awards Senior Keys

At a recent meeting THE ADELPHOI LITERARY SOCIETY awarded keys to its eight senior members. Arrangements for the purchase of these keys were made by ADELPHOI Business Manager, Grant Talbot, '47, through Gleason's Jewelry Company. Those receiving keys were: Jess Barnett, Kermit Angier, Al Mariski, Neil McNeil, Don Jarrett, Grant Talbot, Bill O'Brien, and Ken Seifert. At the meeting ADELPHOI pins were also distributed to those members who ordered them last spring.

Sophomore Class Elects Officers

Joan Horton was elected president of the sophomore class at a class meeting held in the auditorium Friday, October 4, at 12:30. Others elected to office are: Marcia Armstrong, vice-president; Dan Westbrook, secretary; and Art Walker, treasurer. Nominees for office were: president, Art Walker; Pete McDonough, Dan Westbrook, and Joan Horton, vice-president, Pat Costello, George De Mass, Dan Westbrook, and Marcia Armstrong; secretary, Jo Ann Clark, Dan Westbrook, and Joyce Hallett; treasurer, Ken Travis, Nancy McMann, Art Walker, Bettie Carothers. Art Walker, last year's president of the class, presided throughout the meeting, due to the absence of the president elect, Joan Horton.

Other business taken care of at the meeting was the presenting of a gift to Dr. Snader by Dan Westbrook; Dr. Snader was presented with a ring with the class of 1947 year inscribed on it. The ring was presented to Dr. Snader in appreciation of his work as department chairman. At a meeting last year the Class of 1947 selected a committee made up of Lois Prescott, editor of the Bricks and Ivy, Kermit Angier, business manager, Ellen Fletcher, art editor, B. J. Flanders, senior representative, and John Thompson, president of the senior class. The committee then met with the representatives of several Albany photographic studios on Wednesday, October 4th. Pictures and price lists had been displayed during the week before in the senior room and the library showcase. The yearbook staff plans to start the photography as soon as possible.

Senior Choir Plans Program for '47

Class Pictures

The Senior Choir at Milne under the direction of Dr. Snader has begun work on its program for the 1946-1947 season. The Musical Council has already been organized with the following students as officers: President, Kermit Angier; Secretary, Winnie Hauf; Treasurer, Adele Perth; Librarians of Choir A and B respectively, Joan Horton, and Elizabeth Rockenfeller. The senior representative and John Thompson, art editor, B. J. Flanders, business manager, Ellen Fletcher, and Mr. R. E. Fairbank.

It's up to all of you students—its up to the school—its up to all the students—Hi-Y has planned for the year. Everyone come!"

Mr. Mr. William Fink, supervisor in the Social Studies department, has accepted an invitation to become the faculty adviser of Theseeum Literary Society. His selection has been approved by Dr. Fisk, school principal. The new adviser succeeds Dr. Edward Cooper, former head of the Milne Commerce department, who has rejoined the faculty at State College.

Theseeum is Milne's youngest literary society, having been formed last February for the purpose of making literary society membership available to a large number of boys.

First Meeting

The society's first evening meeting of the school year was held on October 4th at the home of John Thompson, society president. At that time, action was taken on the adoption of the insignia to be used on the organization's pins which have now been ordered. It is expected that the pins will be ready by Christmas.

Don Meserve, secretary, states that with the selection of the faculty adviser the society is now able to proceed with a proposed series of debates on educational methods. It is hoped that the society's social calendar will include several bowling matches and basketball games.

"Inflation" Hits School As Milnites Vote Budget

Assembly Climaxes Council Planning

The senior body of Milne High School this morning voted in assembly on the Student Budget appropriations for the year 1946-1947. The requests made by the various student organizations came as follows: Milne Boys' Athletic Association, $800; Girls' Athletic Association, $355; Milne Music Council, $1,300; Bricks and Ivy, $800; Senior High Parties, $100; Cheerleaders, $90; Alumni Ball, $7. Total budget, approved by the Student Council for the year, amounts to an increase of about five dollars over the year 1945-1946.

