"The election of next year's Student Council president will take place June 6," announced Tom Watkins in the Council meeting Wednesday at eleven o'clock. The inauguration will not be held until next year. Only the Juniors in home room 320 will be eligible for nomination.

There will be an auction of all articles gathered in the Lost and Found during the year next Tuesday, May 29, at two o'clock in room 121. All lost articles should be called for before that time.

A report on the ticket money for the Student Council dance was given by Howard Rosenstein and Thomas Watkins. $13.20 has been collected. $10.00 is still out making a complete profit of $23.20. Home room 224 and 226 have not paid the assessed amount of $4.50.

Several students have still not paid their Student Tax. The Student Council urges these delinquents to do so at once.

ASSAMBLEY PROGRAM INCLUDES PLAY
AND CONCERT BY COLLEGE CHORUS

The State College mixed chorus, under the direction of Dr. T. Frederick H. Candlyn, gave a concert for the Milne Junior and Senior High Schools Wednesday at 12:00 o'clock in assembly. The chorus was accompanied by Dr. Candlyn. The selections numbering six were both sacred and secular songs of the sixteenth century, including an arrangement of "Twenty-Eighteen" by Deems Taylor, the noted American composer and master of ceremonies on Paul Whiteman's radio hour.

Home room 230 presented a comedy in one act entitled "Not Quite Such Goose" by Elizabeth Gale. The players were Carolyn Helenbaek, Frances Hornbeek, Virginia McDermott, Ralph Norvell, and Douglas MacHarg. Miss Roselyn Maurice directed the play which was very well received by the audience.

Before the program began, Professor John M. Skyles cautioned the members of the school to be careful of the newly planted trees on the Milne campus. Several yew trees, Douglas fir, high-bush cranberry bushes, and barberry bushes have been planted. Touching them will retard their growth.

Proverbs couldn’t live long enough to be considered old unless they held a really worthy message. That is why we beg you to recall that ancient adage “Never put off until tomorrow what you can do today.” And we beg you to apply it to yourself, seriously, especially at this time of the year when all the Senior High students are preparing for the Regents exams. (0 faked events)

Although it is too late now to bemoan the fact that whenever we could we steadfastly omitted as much home-work as possible, in pursuing joys of a more floating nature; nevertheless now is exactly the time to make the Regents review as complete as we can make it.

There are a blessed few who, in the beginning of the school year, applied themselves to their work so thoroughly that no review for the Regents is really necessary. But it is to be feared that more than a few of these others will neglect the review in preference to the lessors of these delightful summer-like days. They will discount the value of a methodical or concentric review, believing that the rapid assimilation of a great many diversified facts at the last minute (known as cramming) is just as real as that a last-minute cramming often does more harm than good. Yet this harmful cramming for a Regents exam four weeks distant seems small when weighed against a tennis game or a party in this terribly important present.

But those who reason this for overlook many possibilities. If the review is done faithfully every night, then some other more important opportunity may be taken advantage of, when otherwise the time would be spent in cramming. There is nothing so important in this world that it can not be delayed, and that item so delayed will be doubly spent later on.

So beware of promising yourself to do the review and then putting it off with some weak excuse. A very wise person once remarked, “The road to hell is paved with good intentions.”
