JUNIOR - SENIOR HIGH SCHOOL

TO HAVE ASSEMBLY WEDNESDAY

Next Wednesday the junior and senior high school will have an assembly at 8:00 o'clock in the auditorium.

Campaign speeches will be made by managers and nominees for both junior and senior high presidential elections. The Homeroom nominees and the votes they received were: William Ford, 4; Earl B. Woods, 1; Robert P. Feldman, 1; Jack Chase, 1; Douglas Kocher, 1; Ralph Nevill, 1; and William Norton, 1. The two highest on the list are candidates and Student Council will choose two more from those who received the vote each.

NEWSPAPER CLUB IS ORGANIZED;
STUDENTS MAY FORM OTHER CLUBS.

One club has already been organized in junior high school, Miss Halter said. This is the newspaper club with fifteen members.

There were twelve clubs last semester. We expect there will be that number this year again if the students want them. Anyone wanting to form a club can get a petition from his homeroom council representative. After this petition has been filled out, it should be returned to the council representative. There are some new questions on the petition this year, Miss Halter said.

SEVENTH GRADE HAS ASSEMBLY

There was an assembly for the seventh grade yesterday. The junior high school supervisors were presented and Dr. Fredericks welcomed the grade. Richard Mastroen made a speech on student government and Earl B. Woods explained the clubs. They learned the Milne song.

CLASSES HAVE BULLETIN BOARD

Miss Smith announces that each of the eighth grade classes has chosen a bulletin board committee of five pupils. Each committee will have charge of a display on the bulletin board for the week.

ANNOUNCES NEW LATIN CLASS

There is a beginners' Latin class in the ninth grade for new pupils who did not take Latin last year, Miss Smith said.

WILL GIVE VIOLIN LESSONS

Miss Gabel will give violin lessons, class and private, in Milne again this year. Notice is on the bulletin board in the lower hall. Anyone wishing to take lessons should sign up immediately.
Next Wednesday morning you will choose the officers for the Student Council of Milne Junior High School. These officers will govern junior high for the year.

In selecting these officers you should be fair in your choice and not select the one you like best. Listen to what they and their managers have to say about the candidates.

The candidate should be an intelligent, just, and good student. The candidate should know how to handle the council affairs wisely and should have the confidence of his or her fellow students. This person should have a high school spirit and have respect for our school. He should have had the experience of some class office. Most of all, you must reason with yourself whether or not he is capable of holding the office.