Yearbook Allotment Changes

Last year a great deal of trouble was encountered regarding the acceptance of the budget, the main difficulty being the fact that the Bricks and Ivy needed $352.50 more than their usual allotment. This year's Student Council has decreased the budget for the year from $900 to $350. Whether or not the school accepts this decrease will be shown in the voting this morning.

Each organization will have one speaker at the assembly in order to acquaint the student body with their demands. The Student Council in conjunction with these speakers, asked the student body to examine the budget and the different organizations in the school.

Mr. William Fink, supervisor in the Social Studies department, has accepted an invitation to become the faculty adviser of Theseeum Literary Society. His selection has been approved by Dr. Fisk, school principal. The new adviser succeeds Dr. Edward Cooper, former head of the Milne Commerce department, who has rejoined the faculty at State College.

This year's round of dances started off with the Junior High Reception which was a big success, according to all reports. The seventh grade was well represented. Standing out among them were the Neville twins and the Sutherland twins. . . . June Hauf gave a dinner party before the dance. Those attending were Larry Walker, Ernie Whitfield, Bobbie Dewey, Dave Bates, Judy Horton, Johnny Walker, Nancy Shaw, "Beano" Beeman, Anne Congelio, Paul Wolfgang, Jane and Bob Lawten. Following the dance Jane Congelio had the kids up to her house for eats. . . After that, some of the girls remained and tried to get out a little 'sleumber.' More fun!

Next on the list of dances was the Sophomore party. We hear it was loads of fun and that Lew Carr was a riot as master of ceremonies.

BeeBee Betham has been having fun with a certain person called "ED." Ask her for further details.

Have you heard the rumors flying around that some of the eighth grade girls have formed the DDTs? If not, ask Ruth Staley, Susan Armstrong, Sydell Herman, Anne Bruce, Ruth Toonkison, Les Livwell, Pat Ashworth, Doris Metzner, or Judy Ostrand. They are the originals.

Dean Rengott, Joan and Jim Clark travel up to Berlin every week-end. What's the big attraction?

When school jet out Friday some of the soft girls did a stretch of bowing. Lea Paxton got 190. Three cheers!

Joan Traver, Grant Talbot, Joan Minnock, OB, Al Pirnie, and Janet and Roger Gross saw the Army-Cornell game. Lucky kids! By the way, Roger met Blanchard.

Jane Simmons, Lee Paul, Jackie Mank, and Harry Ward went to the movies Friday night and then up to Jane's for food(?).

Anne Silverman "took care" of Sally Gaus while her folks were away. Friday night they had "open house" for Barbara Betham, B. J. Flanders before the movies. Where did you get these bags under your eyes Anne and Sally?

Saturday afternoon Bleeker Stadium was "blessed" with the appearance of Betty Pfeiffer, Judy Hunting, Jess, OB, Neil, Shank Kerker, Bob Leslie, Lloyd (Cactus Beamer), Schonbrenner, and Bob Randall. Norma Seifert was the "gala" guest of the year.

Week-end movie-goers were Bob Leslie, Charlie McNutt, and Bob Randall. Jim Clark, Artie Bearup, Pete McDonough, George DeMoss, and Dan Westbrook were just walking around while Corinne O'Donnell, Dick Eldridge, Loreta Bode, Bob Abernathy raked a lot of the scenery.

Carol Spence's hay ride planned for last Friday night was postponed because of typical weather. Sally Grace and Barbara Duran are planning one for this week-end. Details next week.

Alumnus news by Pat and B. J.

Mrs. Robert Cornet is the former Barbara Schamberger, '45. Mr. and Mrs. Cornelius Martin Edwards entertained Sunday with a christening party marked "Milne Merry-Go-Round." The event, should put this information in the box marked "Milne Merry-Go-Round."

Shakespearean Shindig!!

