Representative of A. D. Dick Co.
Comes to Milne

Last Thursday during club period, a representative from the A. D. Dick Co. gave a demonstration for the benefit of the Junior Crimson and White. The demonstration was on the use of the Microscope. The Crimson and White uses the Microscope to do the cartoons and drawings in the demonstration draw quite a crowd. It was very interesting. The Crimson and White gets some stencils from the A. D. Dick Co. The representative showed us quite a few pointers on the use of the Microscope.

Cooking Club Makes Sandwiches,
Dramatics Club Plans for Play

The people in the arts and crafts club are making breads and animals out of clay. The boys are doing metal work. The senior club is planning a party. The music club has two new members. They are Farley Holme and Donald Hope. The girls' sports club played softball. They have three new members. It scores to be one of the most popular clubs.

The cooking club made broiled sandwiches. In them were cheese, bacon, and lettuce and tomatoes. The science club made chlorine gas. Robert Lee and Walter Austin were in charge of the program. John Chosser and George Perkins will be in charge of next week's program.

Those in charge of getting the dramatic club play are; props, John Morrison, and Thomas Hood; costume, Laura Davoy and Joyce Hope; make-up, Yvonna Loo Tuhbs, Joan Douglas, Felita Schade, Eleanor Yaguda, and Sydnie Brown.

Mrs. Roosevelt To Be At State

Mrs. Eleanor Roosevelt, wife of the president, will speak at State College's assembly next Friday, Armistice Day. Mrs. Roosevelt is well-known for her calm manner and her social welfare work. Thursday night, Mrs. Roosevelt will speak at Chancellor's Hall. Friday afternoon she will be at Union College.

VACATION ON FRIDAY

Dr. Stiles announces that we will have November 11, Armistice Day, off; also November 14 and 15 of the following week. Having this short vacation will take a day off our Christmas, Hanukkah, and Lincoln's Birthday vacations.

Monday's Assembly
Will Feature Program
On State's Elections

Next Monday, November 7, nothing will be done in Milne. At 11:45 there will be an Election Assembly in the auditorium. On the platform there will be Bob Gardner, Miriam Fletcher, Betty Beldon, John Galano, Don Douglas, Miriam Formal, Ben Goisal, Esther Stigman, Don Underwood, Bethy Shaw, and Charles Kerby from the Junior High. The program will begin with four five-minute speeches. Bob Gardner will talk on the Republican viewpoint at election, and John Galano will give the Democratic viewpoint. Miriam Fletcher will tell us of the Republican viewpoint on the National Issue. Discussion by the other people on the platform will follow. Ben Goisal and Don Underwood will summarize the discussion. Benjamin Douglas will be chairman.

On Tuesday, the following day, there will be held a straw vote, when the students of Milne will vote for their choice in the election.

North Grade's Hockey Game

The ninth grade played hockey again. Jane and a team, which is 9-1, played 10-1. The score was 8-0 in favor of the ninth grade. Jane's team is doing better, because last week the score was 4-0 when they played the same team. Miriam Schild's team, which is 9-2, played 10-2. The score was 3-1 in favor of the ninth graders. Dorothy Sigler took two goals while Miriam Schild made one. Last week when 9-3 played the same team, the score was 4-1 in favor of the ninth graders. Miriam's team took a jump in view of last week's score.
DON'T BE LATE

Everyone knows we have five minutes between classes. Why should it take us over five minutes to go from one class to the other? Be many people are just a half minute late and have to go to get an excuse. It really isn't necessary. There are only three floors in Milne and we have ample time to walk from one class to another, get a drink, and still be on time for our class.

We are usually on time to all classes except homeroom. Now why should this be. There is really no excuse for anyone being late for our classes. Every time you are late it is recorded. Try not to have a bad record. Go on time to your next class for your sake.

SAVING AND SAVING

During the past few years, Milne has developed a banking system. This year we have noticed a lack of interest in it.

Don't you ever go by a shop window and see a bicycle standing there? Wouldn't you like this bicycle? If you had a saving account you could get it.

Even a nickel a week in the bank is a saving. After a year or so it amounts to quite a lot. In case of emergencies this comes in very handy.

Of all the banks in Albany, you can certainly pick one to save your promises in. Remember the bicycle in the win-store where it was put up with another name.

VALUE

The fashion show was very interesting, and the tea was delightful. Everyone enjoyed it.

COMMUNICATION

I am referring to your article in last week's issue of the paper on the naming of the salmon plaice in the Biology room, 320. I have a suggestion for the name of the brown salmon plaice. I think "Sockey" would be very appropriate.  

Sincerely yours,  
Geraldino Paul ('42)  
Honor room 320