Do you remember Romeo and Juliet? The great Shakespeare wrote a play about them and in recent years this famous story was made into a movie. Ah, yes a movie! As it happened, this masterpiece was presented to the Milnites by a body recently and from all appearances, Milnites were not noticeably impressed.

On the contrary, they laughed where they shouldn't, talked where they shouldn't, and on the whole, did just about everything they shouldn't. We'll all admit that the movie was "pretty funny" but because of the way we acted, the school almost lost assemblies for the rest of the year. That isn't fair. It isn't right to τo the rest of the school. The movie was a little out of our line, but the way the Milnites acted made 'Romeo and Juliet' look like a quiet early morning painting.

We are going to get another chance. From now on assemblies will be better thought out, so that a repetition of our behavior will not occur. Let's watch ourselves at these assemblies. They are for our benefit and we, in Milne, are lucky to have them. Let's work to keep them, and remember that whether our behavior is ideal man in Mibs' life must be there. . . .

On the second floor, beginning October 28th. Any events, should put this information in the box marked "Milne Merry-Go-Round."

SUGGESTIONS, PLEASE!!

For the benefit of the staff of the Crimson and White and the entire school, there will be two suggestion boxes in the Crimson and White room on the second floor, beginning October 28th. Any one from the seventh grade through the Senior Room may use these boxes to make suggestions at all for the betterment and advancement of our school newspaper should take advantage of this opportunity immediately.

In addition, all those who have anything to contribute, to hand out, to parties, dates, week-end events, should put this information in the box marked "Milne Merry-Go-Round."

Delmar Defeats Milne

As Ben Mendel Stars

Pass Interception Proves Exciting Play of Game

Milne High School lost its first game of the football season to Bethle­hem Central at the latter's field by the score of 12 to 6. Milne gave Delmar's more experienced gridders a tough struggle. The out­weighed Milne eleven, showed con­fidence, and never gave up trying to crack the large B. C. H. S. line.

Leading the Milne ground attack were "Stark" Kerrker, a good broken field runner; "Blank" Jarrett, whose pass interception of 99 yards made the game; Lloyd Schonbrun, pint sized halfback, who played a great defensive game; and Bill Faran, ace passer.

Neil McNell, end, seemed to stand out the most in the line. Time after time, he rushed through to break up B. C. H. S. plays.

Delmar Scores Soon

It took the Delmar team just nine plays to score after Milne kicked off in the opening period. The drive carried 61 yards, the final play being a 15 yard pass to the right end who raced over the stripe standing up. The kick for the extra point was low.

Midway in the third period, the Delmar kicker sent in a high twisting kick from Menands, and then our gallant Miss Murray, who had the constitution completed to their own 36 yard line. At this point Mendel intercepted a pass on the kick and passed the second score. The kick for the point was blocked.

Mendel In Action As Delmar Gridders Close In.

Boys to Revise Athletic Rules

At a recent meeting of the Milne Boy's Athletic Association a com­mittee was appointed by President William S. O'Brien and Coach Grogan to begin plans for a new and revised M. B. A. constitution. Those on the committee are Ben Mendel, Bill Faran, and Jess Barnet.

Forming New Constitution

Up to the present time, the com­mittee has decided upon a certain few important changes which has already been drafted into the consti­tution. The most important change concerns the awarding of sweaters to students in the year of their graduation. It was decided by the committee and the organiza­tion alike that a total of six points was necessary to secure a sweater.

These points may be secured in various ways. A boy receives one point for each freshman letter that he receives, one-half point for each jayvee letter, and one full point for each varsity letter received. How­ever, for certain students there will be exceptions to the rule; yet these exceptions will be decided and an­nounced at a later date.

Another important change is re­garding the managers and the pre­servation of sweaters. The organ­ization has decided that a manager may earn no more than four and one-half credits towards a sweater by managing and must earn the remaining one and one-half credits by general sports participation.

Not Yet Completed

All of this, however, is in its early stages and nothing concrete has been formulated or decided upon yet. There is a great deal of work yet to do involving finances, mem­bership, other sports awards, and meetings. The committee hopes to have the constitution completed within the next month and at that time it can be presented to the Stu­dent Council for approval and sanc­tion.

Academy Game a Long Struggle

Our next game was played against the Girl's Academy which was a battle "royal" from beginning to end. During the first half a great deal of territory was covered but no goal for either team were scored. At the beginning of the second half the same situation occurred. Finally however, Academy pushed one over to score the only goal of the game. Milne was 1-0 even, the score, the final tally being 1-0 in Academy's favor.

Our third and last opponent was Mt. Pleasant. "Fletch," taking advantage of a short corner scored a goal during the early part of the first half. The second half of another hard-fought engagement but the final whistle ended the game with Milne winning 1-0.

Hockey Varsity Displays Skill

At Emma Willard

Fifteen determined Milmites, early last Saturday morning, hur­ried to the corner of State and Broadway. Huddled because layers were scarce, they2 were beginning to form and early because it was all of 8:30 A. M. There were to begin with, ten "sunny" seniors, one "jovial" junior and our brilliant Miss M. M. who came along to see we didn't start slugging each other over the head with hockey sticks. Soon we were joined by three additional seniors who managed to drag in from Menands, and then our gallant little party started for Emma Wil­lard in Troy.

By the time we arrived in Troy we almost had to treat Tainter for frostbite! The air was warming slightly so no major operations were performed. We were ushered most politely into a big room where we managed to change our sneakers, put on our shin guards, and apply any other par­aphanalia required. By this time we were fully awake, which was a slightly new experience.

Since we played in neither of the first games we decided to look for a "shuttle" and have the high hand, but there was no time like the present to find out. Much to our relief they seemed no big­ger than we.

Beat Knickerbocker 4-0

We were scheduled to play Knickerbocker from Troy first, and in a very short time we were lined up and ready to go. "Fletch" real­ly amazed our opposition by shooting a hard hit goal in the first few minutes of play. She repeated her performance a short while after­wards and was soon followed by another. In the second half of the game we were able to maintain a lead which we thought was going to be all of us, but there was no time like the present to find out. Much to our relief they seemed no bigger than we.

The Bee Hive

Murray on Lookout

Miss Murray has been watching the girls play hockey both after school and during gym periods. In her way she has determined which girls are to become members by playing on the varsity hockey team. Her choice is as follows: Diana Ostrander, Gayle Clark, Carol Spence, Ann Adams, Ellen Fischer, Bee Bee Bethan, Shirley Tainter, Marge Bookstein, Ruth Weil, B. J. Flanders, Marie Schmidt, Leona Richter, Mills Martin, and Joan Clark. The girls elected Joan Clark to be the junior varsity captain. The junior varsity will be chosen later.

All this talk about hockey, but what about soccer? The seventh graders have been playing on Wednesday nights. So far the eight graders have held the upper hand, but these seventh grad­ers are just beginning. Wait for another week and we'll see just which is the better team. Nancy Prescott and Sandra Dare are the captains of the seventh grade team, while Barbara Sandberg and Carol Spence are the captains of the eighth graders.

G. A. A. Requirements

A list of requirements for A. A. credit has been posted on the bulletin board in the locker room. It shows you how you can earn your G. A. A. letters in all of the accep­ted sports.

Every Saturday morning the Milne girls take lessons in riding at the Evergreen Stables.
Program Committee Plans for Future Milne Assemblies

The assembly program at Milne will continue shortly under the direction of Dr. Eugene Freel, English Supervisor, with the presentation of a discussion by two State College professors on the topic of “What the United Nations Means to Us.” The assembly will be given by two speakers, one of whom is connected with the History Department of the college, the other with Dr. Harvey Rice and Dr. Robert Rienow.

Student Election

Following this interesting assembly there will be an Election Day assembly held for the Milne students with various Milnites from different grades and faculty speaking for both the Democratic and Republican candidates of New York State. Immediately following this program, the students will retire to their homerooms where a school election will then be held on the basis of the speeches given by the students.

This practice has been carried on in Milne for quite a few years and has consistently proved to be an exciting part of the fall activities. This assembly will be held on November 5th, the day of the State elections.

Freel’s Statement

Commenting on these forthcoming programs, Dr. Eugene Freel, said: “I sincerely hope that the students will make the most of these opportunities which we have provided for them. The United Nations discussion should prove to be an interesting and enlightening experience. Also, the Election Day assembly will give the younger generation a chance to air their own opinions and beliefs and learn something of the whole school. Let’s make both of them truly worthwhile!”

Senior Council at Work

The Senior Student Council, Milne’s highest student organization, has begun its work for the 1943-47 season under the direction of Student Council President, Kenneth Seifert. Asisting him are Donald Jarrett, vice-president; Margie Bookstein, secretary, and Ruth Ambler, treasurer.

The other representatives, on the council from grades 10 and 11 are Jean Horton, Art Walker, Dan Westbrook, Bob Clarke, Don Miller, and Bob Randles.

At the present time the Council is working on the Student Budget to be presented in a Joint Assembly this morning.

Miss Wheeling II

The staff of the Crimson and White hope that Miss Katherine Wheeling, who has been absent from school the past few days, will return shortly as she is sincerely missed by the faculty and students. We wish her a speedy recovery and a speedier return to Milne.

Language Students Join “Pen Pals”

Many students, who are members of the French and Spanish classes this year, are also International Student Society members. This society has members from Spain, South America, Canada, France, and other countries besides the United States. During the war an extensive correspondence could not be carried on for various reasons, yet, with the end of the war, letters are again crowding the mails between students of foreign nations.

The object of this society is to bring the students of various countries closer together. It aids the students in learning foreign languages with first hand information about their neighbors.

Gift Exchanged

Several gifts have been received, such as perfume and other souvenirs, by several members of the society. Most of the members who choose France if studying French, and South America if studying the Spanish language.

According to Miss Ruth Wasley, supervisor in French and Spanish for Milne, the International Student Society has a great aim and is doing much to bring distant worlds closer together by other means than with words. By such efforts, the prospects of peace may look brighter throughout the world.

More New Names on Faculty List

(Continued From Last Issue)

Mr. Ralph Tibbitts

Mr. Ralph Tibbitts is the tall, blonde member of the faculty in the science department. The Army Air Corps claimed him as a navigator from 1943 to 1946. In 1942 he graduated from State College and did his practice teaching under Dr. Moore. Mr. Tibbitts is familiar with Milne tradition through his wife, who graduated from Milne and held the position of assistant librarian for one year last year. The basketball games along with football are being eagerly awaited by Mr. Tibbitts. His white mico promise to be one of the added attractions in his biology classes.

Mrs. Josephine McFarland

Mrs. Josephine McFarland is the director of health education for Milne and doubles as nurse. She is only here between sessions which she teaches at State College. Although her health classes are compulsory, they are enjoyed by all enrolled.

(Continued In Next Issue)

Martin Exhibits Water Colors

Miss Grace Martin, Art supervisor of Milne High School, has a number of sketches in water color on exhibition in Draper Hall of New York State College for Teachers. These sketches will be shown from October 15 to November 1. The water colors being exhibited were painted last summer and represent a variety of scenes from all over the country. A few of these are: “Mt. Grinnel, Glacier Park, at three in the morning”; No. 5, “Washington Park Bridge at Noon”; No. 9, “Mt. Grinnel, Glacier Park, at six in the morning,” is a very interesting picture. This is due not only to the painting, but also the story behind it. It really was painted at six o’clock in the morning, and was the only one ever painted by the artist before breakfast. Miss Martin’s comment on this unusual procedure, “It does not corroborate the statement in last year’s News that I’d rather paint than eat. The dining room wasn’t open and it was the last day in the mountains.”
